We Need the Church to Become More Like Jesus Joseph H. Hellerman,2017-11-09 Many of us long to experience the fullness of God and his purpose for our lives Not a whole lot of us ever do The reason is that we have departed in some significant ways from the biblical view of Christian life and growth The New Testament highlights the communal missional and eschatological aspects of our walk with God We grow in our faith as individual Christians to the degree that we are a deeply rooted relationally in a local church community that is b passionately playing its part in God s grand story of Creation Fall Redemption and Restoration and c intently anticipating the summing of all things in Christ when Jesus returns In recent decades American evangelicals have traded away community outreach and the Bible s teaching about eternity future for the pursuit of individual religious experience in the here and now Why We Need the Church to Become More Like Jesus traces this departure from biblical Christianity through recent decades of popular evangelical trends and reminds us that faith centered on community mission and the story line of Scripture remains the key to the spiritual formation of the individual Christian **Level Up Your Time with God** Patrick DA Sims,2021-05-10 Why level up your time with God The latest stats

say 65 percent of adults in America play video games and we all know kids who play video games as well but there come issues with that We've all been told that video games are no good at one point or another or some of us are the ones who've said it The media talks about violence caused by games and many churches and parents talk about them being mental garbage But how much of that is true Are video games fundamentally different than spending time with God or can they actually be something that helps our relationship with God What if our games could be something that helps us know God more instead of being something that distracts us from God to the point we either feel guilty thinking about God or we just leave the church altogether What if you as a gamer could read something that connects games to God in a meaningful way What if you as a parent grandparent spouse or friend of a gamer could read something that answers your worries and shows just how much of God is in this stuff We don't have to wonder We can love video games and still choose God You just need to Level Up Your Time with God

Cultural Christianity Andrew McKinney, 2023-05-03 There is a messy secret within the Western evangelical church and it is starting to get out We're not who we think we are and it is becoming painfully obvious to the rest of the world around us The secret We have abandoned the preaching of the true gospel and as a result admitted thousands of people into our local assemblies who are lost and dead in their sin This has landed the evangelical church in utter ruin and devastation Rather than hearing the cross and the gospel of Christ proclaimed in our churches we now hear the relative gospel a gospel of ceremonial works that cannot save anyone And we are facing judgment because of this Scandals wreck whole denominations Sin plagues our congregations and pulpits People remain dead in their sin and the testimony of Christ suffers shame The church is now almost indistinguishable from the secular culture that we are called to reach We have wholly embraced cultural Christianity It is time to face the ugly truth in the mirror and return to the preaching of the true biblical gospel as revealed in Holy Scripture We must return to preaching the fundamental truths of God's Word God is holy in His righteousness Man is dead in his sin and incapable of saving himself Hell awaits any who would dare to trust in anything other than Christ to save them for He alone is our atonement and propitiation Trusting in His death and resurrection is the only means of salvation from sin and hell We must call people to repent of their sin submit to Jesus as Lord trust in Him alone and follow Him It is time to condemn the relative gospel in all of its forms for what it is a false gospel Salvation is not found in a ceremonial ritual politician political party or ideology It is found in Christ alone We must repent turn back to the Bible preach it unashamedly and trust God alone to save It is time to condemn cultural Christianity

When Necessary Use Words Mike Pilavachi, Liza Hoeksma, 2007-05-07 Deep down we know it There has to be more than singing songs on Sunday morning handing out tracts at work or helping out at the soup kitchen How do we integrate worship evangelism and justice into our lives as a whole rather than compartmentalizing all three Mike Pilavachi wants to see all three elements come together With humorous prose and fascinating stories he shows how the natural outflow of worship is telling people about Jesus and compassionately helping them navigate the injustices of the world We can't invite

someone to church and ignore their physical needs nor can we give out food at the local church pantry and disregard people's spiritual hunger Says Pilavachi A life of passionate worship means feeding the hungry standing up for those who suffer injustice We must preach the gospel at all times speaking and acting out God's love to a hurt and broken world *TPT The Book of Isaiah* Brian Simmons,2020-07-07 Encounter the heart of God The book of Isaiah is a collection of prophecies that is more than a historical record or teaching It is the overarching vision of the heart of God revealed to his prophet It spans the ages and touches every nation on earth becoming a collective overview of all that God has planned This 12 lesson study is designed to help you discover God's love through the book of Isaiah Each uniquely crafted lesson opens with an introduction and key verse to reveal important themes Different sections guide readers through Isaiah in a way that will help you discover explore experience and share the heart of God more deeply About the Passionate Life Bible Study Series God longs for everyone to encounter the passion of his heart Inspired by The Passion Translation this heart level Bible study is ideal for both individual devotional study and small groups Kindle a burning desire for a passion filled life fueled by the heart of God
