## Catholic Identity Framework

### Catholic Social Teaching

Catholic Social Teaching Principles inform our Catholic Identity and practice. Emerging in the Gospels, these principles guide our decision-making in areas of social justice action. We understand the importance of advocacy and seek to promote Caritas, Veritas Kyblosim and the Brigidine Asylum Seeker Project as an expression of our foundational Brigidine and Augustinian spiritualities which find their root in the Gospel story.

### Knowing the Christian Faith

St Augustine's is a community that understands the diverse worlds our families come from and the changing world impacting on our young people. Equipped with this understanding, we seek to stand tall as an evangelizing Catholic faith community and seek to educate the whole person. It is our mission to find ways to lead our students and their families to integrate faith, life and culture in a manner that is true to the Gospel message of Jesus Christ and relevant to the families we serve.

### Liturgical and Sacramental Life

Gathering to proclaim our faith is central to our St Augustine's community. By finding God in all things, we become truly sacramental people. We believe it is our role as a Catholic community to lead our students and community in prayerful experiences of well prepared and meaningful rituals that celebrate faith and life. We provide liturgical formation to maximise participation and a sense of belonging for all. We celebrate the Eucharist as a reminder that we are Easter people who celebrate with joy and gratitude the risen Jesus.

### Faith Community

At St Augustine's we believe that immersion in the Catholic culture of the College is enabled through the positive relationships between the college, families and the St Augustine's parish. We engage our young people in a vibrant and faith-filled community. Working in partnership with the St Augustine's Parish and drawing on the leadership of Catholic Education Sandhurst Ltd our sense of community is nurtured.

### Religious Education

Religious Education plays a central role in the faith formation of each member of the St Augustine's community. In our teaching of Religious Education, through the Source of Life curriculum, teachers invite students to share their life experience, which is explored and reflected upon in light of the Christian story and vision. The experience of Religious Education is intended to provide students with knowledge of the Tradition and to enable them and their family to integrate this into their life as witnesses of the Gospel.
