Our Guys:

Our Guys Bernard Lefkowitz, 2023-12-22 It was a crime that captured national attention In the idyllic suburb of Glen Ridge New Jersey four of the town's most popular high school athletes were accused of raping a retarded young woman while nine of their teammates watched Everyone was riveted by the question What went wrong in this seemingly flawless American town In search of the answer Bernard Lefkowitz takes the reader behind Glen Ridge's manicured facade into the shadowy basement that was the scene of the rape into the mansions on Millionaire's Row into the All American high school and finally into the courtroom where justice itself was on trial Lefkowitz's sweeping narrative informed by more than 200 interviews and six years of research recreates a murky adolescent world that parents didn't or wouldn't see a high school dominated by a band of predatory athletes a teenage culture where girls were frequently abused and humiliated at sybaritic and destructive parties and a town that continued to embrace its celebrity athletes despite the havoc they created as our guys But that was not only true of Glen Ridge Lefkowitz found that the unqualified adulation the athletes received in their town was echoed in communities throughout the nation Glen Ridge was not an aberration The clash of cultures and values that divided Glen Ridge Lefkowitz writes still divides the country Parents teachers and anyone concerned with how children are raised how their characters are formed how boys and girls learn to treat each other will want to read this important book It was a crime that captured national attention In the idyllic suburb of Glen Ridge New Jersey four of the town's most popular high school athletes were accused of raping a retarded young woman while nine of their teammates watched Everyone was riveted

The Soldiers' Story (Fall River Press Edition) Ron Steinman, 2011-11-01 Most history minded Americans have discussed the Vietnam War becoming familiar at the very least with the names of such pivotal events as the Siege of Khe Sanh the Tet Offensive and the Fall of Saigon But to grasp the full impact of this agonizing conflict the human costs of an infernal war that raged for ten years and took more than 58 000 American lives one must hear about it from the soldiers sailors and airmen who experienced the fighting and endured In *The Soldiers Story* veteran journalist Ron Steinman gathers the candid reminiscences of seventy six men who survived combat in Vietnam Not a military analysis or political study this oral history vividly conveys the hardships friendships fears and personal triumphs of Marine Army Air Force and Navy veterans each of whom shares memories that have lingered to this day It is a valuable frontline record of battle torn Vietnam from the perspective of those who lived it first hand giving us a window into the horror intensity and raw courage that the war engendered For this tenth anniversary reissue of the book at a time of the continued commitment of American military forces on other continents Steinman has added a brief new foreword addressing the ongoing significance of soldiers stories both to themselves and to their families Praise for *The Soldiers Story* Ranks among the most vivid accounts of the war Stanley Karnow Their stories are as dangerous as the battles they fought stunning plain spoken recollections that reveal the terror of combat and the perils of a far off war and the folly of government policy New York Newsday A powerful book that

brings to life the triumphs and tragedies experienced by American soldiers in Vietnam This excellent compilation belongs on every Vietnam bookshelf Publishers Weekly

Surviving the Warzone Richard Quarantello, 2013-07-19 I could feel blood pouring from my nose and lips my eyes opened slowly with a side long glance and a flash of my eyes I could see this burly man with this thick neck and a dark deep scared face sitting on me striking down on me with lefts and rights I always believed by striking me he cleared the cob webs from my brain As soon as my head cleared a little I quickly grabbed him by his face pulling him down to me biting him on his face Holding him with my left banging him with short right hands I tried to rip him off me by reaching around with my left hand and grabbing his mouth he bit down on my fingers ripping off two finger nails I just remember him being so heavy I was gasping for breath I was spent I felt myself going I could sense there was an all out war going on around me

MADISON AVENUE, OHIO, 1970- Wallace J. Gordon, 2010-06-04 All the best ads and commercials are written in high powered advertising agencies in New York City right In fancy offices perched high on the gleaming towers of Manhattan right By mythical creatures just returning from three martini lunches right Wrong wrong wrong And once more just for good measure Once upon a time I was fired Again I d been writing ads for agencies in Chicago Detroit Minneapolis and New York For almost twenty years Then one day I found myself writing them in the sometimes sleepy sometimes far from sleepy little city of Marion Ohio How I got there what I did there and all the rest of it makes a rather interesting story At least to me Although Gertrude Stein famously said There s no there there don t believe it for a minute She sure wasn t talking about Marion Ohio Read on gentle reader read on

Down Norah McClintock, 2007-10-01 Remy has just been released from juvenile detention and is back in his old neighborhood Remy went away because he severely assaulted a guy who insulted his girlfriend Asia As a white boy dating an immigrant Remy has had to take a lot of the inbred racism that exists in the inner city from strangers his family and even the police When the white kids and the outsiders start scrapping over the local basketball court Remy is caught between sticking up for his friends and siding with Asia who is now seeing Marcus the leader of the other group This short novel is a high interest low reading level book for teen readers who are building reading skills want a quick read or say they don t like to read

Paper Fan Terry Gould, 2010-08-06 For 14K Triad official Steven Wong faking his own death to escape trial was easy But evading investigative reporter Terry Gould impossible For 11 years terry Gould has tracked the man known as the paper fan through the organized crime circles of six countries This riveting horrifying yet often hilariously funny book is the story of that search a daredevil journey through the seductions and terrors of Steve s world Steven Wong is the paper fan a thirty nine year old Hong Kong born mobster Raised in New York s Chinatown he matured into crime in Vancouver where he founded and headed the murderous Gum Wah Gang in the late 1980s and early 90s In 1992 Wong died in a traffic accident in a remote area of the Philippines before he could be sent to jail for heroin trafficking conveniently just after he d taken out a million dollar life insurance policy His urn may still be interred in a Vancouver cemetery but today Interpol has a Red Alert arrest warrant out

for Wong and his updated file reads like a Hollywood action film a post mortem panorama of organized criminal adventure that circles the Pacific Rim from Macau to Japan from Cambodia to the Philippines Gould's search takes him into a world in which politicians police businessmen and criminals sprint along in one big pack sometimes nipping each other's heels sometimes licking each other's faces and sometimes inviting one another back home for all night mah jong parties Forced to work according to right side up rules honest cops haven't had a chance of arresting Steve in his upside down world Four times Terry Gould has traced Steven Wong through Asia's circles of corruption and pinned him down but the law has let him slip away Fifth time lucky Gangsters are good team players who generally exhibit a locker room familiarity with other men Still it surprised me when Steve answered the door on Monday wearing only his polka dot boxers showing off his biceps and his chest tattooed with the winged dragons and sharp taloned eagle He was talking on the phone and barely interrupted himself as he turned back into the house whereupon I realized that the display was likely done on purpose Neck to waist his back was totally covered by a stylized tableau of a dragon crawling against a background of tigers and flowers a Triad montage no one outside his syndicate world was supposed to see from Paper Fan
