Otter Nonsense:

Otter Nonsense Norton Juster, 1983-01 Explains how the year came to be divided into weeks and months and presents anecdotes legends quotations and traditional rhymes associated with various times of the year **Abominable Science!** Daniel Loxton, Donald R. Prothero, 2013-08-06 A sharp analysis of the quest for unreal critters cryptids as they are called and the people who pursue them entertaining and thoroughly documented The Wall Street Journal Throughout our history humans have been captivated by mythic beasts and legendary creatures Tales of Bigfoot the Yeti and the Loch Ness monster are part of our collective experience Now comes a book from two dedicated investigators that explores and elucidates the fascinating world of cryptozoology Daniel Loxton and Donald R Prothero have written an entertaining educational and definitive text on cryptids presenting the arguments both for and against their existence and systematically challenging the pseudoscience that perpetuates their myths After examining the nature of science and pseudoscience and their relation to cryptozoology Loxton and Prothero take on Bigfoot the Yeti or Abominable Snowman and its cross cultural incarnations the Loch Ness monster and its highly publicized sightings the evolution of the Great Sea Serpent and Mokele Mbembe or the Congo dinosaur They conclude with an analysis of the psychology behind the persistent belief in paranormal phenomena identifying the major players in cryptozoology discussing the character of its subculture and considering the challenge it poses to clear and critical thinking in our increasingly complex world As valuable for its analysis of the hunted as it is for the light it shines on the still hopeful hunters Publishers Weekly Highly recommended for readers looking for scientific but accessible evaluations of the existence of five notable cryptids that have captured our imaginations Library Journal starred review Princeton Alumni Weekly Jesse Lynch Williams, Edwin Mark Norris, 1994 **Greyfax Grimwald** Niel Hancock, 2024-05-01 Greyfax Grimwald has some of the charm of Wind in the Willows in its style and characterizations as well as a finely realized sense of mystery The Washington Post Welcome to Atlanton Earth Drawn together by an enchanted summons three loyal friends Bear Dwarf and Otter bid farewell to their fair home in the kingdom of Lorini and embark on a magical journey to the fabled World Before Time A place where glows the ageless Circle of Light Along the way they meet many marvelous friends including the mighty wizard Greyfax Grimwald But little does the trio realize the dangers that await them the gloomy border of the Northerland the green fires of the Palace of Darkness evil spells and dark enchantments the dread city of Humans and most fearsome of all the evil Dark Queen **Shattering the Effects of Time: Finding the Fountain of Youth** C. A. King, 2017 The Shinning boys have always followed the straight and narrow path through life never deviating from the course for the greater good but never fully applying their abilities to fight for it either That all changed the day their younger sister became the victim The problem the villain they have to face to save her is time itself The only possible solution a handful of myths about artifacts believed to have the ability to reverse the grip of time Their one lead sets them on a quest to find an ancient civilization of Mermaids to unlock the secrets of the Fountain of Youth What they discover

along the way is more than they could have ever anticipated The three boys will come face to face with their own demons as they are forced to make a choice What price are they willing to pay to save their sister *Catalog of Copyright Entries* Library of Congress. Marcus,2018-08-07 What makes funny FUNNY An esteemed anthologist interviews thirteen favorite children s authors and asks them to share their trade secrets Age 12 and up DO YOU EVER MAKE YOURSELF LAUGH WHILE YOU ARE WRITING A joke isn t a joke if you need to explain it notes Leonard S Marcus Even so the hidden clockwork of comedy has long been considered one of the great riddles of life There are many kinds of humor but capturing their essence on paper is a remarkably difficult and often undervalued skill So how do authors create books that not only stand the tests of time but also make us laugh In thirteen fascinating interviews well loved writers of humorous books for children discuss an array of topics from their sources of inspiration to the ways they began writing from their revision processes to childhood anecdotes to the value they place on comedy in their work and lives Beautifully designed and thoughtfully edited this collection is bound to tickle the fancy of children and adults alike Old Time Music ,1980 *Otter Country: An Unexpected Adventure in the Natural World* Miriam Darlington,2024-02-20 Beguiling The gentle and persistent search by Darlington sparkles The Guardian A plan formed in my mind I would explore the places in this land that hid my grail I would spend a whole year or longer if that s what it took wading through marshes hiding between mossy rocks paddling down rivers and swimming in sea lochs recording my journey through the seasons as I searched for wild otters Mysterious graceful and ever clever otters have captivated our imaginations despite the fact that few people have encountered one in the wild In Otter Country celebrated nature writer Miriam Darlington captures the fascination she s had for these playful animals since childhood and chronicles her immersive journey into their watery world Over the course of a single year Darlington takes readers on a winding expedition in pursuit of these elusive creatures from her home in Devon

