## Our Jerusalem:

Our Jerusalem Bertha Hedges Spafford Vester, 1984      **Identity, Ideology and the Future of Jerusalem D.**

Hulme, 2016-09-23 Using recalled personal history to examine the crucial place that Jerusalem has occupied in the identity and ideology core of fourteen key Palestinian and Jewish Israeli leaders in the Arab Zionist impasse this fascinating study explores the roles of identity and ideology in preventing or promoting a resolution between Israel and the Palestinians

The Meeting of Civilizations Moshe Ma'oz, 2009-10-07 The horrific acts of anti Western and anti Jewish terrorism carried out by Muslim fanatics during the last decades have been labelled by politicians religious leaders and scholars as a Clash of Civilizations This book states that these acts cannot be considered an Islamic onslaught on Judeo Christian Civilisation      **To See A Promised Land** Lester I. Vogel, 2010-11-01      **Britain, Palestine and Empire: The Mandate Years** Rory

Miller, 2016-04-15 In 1948 Britain withdrew from Palestine bringing to an end its 30 years of rule in the territory What followed has been well documented and is perhaps one of the most intractable problems of the post imperial age However the long standing connection between Britain and Palestine before May 1948 is also a fascinating story This volume takes a fresh look at the years of the British mandate for Palestine its politics economics and culture Contributors address themes such as religion mandatory administration economic development policy and counter insurgency violence art and culture and decolonization This book will be valuable to scholars of the British mandate but also more broadly to those interested in imperial history and the history of the West s involvement in the Middle East      The Protestant Settlers of Israel Joseph B. Yudin, 2023-03-06 When conjuring an image of settlers in the Holy Land one hardly envisions vast numbers of European and North American Evangelical Protestants Yet this is precisely the picture set forth in this book The region has witnessed settlement conquest destruction and resettlement from time immemorial But the story of Protestants settling in the Land and staking their own claim while missionizing among the population has yet to be told in its fullness The Protestant Settlers of Israel tells that tale including a discussion of the present day whereabouts of some 100 000 Protestant individuals living in the State of Israel with a steady rate of expansion and growth in some circles      *The Duty of Loving Our Country. Nine Gates Jiri Langer, 2022-03-31 In 1913 just before the outbreak of the First World War a 19 year old Czech Jew named Jiri Langer left his assimilated family to live in the remote village of Belz Galicia now Ukraine He had gone to live under the Chassidic or Hasidic Rokeach dynasty a line of Rabbis that survives to this day Nine Gates is the record of Langer s time amongst these isolated Chassidic mystics of Eastern Galicia and a window into their world Langer tells of their enthusiasm their simple faith their ecstasies their austerities their feasts their wonder working Holy Rabbis and their esoteric wisdom Most of all he recounts a collection of shrewd and earthy folk tales told by the holy men who ruled these little spiritual kingdoms for generation after generation Over 80 years since its original publication in Czech this translation by Stephen Jolly remains the definitive English version of this towering work of Jewish

introspection Nine Gates is a document from another time and place and yet it captures the same spirit of religious longing and exploration that attracts a growing number of seekers today *The Branch Exposition of the Bible, Volume 2* Michael A. Eaton, 2024-09-30 A great deal of biblical scholarship is written for academics and fails to edify readers or strengthen their Christian ministry Yet Christians need to be nourished by the word of God so they can mature in faith and righteousness Filling this gap The Branch Exposition of the Bible is a resource for preachers scholars and ordinary Christians alike to help open God's word and shed its light into life ministry and teaching Inspired by the words of the great reformer Martin Luther about shaking every branch of Scripture and with experience in ministering across Africa India and the West Michael A Eaton helps us understand the meaning of the Bible and taste its fruit Together with the New Testament volume this exposition of the Old Testament accessibly engages with the biblical languages gives application for our lives and leads us through each book of the Old Testament so that we can meet the resurrected Jesus Christ in the pages of Scripture [The Heart of Evangelism](#) Jerram Barrs, 2005-02-08 All Christians are called Called to love God with all that we are Called to serve Him Called to reach out to the lost However if we are honest the majority of us would admit that we find this last calling the most difficult While we gladly support the evangelistic ministries of others many of us feel discouraged by our own attempts at witnessing because our memorized approaches don't seem to work This biblical study of evangelism gracefully reminds us that the New Testament model of witnessing is not a one size fits all methodology With compassion for the lost filling every page Jerram Barrs shows the variety of approaches used in the New Testament where the same uncompromised Gospel was packaged as differently as the audience and calls you to follow its example You can learn to witness comfortably in your particular circumstances so that sharing Christ doesn't feel like a chore And as you watch God work in the lives of others and see the great blessings He brings you'll discover what a privilege it is to live out the heart of evangelism truly loving others to Christ **Holy Hygge** Jamie Erickson, 2022-09-06 Women were made to give life and they can do that right in their own homes Hygge HYOOGuh has become a cultural buzzword When many read about this Danish practice their shoulders lift in excitement then fall in exhale In a culture of rush hygge appeals to their desire for rest for slow living shared moments and fostered friendships Hygge has strong ties to beauty contentment and well being It's warm and inviting Hygge is the opposite of hustle It eschews abundance It savors It takes things slow and envelopes you in sanctuary Hygge is home When you sit in a comfy chair by the fire that's hygge When you arrange a fresh bouquet of wildflowers on a bedside table that's hygge too Candles soft furnishings natural light fresh baked pastries intimate gatherings with friends these are what come to mind when you think of hygge But hygge can be so much more In Holy Hygge author Jamie Erickson unites the popular Danish practice with the deep theological truths of the gospel She unpacks the seven tenets of hygge hospitality relationships well being atmosphere comfort contentment and rest In addition Erickson shows how the external veneer of a lifestyle can create a life giving home only when placed under the hope of the gospel Holy Hygge provides practical ideas for using hygge to

