

Our Language Today

Katrin Zwirgmaier

Our Language Today:

Our Language Today 3 David A. Conlin,1967 **We Are Our Language** Barbra A. Meek,2012-02-01 For many communities around the world the revitalization or at least the preservation of an indigenous language is a pressing concern Understanding the issue involves far more than compiling simple usage statistics or documenting the grammar of a tongue it requires examining the social practices and philosophies that affect indigenous language survival In presenting the case of Kaska an endangered language in an Athabaskan community in the Yukon Barbra A Meek asserts that language revitalization requires more than just linguistic rehabilitation it demands a social transformation The process must mend rips and tears in the social fabric of the language community that result from an enduring colonial history focused on termination These disjunctures include government policies conflicting with community goals widely varying teaching methods and generational viewpoints and even clashing ideologies within the language community This book provides a detailed investigation of language revitalization based on more than two years of active participation in local language renewal efforts Each chapter focuses on a different dimension such as spelling and expertise conversation and social status family practices and bureaucratic involvement in local language choices Each situation illustrates the balance between the desire for linguistic continuity and the reality of disruption We Are Our Language reveals the subtle ways in which different conceptions and practices historical material and interactional can variably affect the state of an indigenous language and it offers a critical step toward redefining success and achieving revitalization

The Life of Our Language Susan Garzon,R. McKenna Brown,Julia Becker Richards,2010-07-05 The native Maya peoples of Mexico Guatemala Honduras and Belize have been remarkably successful in maintaining their cultural identity during centuries of contact with and domination by outside groups Yet change is occurring in all Mayan communities as contact with Spanish speaking Ladino society increases This book explores change and continuity in one of the most vital areas of Mayan culture language use The authors look specifically at Kaqchikel one of the most commonly spoken Mayan languages Following an examination of language contact situations among indigenous groups in the Americas the authors proceed to a historical overview of the use of Kaqchikel in the Guatemalan Highlands They then present case studies of three highland communities in which the balance is shifting between Kaqchikel and Spanish Wuqu Ajpub a native Kaqchikel speaker gives a personal account of growing up negotiating between the two languages and the different world views they encode The authors conclude with a look at the Mayan language revitalization movement and offer a scenario in which Kaqchikel and other Mayan languages can continue to thrive

Bringing Our Languages Home Leanne Hinton,2013-03-01 Thirteen personal accounts of endangered language preservation plus a how to guide for parents looking to do the same in their own home Throughout the world individuals in

the intimacy of their homes innovate improvise and struggle daily to pass on endangered languages to their children Elaina Albers of Northern California holds a tape recorder up to her womb so her baby can hear old songs in Karuk The Baldwin family of Montana put labels all over their house marked with the Miami words for common objects and activities to keep the vocabulary present and fresh In Massachusetts at the birth of their first daughter Jesse Little Doe Baird and her husband convince the obstetrician and nurses to remain silent so that the first words their baby hears in this world are Wampanoag Thirteen autobiographical accounts of language revitalization ranging from Irish Gaelic to Mohawk Kawaiisu to Maori are brought together by Leanne Hinton professor emerita of linguistics at UC Berkeley who for decades has been leading efforts to preserve the rich linguistic heritage of the world Those seeking to save their language will find unique instruction in these pages everyone who admires the human spirit will find abundant inspiration Languages featured Anishinaabemowin Hawaiian Irish Karuk Kawaiisu Kypriaka Maori Miami Mohawk Scottish Gaelic Wampanoag Warlpiri Yuchi Practical and down to earth philosophical and spiritual Bringing Our Languages Home describes the challenges and joys of learning and passing on your language It gives good detailed advice Fantastic I hope millions will read it Tove Skutnabb Kangas bo Akademi University Finland emerita This rare collection by scholar activist Leanne Hinton brings forward deeply affecting accounts of families determined to sustain their languages amidst a sea of dominant language pressures The stories could only be told by those who have experienced the joys and challenges such an undertaking demands Drawing lessons from these accounts Hinton leaves readers with a wealth of language planning strategies This powerful volume will long serve as a seminal resource for families scholars and language planners around the world Teresa L McCarty George F Kneller Chair in Education and Anthropology University of California Los Angeles

What Is History, Now? Suzannah Lipscomb, Helen Carr, 2021-09-23 This groundbreaking new collection addresses the burning issue of how we interpret history today What stories are told and by whom who should be celebrated and what rewritten are questions that have been asked recently not just within the history world but by all of us Featuring a diverse mix of writers both bestselling names and emerging voices this is the history book we need NOW WHAT IS HISTORY NOW covers topics such as the history of racism and anti racism queer history the history of faith the history of disability environmental history escaping imperial nostalgia hearing women s voices and rewriting the past The list of contributors includes Justin Bengry Leila K Blackbird Emily Brand Gus Casely Hayford Sarah Churchwell Caroline Dodds Pennock Peter Frankopan Bettany Hughes Dan Hicks Onyeka Nubia Islam Issa Maya Jasanoff Rana Mitter Charlotte Riley Miri Rubin Simon Schama Alex von Tunzelmann and Jaipreet Virdi

Membership and Moral Formation John F. Covalleskie, 2013-07-01 This book is an attempt to relate moral formation to democratic life and to the emotional emotion of shame The argument is that shame is essential to moral formation that it tells us when we are violating our own moral norms Contrary to common belief I argue that shame is neither imposed on us by others though it is certainly a product of our communal memberships nor necessarily harmful In fact I argue that shame not

only can be beneficial for us but that moral formation and growth are both inextricably linked to a proper sense of shame a properly formed conscience The process of moral formation is an important one for any society but perhaps most of all for a democratic society The foundational premise of democratic life is that we have the capacity to be self governing the desire to do the right thing and the wisdom to discern what the right thing is This is unlikely to happen unless there is a conscious effort to form the conscience of the young so that they can become democratic citizens Which brings up then the question of moral education Whatever it is that a particular society or community considers to be moral the question of moral education is how do members of the community come to be moral Given that moral formation of the young is necessary this discussion ends with a look at the practice of two exemplary democratic moral practitioners Vivian Paley and Deborah Meier whose pedagogy shows how formation of young consciences can be done by thoughtful adults with integrity New Wordpedia: Chronicles of Today's Lingo and Slang Pasquale De Marco,2025-08-15 In a world where language is constantly evolving new words are emerging every day These new words reflect the changing values priorities and technologies of our society They shape the way we communicate think and understand the world around us This book is an exploration of the fascinating world of new words It delves into the origins of new words the forces that drive their creation and the impact they have on our language and culture Along the way we will encounter a wide variety of new words from slang and jargon to technical terms and scientific neologisms We will also examine the role that new words play in our everyday lives How do new words help us to communicate new ideas and concepts How do they reflect the changing values and priorities of our society And how do they shape our understanding of ourselves and the world around us Finally we will look to the future of new words What new words might we expect to see in the years and decades to come How will new technologies and social changes influence the way we communicate And what impact will these new words have on our language and culture This book is an invitation to explore the ever changing landscape of language It is a celebration of the creativity and ingenuity of the human spirit and a testament to the power of words to shape our world Whether you are a word nerd a language enthusiast or simply someone who is curious about the ever changing world around you this book is sure to fascinate and inform If you like this book write a review

Our Language Today Introduction

In the digital age, access to information has become easier than ever before. The ability to download Our Language Today has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Our Language Today has opened up a world of possibilities. Downloading Our Language Today provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Our Language Today has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Our Language Today. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Our Language Today. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Our Language Today, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Our Language Today has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF

resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Our Language Today Books

1. Where can I buy Our Language Today books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
