

OTTO GROSS
FREUDIAN PSYCHOANALYST
1877-1920

BY MARTIN GREEN

Otto Gross Freudian Psychoanalyst 1877 1920 Literature And Ideas

Raimund Dehmlow, Gottfried Heuer

Otto Gross Freudian Psychoanalyst 1877-1920 Literature And Ideas:

Otto Gross, Freudian Psychoanalyst, 1877-1920 Martin Green, 1999 Otto Gross was one of the most famous and controversial Freudian analysts of the first decade of the 20th century. Highly praised by Freud and also a patient and friend of C. G. Jung, he was rejected from the movement because he wanted to adapt psychoanalysis to function as a philosophy of revolution. He had a strong influence on other analysts and was a famous anarchist belonging to radical cultural groups. He was also the center of sexual scandals for employing orgiastic forms of therapy and for giving poison to deeply depressed women patients who used it to commit suicide. His father Hans Gross was famous as the man who introduced criminology in the Austro-Hungarian empire. Father and son were close collaborators in Otto's early years but later the father tried to get him confined in a mental institution and finally had him examined by state doctors who declared him insane and incapable of managing his own affairs. His influence on his contemporaries included Max and Alfred Weber, Frieda von Richthofen, later Frieda Lawrence, and her sister Else, and the young Jewish writers of Prague including Franz Werfel, Franz Kafka, and Max Brod.

The Complete Correspondence of Sigmund Freud and Karl Abraham 1907-1925 Karl Abraham, 2018-11-07 Karl Abraham was an important and influential early member of Freud's inner circle of trusted colleagues. As such, he played a significant part in the establishment of psychoanalysis as a recognised and respected discipline. Regarded by Ernest Jones as one of the best clinical analysts among his contemporaries¹, he also elaborated and expanded upon Freud's theories. Exploring first-hand the complex relationship and rivalries that existed not only between Freud and his master pupil but also the details of their combined and individual relationships with Jung, this substantial and absorbing collection of letters enables the reader to gain valuable insights into these two pioneers of psychoanalysis. Since psychoanalysis is established as an essential part of the history of ideas for the last century, intellectual historians should relish the fact that an absolutely excellent and full edition of this correspondence has finally come out.

The Culture of the Case Frederic J.

Schwartz, 2023-06-13 How artists in twentieth-century Germany adapted the idea of the medical or legal case as an artistic strategy to push to the fore sexualities, scandals, and crimes that were otherwise concealed. In early twentieth-century Germany, the artistic avant-garde borrowed procedures from the medical and juridical realms to expose and debate matters that society preferred remain hidden and unspoken. Frederic J. Schwartz explores how the evocation or creation of a case provided artists with a means to engage themes that ranged from blasphemy to Lustmord or sexual murder. Shedding light on the case as a cultural form, Schwartz shows its profound effect on artists and the ways it dovetailed with methods used by these figures to exploit fundamental changes taking place across the mass media of their time. As Schwartz shows, the case was a common denominator that connected seemingly disparate works. George Grosz and Rudolf Schlichter drew on it for their violent visual art, as did architect Adolf Loos when he equated ornament with crime. Expressionists meanwhile approached the question of whether the so-called mad shared a right of public expression with those deemed sane and