gather people and introduce them to faith in Christ Each chapter concludes with discussion questions Scripture references and a prayer

[The Pickled Priest and the Perishing Parish](#) Hal West,2016-10-12 Just as baby boomers comprise the largest generation in Americas history they also represent the largest percentage of current senior pastors in American churches Boomer pastors all over the country are struggling to transition from their roots in twentieth century church culture to ministry and leadership in our challenging twenty first centuryand this transition must take place

for traditional churches to be a relevant factor in world redemption In *The Pickled Priest and the Perishing Parish Boomer Pastors Bouncing Back* Senior Pastor Hal West himself a baby boomer offers essential insights and words of inspiration for pastors leaders and Christians who desire to see renewal and transformation in their churches in America and in themselves The challenges facing traditional churches and the boomer pastors who lead them are many not the least of which are pastors ensconced perspective of their own spiritual formation theological training and experience In his unique conversational and at times humorous tone Pastor Hal West first offers proof through his own pickled perspective and then explores with help from the lessons of biblical prophets like Isaiah and Nehemiah how boomer pastors can and must bounce back Change is challenging but in our day of cultural conflict political corruption and spiritual crisis change is imperative It falls to church leaders regardless of their decades of experience in ministry and leadership to approach transformation with an open mind and provide guidance vision and restoration to their churches and the souls they serve *Protestant Nations Redefined* Pasi Ihalainen, 2005-10-01 This volume reconstructs the various meanings attached to the concepts of nation and fatherland in eighteenth century English Dutch and Swedish political preaching After discussing sermons as a medium of national ideology it analyses the decline of the Israelite prototype of nation the changing relationship between religious and national communities international Protestantism the weakening stereotype of popery redefinitions of the Protestant monarchy and the diversification of national vocabulary It also compares the rise of non theological languages of classical patriotism freedom economy and nature in three political cultures revealing how the secular worship of nation arose even within the public presentation of religion As post nationalist comparative history this study will be welcomed by readers with varied national and scholarly backgrounds interested in the Enlightenment and nationalism **Reflecting God's Glory Together** A. Scott Moreau, Beth Snodderly, 2011-09-15 The true story of mission has been deeper wider and far more diverse than many Christians in countries with long histories of church presence have realized The authors in *Reflecting God's Glory Together* Diversity in Evangelical Mission drive that point home in a variety of ways From Filipino and Ghanaian missionary work in North American cities to Canadian work among the Chinese diaspora to African American work in Zimbabwe the authors help us begin to grasp just how many ways evangelicals in mission are truly going from and coming to everywhere as they follow Christ's mandate to reach the nations Diverse voices utilizing diverse strategies pursuing a common call these result in a mosaic whose larger pattern glorifies the God who came to live among us and who continues to send us out in the pattern God so clearly established As editors Beth and Scott invite you to explore the stories embedded in that marvelous mosaic that we have been privileged to collect for this volume *The Collected Works of Witness Lee, 1989, volume 2* Witness Lee, 2021-05-28 The *Collected Works of Witness Lee* 1989 volume 2 contains messages given by Brother Witness Lee from March 15 through December 17 1989 At the end of the first week in March Brother Lee traveled to Taipei Taiwan and remained there until the end of the third week in March He then visited Quezon City Philippines and Taichung and Kaohsiung
