Our Crowd The Great Jewish Families Of New York

Robert P. Swierenga

Our Crowd The Great Jewish Families Of New York:

"Our Crowd" Stephen Birmingham, 2015-12-01 The 1 New York Times bestseller that traces the rise of the Guggenheims the Goldmans and other families from immigrant poverty to social prominence They immigrated to America from Germany in the nineteenth century with names like Loeb Sachs Seligman Lehman Guggenheim and Goldman From tenements on the Lower East Side to Park Avenue mansions this handful of Jewish families turned small businesses into imposing enterprises and amassed spectacular fortunes But despite possessing breathtaking wealth that rivaled the Astors and Rockefellers they were barred by the gentile establishment from the lofty realm of the 400 a register of New York s most elite because of their religion and humble backgrounds In response they created their own elite 100 a privileged society as opulent and exclusive as the one that had refused them entry *Our Crowd* is the fascinating story of this rarefied society Based on letters documents diary entries and intimate personal remembrances of family lore by members of these most illustrious clans it is an engrossing portrait of upper class Jewish life over two centuries a riveting story of the bankers brokers financiers philanthropists and business tycoons who started with nothing and turned their family names into American institutions

"Our crowd" Jerry Cecil, 2002 **Birmingham, Stephen "Our Crowd"** , 1967 *'Our Crowd'* Stephen Birmingham, 1986 **The Jews in America Trilogy** Stephen Birmingham, 2016-06-28 Three New York Times bestsellers chronicle the rise of America s most influential Jewish families as they transition from poor immigrants to household names In his acclaimed trilogy author Stephen Birmingham paints an engrossing portrait of Jewish American life from the colonial era through the twentieth century with fascinating narrative and meticulous research The collection s best known book *Our Crowd* follows nineteenth century German immigrants with recognizable names like Loeb Sachs Lehman Guggenheim and Goldman Turning small family businesses into institutions of finance banking and philanthropy they elevated themselves from Lower East Side tenements to Park Avenue mansions Barred from New York s gentile elite because of their religion and humble backgrounds they created their own exclusive group as affluent and selective as the one that had refused them entry The *Grande*es travels farther back in history to 1654 when twenty three Sephardic Jews arrived in New York Members of this small and insulated group considered the first Jewish community in America soon established themselves as wealthy businessmen and financiers With descendants including poet Emma Lazarus Barnard College founder Annie Nathan Meyer and Supreme Court Justice Benjamin N Cardozo these families were and still are hugely influential in the nation s culture politics and economics In *The Rest of Us* Birmingham documents the third major wave of Jewish immigration Eastern Europeans who swept through Ellis Island between 1880 and 1924 These refugees from czarist Russia and Polish shtetls were considered barbaric uneducated and too steeped in the traditions of the old country to be accepted by the well established German American Jews But the new arrivals were tough passionate and determined Their incredible rags to riches stories include those of the lives of Hollywood tycoon Samuel Goldwyn Broadway composer Irving Berlin makeup

mogul Helena Rubenstein and mobster Meyer Lansky This unforgettable collection comprises a comprehensive account of the Jewish American upper class their opulent world and their lasting mark on American society *Prayer & Community* Riv-Ellen Prell,1989 Riv Ellen Prell spent eighteen months of participant observation field research studying a countercultural havurah to determine why these groups emerged in the United States during the 1970s In her book she explores the central questions posed by the early havurot and their founders She also examines the havurah as a development of American Judaism continuing rather than rejecting many of the previous generations ideas about religion Combining history and ethnography Prell uses current theories about ritual and prayer to understand men s and women s struggles with their religious tradition and their desire to create community *A Sort of Utopia* Carol A.

O'Connor,1983-06-30 Scarsdale New York is a small community with a large reputation Long before it had gained general recognition as a source of fad diets and the presumed site of sensational murders it was well known in upper middle class circles for the rigor of its zoning the excellence of its schools the splendor of its houses and the wealth of its residents Indeed Scarsdale is what one observer has called a sort of utopia a capitalistic version of the ideal community In this clear and well written study Professor Carol O Connor explains how Scarsdale came to be the classic rich suburb Using a wide range of sources from local newspapers to village and school board records to real estate deeds and census tracts she shows how its residents have invested time effort and their own tax dollars in making Scarsdale a wealthy attractive convenient community She also discusses the question of who rules in Scarsdale and examines one group its domestic servants who at least in the past have played an important but invisible role Professor O Connor analyzes the reaction of residents to national events from their unquestioning nationalism in the First World War to the deep divisiveness of the Vietnam era What emerges in these pages is not simply a chronicle of what occurred in Scarsdale but an insightful perspective on many national trends of the twentieth century *The Jew in American Cinema* Patricia Erens,1988-08-22 Placing cinematic representations of the Jew within their historical context Bartov demonstrates the powerful political social and cultural impact of these images on popular attitudes He argues that these representations generally fall into four categories the Jew as perpetrator as victim as hero and as anti hero Examples range from film s early days to the present from Europe Israel and the United States

