Trevecca Okholm, 2012-02-09 There is a lot of talk these days about how churches need to become more missional and Kingdom focused but what about the families that make up our churches and often reflect the surrounding culture more than the Kingdom of God Christian families know that God has a better purpose for marriage and family but often don't have the slightest idea how to get there And while many books on Christian marriage and family are inwardly focused on simply getting along better this book addresses the cultural influences that have taken our focus away from God's intended purpose for marriage and family and through analysis and practical suggestions recalls marriages and families to the purpose for which God intended them in the first place namely to serve God's Kingdom as witnesses to a world desperately seeking deeper purpose and authenticity

First Love: God Stories Katherine Ranga, 2012-02 FIRST LOVE shares how God has touched the hearts of people from across the world It is an inspiring look into the human condition and faith It will challenge you but most of all it explores the possibility of a relationship with God Experience the joy and miracles of each person s journey as they come face to face with their Creator It was with great joy that I read First Love I knew that the salvation stories would be of interest and would be a source of encouragement However what I didn t know was the power of the colour and contrast of each testimony which reflects how our Lord calls each one of us uniquely and guides us through our different circumstances to Himself After over thirty years of ministry I still stand amazed at the kindness and grace of God the Father who loves each one of us and reveals His love to us in the life of His Son the Lord Jesus Christ Reading First Love was a blessing Pastor Phil Howell Without Walls Inc I had a specific idea of how I wanted this book to be but it took on a life of its own It expresses to the world the love of Christ It expresses God s wooing nature and His desire to be in relationship with us It also illustrates that being a Christian is not just about church religious tradition or even the perception of what a Christian should be it can only be experienced and it s sometimes almost