England and through the wilds of Scotland Wales the Lake District and the countryside of Cornwall As she is drawn deeper into wilder habitats trekking through changing landscapes seasons and weather Darlington meets biologists conservationists fishing and hunting enthusiasts and poets enriching her understanding admiration and awe of the wild otter With each encounter she reveals the scientific environmental and cultural importance of this creature and the places it calls home Full of wonder hope and an abiding love for the natural world *Otter Country An Unexpected Adventure in the Natural World* is a beautiful and captivating work of nature writing pursuing one of nature's most endearing and endlessly fascinating creatures

The Life Story of an Otter J. C. Tregarthen, 2022-09-16 Immersive and evocative *The Life Story of an Otter* by J C Tregarthen is a fascinating exploration of the natural world through the lens of a single compelling protagonist an otter Tregarthen employs lyrical prose to blend fact with fiction providing readers with a visceral experience of an otter's life from playful early days to the challenges of survival in the wild It is a tale that not only embellishes upon the life of a singular otter but also provides poignant insights into the broader ecological context and the timeless struggle between man and nature This edition brought forth by DigiCat Publishing breathes new life into a classic text reasserting its literary importance and relevance to contemporary audiences J C Tregarthen is an author whose profound appreciation and understanding of wildlife informs every page of this work His deep connection to nature and his keen observational skills have created a narrative that is as informative as it is captivating The experience of Tregarthen himself in the lush and unpredictable world of nature likely fed the intense and richly detailed depictions found within these pages making the narrative a testament to his meticulous study and personal affection for the natural environment For those enthralled by the natural world or interested in literary works that traverse the boundary between nature study and storytelling *The Life Story of an Otter* is a must read With DigiCat Publishing's commitment to preserving literary legacies readers can engage with this text as both a piece of art and a document of ecological and historical significance It is highly recommended for readers who appreciate the beauty and brutality of the wild and for those who seek to understand the intricate dance of existence that every creature enacts within the vast tableau of life

Otters and Otter-hunting Ludovick Charles Richard Duncombe-Jewell Cameron, 1908 **The Life Story of an Otter** John Coulson Tregarthen, 2020-12-08 In *The Life Story of an Otter* John Coulson Tregarthen masterfully intertwines natural history with imaginative storytelling offering readers a profound glimpse into the life cycle of an otter Written in a lyrical and descriptive prose style Tregarthen's work not only captures the physical characteristics and behaviors of the otter but also weaves in the rich textures of the British landscape The narrative is contextualized within the burgeoning environmental consciousness of the early 20th century reflecting both the ecological concerns of the time and a deep appreciation for wildlife John Coulson Tregarthen an eminent naturalist and passionate advocate for wildlife conservation drew inspiration from his extensive field observations and a childhood steeped in the natural world His background steeped in both literary and scientific realms enables Tregarthen to present a compelling narrative that melds

factual accuracy with engaging storytelling His keen insight into animal behavior and habitat marks him as a precursor to modern wildlife writers making his exploration of the otter s life a significant contribution to nature literature This book is a must read for enthusiasts of natural history and wildlife alike Tregarthen s vivid imagery and heartfelt prose will resonate with readers seeking to connect with the natural world while also shedding light on the urgent need for conservation The Life Story of an Otter serves not only as a delightful narrative but also as a call to appreciate and protect the rich tapestry of life that surrounds us *The Life Story of an Otter* Enys Tregarthen,2018-04-04 Reproduction of the original The Life Story of an Otter by Enys Tregarthen