American Naturalism and the Jews Donald Pizer,2010-10-01 American Naturalism and the Jews examines the unabashed anti Semitism of five notable American naturalist novelists otherwise known for their progressive social values Hamlin Garland Frank Norris and Theodore Dreiser all pushed for social improvements for the poor and oppressed while Edith Wharton and Willa Cather both advanced the public status of women But they all also expressed strong prejudices against the Jewish race and faith throughout their fiction essays letters and other writings producing a contradiction in American literary history that has stymied scholars and until now gone largely unexamined In this breakthrough study Donald Pizer confronts this disconcerting strain of anti Semitism pervading American letters and culture illustrating how

easily prejudice can coexist with even the most progressive ideals Pizer shows how these writers racist impulses represented more than just personal biases but resonated with larger social and ideological movements within American culture Anti Semitic sentiment motivated such various movements as the western farmers populist revolt and the East Coast patricians revulsion against immigration both of which Pizer discusses here This antagonism toward Jews and other non Anglo Saxon ethnicities intersected not only with these authors social reform agendas but also with their literary method of representing the overpowering forces of heredity social or natural environment and savage instinct *Judaism in Transition* Carmel U. Chiswick,2014-06-04 At the core of Judaism stands a body of traditions that have remained consistent over millennia Yet the practice of these rituals has varied widely across historical and cultural contexts In *Judaism in Transition* Carmel U Chiswick draws on her Jewish upbringing her journey as a Jewish parent and her perspective as an economist to consider how incentives affect the ways that mainstream American Jews have navigated and continue to manage the conflicting demands of everyday life and religious observance Arguing that economics is a blind spot in our understanding of religion Chiswick blends her personal experiences with economic analysis to illustrate the cost of Jewish participation financially and more importantly in terms of time and effort The history of American Jews is almost always told as a success story in the secular world Chiswick recasts this story as one of innovation in order to maintain a distinctive Jewish culture while keeping pace with the steady march of American life She shows how tradeoffs often made on an individual and deeply personal level produce the brand of Judaism which predominates in America today Along the way Chiswick explores salient and controversial topics from intermarriage to immigration and from egalitarianism to connections with Israel At once a portrait of American Jewish culture and a work that outlines how economic decisions affect religion *Judaism in Transition* shows how changes in our economic environment will affect the Jewish community for decades to come **Jews and Gentiles** Werner J. Cahnman,2017-12-02 Studies of the Jewish experience among peoples with whom they live share some similarities with the usual histories of anti Semitism but also some differences When the focus is on anti Semitism Jewish history appears as a record of unmitigated hostility against the Jewish people and of passivity on their part However as Werner J Cahnman demonstrates in this posthumous volume Jewish Gentile relations are far more complex There is a long history of mutual contacts positive as well as antagonistic even if conflict continues to require particular attention Cahnman s approach while following a historical sequence is sociological in conception From Roman antiquity through the Middle Ages into the era of emancipation and the Holocaust and finally to the present American and Israeli scene there are basic similarities and various dissimilarities all of which are described and analyzed Cahnman tests the theses of classical sociology implicitly yet unobtrusively He traces the socio economic basis of human relations which Marx and others have emphasized and considers Jews a marginal trading people in the Park Becker sense Simmel and Toennies he shows understood Jews as strangers and intermediaries While Cahnman shows that Jews were not pariahs as Max Weber thought he finds a remarkable affinity to