examined medical and legal approaches to what society labeled as insanity The case also took on a personal dimension when artists found themselves confronted with or chose to engage with the legal system German courts prosecuted John Heartfield and others for their provocative works while Bertolt Brecht created publicity for himself by suing the firm to whom he sold the film rights to *The Threepenny Opera* Provocative and insightful *The Culture of the Case* offers a privileged view of the spaces of representation in which images in some instances as cases functioned at a key moment of modernity *A New History of German Literature* David E. Wellbery, Judith Ryan, Hans Ulrich Gumbrecht, 2004 *A New History of German Literature* offers some 200 essays on events in German literary history *Sexual Revolutions* Gottfried Heuer, 2010-11-17 The ideas of psychoanalyst Otto Gross 1877 1920 have had a seminal influence on the development of psychoanalytic theory and clinical practice and yet his work has been largely overlooked For Freud he was one of only two analysts capable of making an original contribution Jung was the other and Jung called Gross my twin brother in the course of their mutual analysis This is a major interdisciplinary enquiry into the history nature and plausibility of the idea of a sexual revolution drawing also on the related fields of history law criminology literature sociology and philosophy Divided into four parts and offering an interdisciplinary and international range of contributors areas of discussion include a contemporary perspective on sexual revolutions the broad influence of Otto Gross the father son conflict a Jungian perspective on history *Sexual Revolutions* introduces Gross work to the academic and clinical fields of psychoanalysis and Jungian analysis Although most people associate the term with the 1960s its foundations lie in the long neglected but sensational work of the early psychoanalyst Otto Gross This book will be essential reading for all psychoanalysts and Jungian analysts with an interest in learning more about his work **Turbulent Times, Creative Minds** Erel Shalit, Murray Stein, 2016-10-15 With the publication of the correspondence between C G Jung and Erich Neumann the major contributions made by Neumann to depth psychology are coming back into focus and assuming new prominence in the field of analytical psychology and beyond The articles in this volume offer reflections on the creative relationship between Jung and Neumann and possible extensions of their work for the future signifying the beginning of a Neumann renaissance Contributions by Henry Abramovitch Riccardo Bernardini Batya Brosh Joseph Cambray Thomas Fischer Nancy Swift Furlotti Christian Gaillard Ulrich Hoerni Andreas Jung Tom Kelly Thomas B Kirsch Nomi Kluger Nash Tamar Kron Debora Kutzinski Rivka Lahav Ann Lammers Martin Liebscher Ralli Loewenthal Neumann Angelica L we Paul Mendes Flohr Julie Neumann Micha Neumann Gideon Ofrat Rina Porat J rg Rasche Erel Shalit Murray Stein and Jacqueline Zeller **Beyond Art: A Third Culture** Peter Weibel, 2005-05-17 A new theory of culture presented with a new method achieved by comparing closely the art and science in 20th century Austria and Hungary Major achievements that have influenced the world like psychoanalysis abstract art quantum physics Gestalt psychology formal languages vision theories and the game theory etc originated from these countries and influence the world still today as a result of exile nurtured in the US A source book with numerous photographs images and diagrams it opens up

a nearly infinite horizon of knowledge that helps one to understand what is going on in today's worlds of art and science

Myth, Matriarchy and Modernity Peter Davies, 2010-02-26 This study explores the prevalence in German culture of myths about ancient matriarchal societies discussing their presence in left and right wing politics feminist and antifeminist writing sociology psychoanalysis and literary production By tracing the influence of the works of the Swiss jurist and theorist of matriarchy Johann Jakob Bachofen 1815 1887 and the controversies about the reception and interpretation of his work this study shows how debate about the matriarchal origins of culture was inextricably linked with anxieties about modernity and gender identities at the turn of the twentieth century By moving beyond the discussion of canonical authors and taking seriously the scope of the discussion it becomes clear that it is not possible to reduce matriarchal theories to any particular political ideology instead they function as a mythic counterdiscourse to a modernity conceived as oppressive rational and masculine Writers considered include Ludwig Klages Hofmannsthal Kafka Hauptmann Lou Andreas Salom Sir Galahad Clara Viebig Mathilde Vaerting Thomas Mann Elisabeth Langgässer Ilse Langner Otto Gross Franz Werfel and many others

Encyclopedia of Literary Modernism Paul Poplawski, 2003-12-30 Modernism is still widely acknowledged as perhaps the most important and influential artistic and cultural phenomenon of the 20th century Written by expert scholars from around the world and covering hundreds of different topics in a clear incisive and critical manner this reference maps the complex field of modernism in a fresh and original way The principal focus of the book is on English language literary modernism and the period 1890 1939 yet many entries extend beyond those parameters to include important precursors and successors of the movement The book also covers the crucial European and interdisciplinary dimensions of modernism and provides complementary comparative perspectives from countries and regions not usually included in traditional accounts of the subject Entries cite works for further reading and the volume closes with a selected general bibliography **D. H.**

