Our House Divided:

Our House Divided Tomi K. Knaepler, 2021-05-25 How does a man serving in the Imperial Japanese Army feel when he suddenly sees his brother in the uniform of the enemy United States How does a Japanese mother surrounded by barbed wire in an American internment camp for enemy aliens feel when her only son writes I am now an American soldier I must fight and if necessary die for my country How does a Hawaii born youth feel as he lies near death in Hiroshima a victim of history's first nuclear attack launched by the United States Or a twelve year old girl on a sugar plantation whose ailing father returned to the place of his birth just a month earlier on the morning she hears that yellow Japs have attacked These are among the moments of excruciating confrontation experienced by Japanese American families divided geographically and politically between Japan and Hawaii when the Pacific War exploded at Pearl Harbor *Our House Divided* focuses on seven personal stories of such families as they struggled with the emotions and events brought on by the war stories of the dilemma of first generation Japanese Americans who were strongly attached both to the country of their birth and to the land where they had spent most of their lives and raised children in communities they had helped to build and stories of the dilemma of second generation Japanese Americans whose loyalty to the United States was questioned even though they were American citizens That these citizens turned that distrust into national respect through their celebrated achievements is also part of the poignant story *Our House Divided* an inward journey for the author will open the eyes and hearts of many readers who have roots in more than one country and culture Foreword by A A Bud Smyser *Our House Divided* John Bach McMaster, 1961

Knowing who I Am Earl M. Middleton, Joy W. Barnes, 2008 Earl M Middleton b 1919 has prospered in ways few African Americans have in the rural South As owner of a successful business that cuts across racial lines and as a political leader in the cause of civil rights Middleton has garnered hard won recognition for his efforts from blacks and whites alike His life story is at once illustrative of dynamic developments in southern race relations over the past eight decades and inspirational in telling how one individual capitalized on those changes to perpetuate a family legacy of entrepreneurship and service in his community A World War II veteran Middleton trained as a Tuskegee Airman in 1942 and then served as an infantry soldier in the Pacific theater Returning to Orangeburg in 1946 he became a barber and then a restaurant owner before finding his true vocation in real estate What is now one of the region's most profitable real estate firms began as a sideline in the back of a barbershop but Middleton quickly developed a reputation for superior knowledge and inclusive definitions of

community that allowed him to succeed As a civil rights activist in the 1950s and 1960s Middleton witnessed firsthand the bravery of Orangeburg s citizens His wife then the head of South Carolina State s library science department was jailed for joining a student protest From these experiences Middleton developed an unconquerable forbearance that complemented his unshakable belief in equality In 1974 he was elected to the South Carolina General Assembly where he served for a decade There he was a founding member of the Legislative Black Caucus and an influential voice on the U S Civil Rights Commission Today Middleton is still active in the daily operations of the real estate business he founded and the agency continues to expand with racially diverse agents serving equally diverse populations The World's Antithesis and Antidote Its Hope

Malone,2015-12-30 It was during an isolated tour of military duty that the author Sheldon Malone was led to compile these devotionals written over the years into a one year devotional book designed to encourage readers to look at Gods Word from a whole new perspective by changing the way they thought It was not until he changed his thinking that he truly began to see the transforming power of God manifested in his life in tangible ways This is precisely why we have to allow God to expand our territory and horizon by permitting Him to change the way we think through His Word As you read each devotional this authors prayer is that you will find strength and encouragement to allow God to propel you into higher heights and deeper depths in the things of the Kingdom The Word of God may just give you a different perspective as it encourages you to change your thinking in order to achieve a new mindset *The New Testament of Our Lord and Saviour Jesus Christ* ,1881