Weber's Protestantism capitalism argument in the tension of Jewish Christian relations emerging from the bitter theological argument over usury The primacy of Jewish Gentile relations in all their complexity and variability is essential for the understanding of Jewish social and political history This volume is a valuable contribution to that understanding *The Ocean Hill-Brownsville Conflict* Glen Anthony Harris, 2012-05-18 The history of Black Jewish relations from the beginning of the twentieth century shows that while they were sometimes partners of convenience there was also a deep suspicion of each other that broke out into frequent public exchanges During the twentieth century the entanglements of both groups have at times provided an important impetus for social justice in the United States and at other times have been the cause of great tension The Ocean Hill Brownsville Conflict explores this fraught relationship which is evident in the intellectual lives of these communities The tension was as apparent in the life and works of Marcus Garvey Richard Wright and James Baldwin as it was in the exchanges between blacks and Jews in intellectual periodicals and journals in the 1940s 1950s and 1960s The Ocean Hill Brownsville conflict was rooted in this tension and the longstanding differences over community control of school districts and racial preferences *A History of the Jews in America* Howard M. Sachar, 1993-11-02 Spanning 350 years of Jewish experience in this country *A History of the Jews in America* is an essential chronicle by the author of *The Course of Modern Jewish History* With impressive scholarship and a riveting sense of detail Howard M. Sachar tells the stories of Spanish marranos and Russian refugees of aristocrats and threadbare social revolutionaries of philanthropists and Hollywood moguls At the same time he elucidates the grand themes of the Jewish encounter with America from the bigotry of a Christian majority to the tensions among Jews of different origins and beliefs and from the struggle for acceptance to the ambivalence of assimilation **Civil War Citizens** Susannah J. Ural, 2010-11-22 This title gathers together the wartime experiences of the populations who lived outside the dominant white Anglo Saxon Protestant citizenry of 19th century America *Russian Intellectual Antisemitism in the Post-Communist Era* Vadim Joseph Rossman, 2002-01-01 Antisemitism has had a long and complex history in Russian intellectual life and has revived in the post Communist era In their concept of the identity of the Jewish people many academics and other thinkers in Russia continue to cast Jews in a negative or ambivalent role An inherent rivalry exists between Russia and the Jews because Russians have often viewed themselves whether through the lens of atheistic communism or that of the most conservative elements of the Orthodox Church as a chosen people whose destiny is to lead the way to world salvation In this book Vadim Rossman presents the foundations and present influence of intellectual antisemitism in Russia He examines the antisemitic roots of some major trends in Russian intellectual thought that emerged in earlier decades of the twentieth century and are still significant in the post Communist era neo Eurasianism Eurasian historiography National Bolshevism neo Slavophilism National Orthodoxy and various forms of racism Such extreme right wing ideology continues to appeal to a certain segment of the Russian population and seems unlikely to disappear soon Rossman confronts and challenges a range of disturbing sometimes contradictory but often quite

sophisticated antisemitic ideas posed by Russian sociologists historians philosophers theologians political analysts anthropologists and literary critics *America's Religions* Peter W. Williams, 2008 A panoramic introduction to religion in America newly revised and updated Not Fit for Our Society Peter Schrag, 2010-05-01 In a book of deep and telling ironies Peter Schrag provides essential background for understanding the fractious debate over immigration Covering the earliest days of the Republic to current events Schrag sets the modern immigration controversy within the context of three centuries of debate over the same questions about who exactly is fit for citizenship He finds that nativism has long colored our national history and that the fear and loathing of newcomers has provided one of the faultlines of American cultural and political life Schrag describes the eerie similarities between the race based arguments for restricting Irish German Slav Italian Jewish and Chinese immigrants in the past and the arguments for restricting Latinos and others today He links the terrible history of eugenic science to ideas individuals and groups now at the forefront of the fight against rational immigration policies Not Fit for Our Society makes a powerful case for understanding the complex often paradoxical history of immigration restriction as we work through the issues that inform and often distort the debate over who can become a citizen who decides and on what basis **The Forerunners** Robert P. Swierenga, 2018-02-05 He details the contributions and the leadership provided by the Dutch Jews and relates how they lost their Dutchness and their Orthodoxy within several generations of their arrival here and were absorbed into broader American Judaism **Americas Jews** Chaim Waxman, 2010-08-12 The book is a social history and sociology of American Jewry It provides an up to date analysis of the contemporary American Jewish community an analysis that includes educational occupational income and political patterns of American Jews the American Jewish family anti semitism the relationship between American Jews and Israel and the recent immigration of Soviet Israeli and Iranian Jews to the USA In synthesizing a vast array of empirical studies the author argues that while American Jews have been successful in their quest to integrate into the American social system recent developments both in the American social and cultural system at large and within the Jewish community in particular indicate that this ethno religious group is confronting the challenge to its continuity and its manifesting survivalist strengths which were not readily apparent in earlier generations *America's Jews in Transition* should interest students in a wide range of fields among them sociology ethnic studies Jewish studies American studies and religious studies Because of its breadth and the freshness of its material the book should also appeal to the general reader **Mostly Morgenthau: A Family History** Henry Morgenthau III, 2019-10-28 Mostly Morgenthau is the intimate portrait of an extraordinary American family which included an ambassador a cabinet member prominent businessmen and a Pulitzer Prize winning historian Reaching back to the eighteenth century Henry Morgenthau III tells the story of this Jewish family tracing the careers of his great grandfather the dynamic but unstable Lazarus Morgenthau 1815 1897 who in 1866 transported his family to New York after making and losing a fortune in Mannheim Germany his grandfather the determined Henry Sr 1856 1946 who recouped the family fortune and retired from business in