Lawrence and Psychoanalysis John Turner, 2020-03-03 This book opens out a wholly new field of enquiry within a familiar subject it offers a detailed yet eminently readable historical investigation of a kind never yet undertaken of the impact of psychoanalysis at a crucial moment of its history on the thinking and writing of D H Lawrence It considers the impact on his writing through his relationship with Frieda Weekley of the maverick Austrian analyst Otto Gross it situates the great works of 1911 20 in relation to the controversial issues at stake in the Freud Jung quarrel about which his good friend the English psychoanalyst David Eder kept him informed and it explores his sympathy with the maverick American analyst Trigant Burrow It is a study to interest a literary audience by its close reading of Lawrence's texts and a psychoanalytic audience by its detailed consideration of the contribution made to contemporary debate by three comparatively neglected analytic thinkers Literatur des Expressionismus Thomas Anz, 2016-07-30

Pr gende Bewegung des fr hen 20 Jahrhunderts Der Band informiert ber die zentralen Themen und Motive der expressionistischen Literatur und Kunst Insbesondere im Blick sind die Spannungen zwischen zivilisatorischen Modernisierungsprozessen und sthetischer Moderne mit ihren

poetologischen Konsequenzen Res miert wird auch die aktuelle Forschung wie z B die Postmoderne Diskussionen die Debatten ber das Verh ltnis von sthetischer Moderne und totalit ren Systemen oder j ngste Fragestellungen der Kulturwissenschaften

Crisis and the Arts: Exquisite Dada : a comprehensive bibliography Stephen C. Foster,1996 Despite the short life of the Dada movement it has provoked the interest of art historians museum directors and literary critics from all over the world The present volume comprises the literary texts of individual Dadaists and periodicals from all Dada centers as well as books articles exhibition catalogs and bibliographies by international scholars Jo rgen Scha fer s Exquisite Dada is the most exhaustive bibliography on Dada that has ever been compiled so far By giving a synopsis of some decades of scholarly research it provides an indispensable source for further studies on the matter

Ästhetik des Depressiven Till Huber,Immanuel Nover,2023-09-05 Die Depression wird derzeitig als dominante psychische Krankheit moderner Gesellschaften gehandelt und l sst sich ausgehend von einer Vielzahl an sozialwissenschaftlichen Beitr gen als Gegenwartsdiagnose diskutieren Von hier ausgehend wird das Thema Depression literaturwissenschaftlich in den Blick genommen Untersucht werden Motive und literarische Verfahren des Depressiven depressive Figuren und einschl gige Inszenierungen der Autor innen Die literarischen Manifestationen des Depressiven und der Ende des 19 Jahrhunderts entstehende Depressionsdiskurs werden als historisch wandelbare Ph nomene begriffen So erstreckt sich der Beobachtungszeitraum des Bandes von der Jahrhundertwende bis in die Gegenwart Dabei wird nach einer spezifisch modernen Verfasstheit im Zeichen der Depression und ihren sthetischen Repr sentationen gefragt In den einzelnen Beitr gen werden neben Texten der Gegenwartsliteratur von Autor innen wie Wolfgang Herrndorf Michael K hlmeier Benjamin Maack Thomas Melle Ter zia Mora Leif Randt Kathrin R ggla und David Foster Wallace vor allem Werke des fr hen 20 Jahrhunderts behandelt z B von Albert Ehrenstein Hans Fallada Hermann Hesse Franziska zu Reventlow Regina Ullmann und Robert Walser

Alchemists of Human Nature Petteri Pietikainen,2015-10-06 A study of Modernist utopias of the mind This book examines the psychodynamic writings of Otto Gross C G Jung Wilhelm Reich and Erich Fromm It argues utopianism became increasingly important to the fundamental ambitions of all four thinkers and places the utopian impulse with the historical context of the early twentieth century

