Our Lady of Guadalupe and the Conquest of Darkness Warren Hasty Carroll, 1983 Standard histories on the Age of Colonization tell a sad story of the ills inflicted on indigenous peoples by exploitative Western powers This book offers a realistic corrective The Spanish conquest of the New World is shown vividly in its fervor and exuberance but most importantly with its central evangelical and civilizing impulse that transformed the Americas from savagery into a central **Power of Popular Piety** Ambrose Mong, 2019-03-04 This book examines the ambivalence of folk part of Christendom Catholicism as a resource to fight against injustice exploitation and oppression Cases are cited to illuminate the value and potential trespasses of popular religious beliefs and practices Over centuries representatives of the powerful middle and upper middle classes did not hesitate to manipulate popular piety to protect their power and privileges In fact much of popular religion still reflects the dominant ideology Popular piety has the potential for liberation against unjust social and economic structures When properly guided this practice can broaden and deepen political consciousness and mobilize people to act Without a strong level of political consciousness as well as liberative evangelization popular religion will be alienating to the poor while strengthening the status quo of the rich and the powerful This study argues that it will be the elites the well educated and committed Christians not the masses who would foster the transformation of society Catholic History Diane Moczar, 2010-09 The world hates the Church that Jesus founded just as He said it would John 15 18 It reviles her doctrines mocks her moral teachings and invents lies about her history. In every age but especially in our modern day historians and political powers have distorted the facts about her past or just made up novel falsehoods from scratch to make the Church and the civilization it fostered seem corrupt backward or simply evil In Seven Lies about Catholic History Diane Moczar Islam at the Gates tackles the most infamous and prevalent historical myths about the Church popular legends that you encounter everywhere from textbooks to T V and reveals the real truth about them She explains how they got started and why they re still around and best of all she gives you the facts and the arguments you need to set the record straight about The Inquisition how it was not a bloodthirsty institution but a merciful and necessary one Galileo s trial why moderns invented a myth around it to make science appear incompatible with the Catholic faith it s not The Reformation why the 16th century Church was not totally corrupt as even some Catholics wrongly believe and how the reformers made things worse for everybody and other lies that the world uses to attack and discredit the Faith Written in a brisk style that s fun and easy to read Seven Lies about Catholic History provides the lessons that every Catholic needs in order to defend and explain Marian Apparitions, the Bible, and the Modern World Donal not just apologize for the Church's rich and complex history Anthony Foley, 2002 This groundbreaking book looks at the major approved Marian apparitions of the last five centuries and relates them to important historical moments the Reformation the French and Russian Revolutions the rise of Nazism These Marian apparitions and particularly Fatima are not historically unimportant events but rather follow a preordained plan they

have a crucial role in helping us to see how the modern world with all its problems has developed Donal Foley makes clear the fascinating and intriguing connections between Marian apparitions and the Scriptural types of Mary found in the Bible a crucial element in the theology and exegesis of the early Church Fathers By understanding these biblical types and their symbolism we see that each of the apparitions has a much greater significance for both the Church and the modern world than has generally been recognised. Here is a convincing demonstration that the future of the Church and the papacy is intimately bound up with a proper understanding of the role of Mary there will only be true peace in the world when her message is accepted and lived If you thought you really understood how the modern world developed and the role and meaning of Marian apparitions then this book will make you think again Donal Foley has written a book with an extraordinary message Aidan Nichols O P *Magistrates of the Sacred* William B. Taylor, 1996 This book is an extraordinarily rich account of the social political cultural and religious relationships between parish priests and their parishioners in colonial Mexico It thus explores a wide range of issues from competing interpretations of religious dogma and beliefs to questions of practical ethics and daily behavior to the texture of social and authority relations in rural communities to how all these things changed over time and over place and in relation to reforms instigated by the state Not Made by Hands Thomas Mary Sennott, 2011-01-01 An excellent resource book and the only one of its kind covering the two most controversial images in existence the Holy Image of Our Lady of Guadalupe on the tilma of Juan Diego and the Sacred Image of the crucified Christ on the Shroud of Turin Both presentations give ample scientific evidence of their authenticity The author with a physical science background has brought the reader up to date on the latest Shroud findings At the same time he exposes the fraudulent carbon 14 tests Holy Ramblings Kent Hare, 2020-01-24 What is a pilgrimage How is it different from any other kind of travel Join the author as he seeks answers to these questions through journeys to the three most important destinations for Catholic travelers Rome and Italy the Shrine of Guadalupe in Mexico City and the Holy Land Share his adventures and misadventures in daily travelogues describing each trip from beginning to end with extensive religious historical and cultural commentary Those three destinations are only the beginning Around the world and here in the United States far and near famous and obscure shrines and holy sites await your discovery The author scouts out many such destinations and explores the phenomenon of virtual pilgrimage He concludes by offering practical advice how not to end up merely sightseeing For Catholics considering a pilgrimage for Protestants wondering why Catholics go on pilgrimages rather than tours Catholic or Protestant this book is for you Maps diagrams and pictures included From Calvinist to Catholic Peter Kreeft, 2025-03-31 With over one hundred books to his name Peter Kreeft is the most prolific Catholic author of his generation He s also one of the most loved having influenced countless Catholics in the U S and beyond But who exactly is the man behind the books In this new autobiography Kreeft finally tells readers his own story including the encounters people and ideas that led him to the Catholic Church as a young man With his signature insight and sharp wit

No philosophy is a romance a love affair the love of wisdom This book is a one of a kind study on Mary of Nazareth the mother of Jesus If Jesus Christ is wisdom incarnate and if Mary loved Him more than anyone else ever did then it holds that Mary is the greatest philosopher the greatest wisdom lover

With precision and humor Kreeft not only unpacks the thought and spirit of Mary as we know her through Scripture and Church doctrine but offers a heartfelt crash course in the basics of philosophy methodology epistemology logic metaphysics cosmology ethics politics aesthetics and more all through the lens of the Mother of God Fans of Kreeft will find here another fine example of his characteristic freshness creativity depth and readability But above all those who are curious about the mother of Jesus whether they are new to Christian faith or simply hoping to discover it anew will likely find themselves swept up in the tide of Mary s wise love for God A Handbook on Guadalupe, 2001 This handbook on Our Lady of Guadalupe assembles historical anecdotal devotional and theological commentary on the Mother of the Americas Patrick Madrid, 2014-06-03 The popular blogger and publisher of Envoy magazine offers 10 key reasons why he loves being Catholic and you should too Drawing heavily on poignant anecdotes from his own experience as a life long Catholic born in 1960s Madrid offers readers a way of looking at the Church its members teachings customs and history from perspectives many may have never considered Growing up Catholic during a time of great social and theological upheaval and transition a time in which countless Catholics abandoned their religion in search of something else Patrick Madrid learned a great deal about why people leave Catholicism and why others stay This experience helped him gain many insights into what it is about the Catholic Church that some people reject as well as those things that others treasure Drawing upon Madrid's personal experiences Why Be Catholic offers a deeply personal fact based rationale for why everyone should be Catholic or at least consider the Catholic Church in a new light UFOs and the Extraterrestrial Contact Movement: The extraterrestrial **contact movement** George M.