midlife to devote himself to public service as ambassador to Turkey and plenipotentiary throughout the Armenian crisis of 1913-15 and his father the diffident Henry Jr 1891-1967 who became one of the country's most influential men and as secretary of the Treasury under FDR one of the first Jews to serve in the cabinet. From his privileged vantage point the author describes the Bretton Woods Conference the controversial Morgenthau Plan the scandal surrounding Harry Dexter White his parents' remarkably close friendship with Franklin and Eleanor Roosevelt his sister Joan's spectacular White House coming out party the encounter his cousin historian Barbara Tuchman had with Roosevelt and the career of his younger brother Robert Morgenthau US district attorney in New York. He also provides an inside picture of the remarkable German Jewish families the Strausses Lehmans Ochses Guggenheims Wertheims who played important roles in American life. Henry Morgenthau 3d has written a remarkable book an admiring but still often critical account of an important American family by one of its members. The story of the Morgenthaus is classic immigrant history. Arthur Hertzberg *The New York Times* A fondly detailed often humorous intimate family memoir covering the Horatio Alger like rise of an immigrant family to affluence and influence in the New World with a darker more troubling subtext. As New York's German Jews emerged from the cocoon of poverty they struggled to camouflage any traces of ethnicity that might distinguish them from the predominantly Christian community. Stephen Birmingham *Washington Post* A fourth generation Morgenthau pens a lively and engaging biography of his family of high achievers overlaid with a fresh view of changing Jewish acculturation during the past two American centuries. From letters and family stories the author assembles a gripping and tragic account of the 1915 Armenian massacre. Thirty years later during WW II the author's father Henry Jr FDR's secretary of the treasury presented a scathing report to the President on the Acquiescence of the Government to the Murder of the Jews with equal lack of effect. Personal history that opens to a larger cultural and political account of the 20th century. fluent and passionately humane. *Kirkus Reviews* Storybook histories of old line German Jewish families in America resemble one another to a remarkable degree. Mostly Morgenthau's the latest and one of the most interesting examples of this genre dissents from the storybook version of events in numerous ways. This volume reminds us that American Jewish history is remarkably unpredictable and surprises abound. Jonathan D Sarna *Commentary Magazine* Sprinkled with backroom revelations of the New Deal this dramatic family saga focuses on three patriarchs each driven by a sense of destiny. This history of a resilient family includes closeups of FDR Al Smith Ike Eleanor Roosevelt and the author's brother Manhattan district attorney Robert Morgenthau. *Publishers Weekly* Insider family chronicles rarely offer the richness and luster with which the reader is rewarded in Mostly Morgenthau. This personalized account is both moving and fascinating. As the only recent examination of the Morgenthau impact on American history as an intimate portrait of prominent immigrant society during America's Gilded Age and as a model for those tracing their cultural roots this makes good history. *Library Journal* With the Roosevelts and the Kennedys the Morgenthaus are a family greatly and famously in the service of the Republic. This book partly family history partly personal memoir adds in a

charming way to the story John Kenneth Galbraith The Morgenthau were one of those great German Jewish families who broke through the snobbish anti Semitism of the Wasp mainstream in the nineteenth and early twentieth centuries to become a force in American public life This is a charming intimate portrayal of three fascinating generations in American history Peter Grose I have found Mostly Morgenthau a marvelously engrossing and richly informative account of how a distinguished American family moved from Judaism to assimilation and back to Judaism once more In his four generation story Henry Morgenthau III discusses his forebears with an admirable mix of affection and clear sightedness Not the least of the book s attractions are the lively first hand vignettes it offers of New York s German Jewish patriciate and of FDR and Eleanor Roosevelt at work and play Infinitely rewarding meticulously wrought Mostly Morgenthau is a model of family history a tour de force in a tricky and taxing genre H Stuart Hughes A fascinating volume I am gratified that Henry Morgenthau has made the time and the effort to chronicle one of the most interesting migr families with a background in this country of nearly two centuries Abram L Sachar

The Enigmatic Realm of **Our Crowd The Great Jewish Families Of New York**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing lacking extraordinary. Within the captivating pages of **Our Crowd The Great Jewish Families Of New York** a literary masterpiece penned by way of a renowned author, readers embark on a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting effect on the hearts and minds of those that partake in its reading experience.

Our Crowd The Great Jewish Families Of New York Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Our Crowd The Great Jewish Families Of New York free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Our Crowd The Great Jewish Families Of New York free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Our Crowd The Great Jewish

Families Of New York free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Our Crowd The Great Jewish Families Of New York. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Our Crowd The Great Jewish Families Of New York any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Our Crowd The Great Jewish Families Of New York Books

What is a Our Crowd The Great Jewish Families Of New York PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Our Crowd The Great Jewish Families Of New York PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Our Crowd The Great Jewish Families Of New York PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Our Crowd The Great Jewish Families Of New York PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Our Crowd The Great Jewish Families Of New York PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software

like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