Utopie und Eros Gottfried Heuer,2006

Women Artists in Expressionism Shulamith Behr,2022-11-15 A beautifully illustrated examination of the women artists whose inspired search for artistic integrity and equality influenced Expressionist avant garde culture Women Artists in Expressionism explores how women negotiated the competitive world of modern art during the late Wilhelmine and early Weimar periods in Germany Their stories challenge predominantly male oriented narratives of Expressionism and shed light on the divergent artistic responses of women to the dramatic events of the early twentieth century Shulamith Behr shows how the posthumous critical reception of Paula Modersohn Becker cast her as a prime agent of the feminization of the movement and how K the Kollwitz used printmaking as a vehicle for technical innovation and sociopolitical commentary She looks at the dynamic relationship

between Marianne Werefkin and Gabriele Mnter whose different paths in life led them to the Blaue Reiter a group of Expressionist artists that included Wassily Kandinsky and Paul Klee Behr examines Nell Walden s role as an influential art dealer collector and artist who promoted women Expressionists during the First World War and discusses how Dutch artist Jacoba van Heemskerck s spiritual abstraction earned her the status of an honorary German Expressionist She demonstrates how figures such as Rosa Schapire and Johanna Ey contributed to the development of the movement as spectators critics and collectors of male avant gardism Richly illustrated *Women Artists in Expressionism* is a women centered history that reveals the importance of emancipative ideals to the shaping of modernity and the avant garde American Book Publishing Record, 1999

Vittorio Benussi in the History of Psychology Mauro Antonelli, 2019-01-04 This book covers the basic guidelines of Vittorio Benussi s research during the period at Graz and at Padua It does so in the light of a thorough study of his Nachlass The book re evaluates Benussi s work as a historical piece and shows how his work is still relevant today especially in the areas of cognitive psychology and cognitive science The volume deals with this original and ingenious though largely ignored scholar and discusses his work as a leading experimental psychologist Benussi s contributions as discussed in this book were particularly relevant in the fields of visual and tactile perception time perception forensic psychology hypnosis and suggestion unconscious and emotions His classical papers are impressive in their originality energy range of approaches experimental skill the wealth of findings and the quality of theoretical discussions This book demonstrates that Benussi was ahead of his time and that his themes experiments and research programmes are highly relevant to contemporary cognitive psychology

On the Freud Watch Paul Roazen, 2003 This book opens and closes with autobiographical pieces but as a whole it reflects an intensely personal account of how Paul Roazen became known as a controversial figure within psychoanalysis The Introduction deals with Roazen s experiences attending clinical case conferences at the Massachusetts Mental Health Center in 1964 65 and what he learned about psychoanalytic psychology there One chapter deals with a particular psychological explanation that his friend Charles Rycroft offered for why psychoanalysts are characteristically anti historical Another chapter discusses Roazen s take on the problem of Freud s analysis of his daughter Anna a matter Roazen first brought to light in 1969 The book concludes with a discussion of how Roazen thinks Freud s concept of neurosis was intended to convey his understanding of a specifically human privilege The short epilogue closes with a personal account of the significance of a small beach in Roazen s childhood Otto Gross Raimund Dehmlow, Gottfried Heuer, 1999

When people should go to the ebook stores, search inauguration by shop, shelf by shelf, it is truly problematic. This is why we allow the books compilations in this website. It will totally ease you to look guide **Otto Gross Freudian Psychoanalyst 1877 1920 Literature And Ideas** as you such as.

By searching the title, publisher, or authors of guide you in reality want, you can discover them rapidly. Otto Gross Freudian Psychoanalyst 1877 1920 Literature And Ideas Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Otto Gross Freudian Psychoanalyst 1877 1920 Literature And Ideas free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Otto Gross Freudian Psychoanalyst 1877 1920 Literature And Ideas free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results

by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Otto Gross Freudian Psychoanalyst 1877 1920 Literature And Ideas free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Otto Gross Freudian Psychoanalyst 1877 1920 Literature And Ideas. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Otto Gross Freudian Psychoanalyst 1877 1920 Literature And Ideas any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Otto Gross Freudian Psychoanalyst 1877 1920 Literature And Ideas Books

1. Where can I buy Otto Gross Freudian Psychoanalyst 1877 1920 Literature And Ideas books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
