Journey Through Alzheimer's
 B. Geraldine Meggait, 2005-01-12
 Caregivers would benefit from this read. This is a moving, inspirational personal journey into Alzheimer's disease. Gerry has incorporated many techniques with a gentle, loving approach to address complications arising from crippling disease. Her diary excerpts are real and honest. This book is not only emotional, truthful, and educational; it expresses the bond and undying love between mother and daughter. Caregivers must read it. It is a powerful book.

Twyla R. Proud, R.N.
 From the author: My title refers to the journey Mother and I took into the world of Alzheimer's. As I listen to others talk about their experiences, they also refer to it as a journey. In many ways, that word accurately describes the experience. When you start out on a journey, you often meet many obstacles, twists, and turns in the road—many joyful and some not so happy events occur. Much the same happens when you care for someone with Alzheimer's. The road ahead is unknown, sometimes scary, with many bumps, twists, and turns, and sometimes precious and breathtakingly wonderful. I hope somehow that because of this book, your experience may be less scary and much more precious.

The Longest Goodbye: A Family's Hope-Filled Journey Through Alzheimer's
 Shelly Calcagno, 2022-11-15
 Are we ever ready to say goodbye? She looked out into the yard sprinkled with spring dandelions. Yellow flowers, she said, searching for her words. We knew something wasn't right. That's when things began to fall apart for our family when our longest goodbye journey began—the defining before and after moment. And now, looking back, it's been almost a decade of slow loss and drawn-out grief as we slowly let go of our beautiful mom. In the middle of it all, though, we have learned to look for hope and chase down joy, discovering that in spite of our pain, there are always gifts to be found, even on the hardest of days. Alzheimer's disease affects almost fifty million people worldwide. It touches people across every walk of life. So how do millions of people figure out how to love as they let go? *The Longest Goodbye* is a collection of stories and moments, not just about the clinical side of memory loss but the emotional heart journey. It is a story that shows how joy and grief are often intertwined and wrapped up together in the glorious mess of life. *The Longest Goodbye* encourages readers to remember the ones they love while they are still here and to intentionally celebrate and live through the pain and hard days. It's filled with tears, hope, and bitter-sweet moments all held together by the beautiful love of a mother and daughter holding onto a life filled with memories while learning to let go and say goodbye.

Sanctuary in the Midst of Alzheimer's
 Dr. Elizabeth A. Young, 2015-01-31
 When a spouse is diagnosed with Alzheimer's disease, chances are the husband or wife has suspected something is not right for some time. Denial, embarrassment, the decision to tell others, and additional issues—some that feel too private to share—can have a significant

impact on the marriage Spouses often look to their church for emotional physical and spiritual support however research shows that most churches are not well equipped to minister to those caring for a spouse with Alzheimers Sanctuary in the Midst of Alzheimers is a resource for both spouses and their churches encouraging congregations to walk in the shoes of a spousal caregiver while providing the opportunity for spouses to find meaning and a sense of peace in their role as a caregiver

Life With Big Al (Early Alzheimer's) a Caregivers Diary Judy Seegmiller,2018-12-17 Life With BIG AL is a story about how one family copes having their husband father and grandfather diagnosed with Alzheimer s at age 52 It is a story of struggle faith laughter sadness joy and above all much love Craig was a bright energetic very athletic individual who had always taken perfect care of his body He ran 10 15 miles per day ran a small retail specialty store by himself and took care of his wife recovering from cancer and kidney failure It was because of all the things he did that no one paid too much attention when he did something out of the ordinary he had so much stress in his life It wasn t until his wife Judy got well and studied that she knew And life With BIG AL began
