

A dramatic landscape at sunset or sunrise. On the left, a large, dark, craggy rock formation stands prominently. The foreground is a body of water with gentle ripples, reflecting the warm, orange and pink hues of the sky. The sky is filled with soft, wispy clouds, creating a serene and inspiring atmosphere. The overall color palette is dominated by warm tones of orange, pink, and purple, with the dark rock providing a strong contrast.

As we commit to peace in our own lives,
our own little worlds, encompassing
everyone we know personally, then we
will find the way of peace spreading like
a great healing light all over the world.

Our Lives Our Worlds Im:

Straight from the Heart: Our World in Poetry John Morgan Mullen, 2022-10-19 John Morgan Mullen attended Michigan State University where he married his college sweetheart and earned a BA in communication arts. He was a quarterback for Michigan State University on two National Championship teams in 1965 and 1966. John has two children, Todd and Stephanie, and is a grandfather to Jake Brennan and Hailey. John's new book, *Straight from the Heart*, started in lieu of greeting cards and expanded as a way to express his inner feelings. His collection talks about the ventures he and his wife Jill took and the inspirational life lessons he's learned along the way. The words in *Straight from the Heart* will always remain dear to John's heart as his wife lost a battle with cancer and will now have to read his touching tribute from heaven.

Writing Our Lives Steven Joel Rubin, 1991 Twenty-eight selections from the writings of some of the best-known American Jewish novelists, dramatists, critics, and historians span the social and cultural history of American Jews in the twentieth century. Often joyous, occasionally tragic, they provide a fascinating record from immigration to assimilation, from life in the ghetto to the current movement by many to recapture their Jewish identity. At once personal and historical, the selections are poignant and moving testimonies to the perseverance of the American Jewish people. [Who Am I Now That I Am Alone? A Journey Back after Divorce or Death](#) James L. Ramsey, 2014-08-13 The *Who Am I Now That I Am Alone* program began after my divorce. I gathered others who had experienced divorce into a group to explore our situation and how we could move forward with our lives. This group became one of the first in the country to help people going through divorce. Remember, in the 70s, there still was not a great deal of acceptance of divorce in the culture. Hundreds of people have experienced the program that was developed after the first group and have found it very helpful. Over the years, people have asked to read the book, but it was a group process guide and not a narrative. This book translates most of the program's material, which was designed for group interaction, into a format that will allow those who have experienced loss through divorce or death to benefit from the program on their own. Chapters 1-3 concern communication, including communicating and understanding feelings. We can only develop meaningful relationships through effective communication. These chapters also work on improving both interpersonal communication skills and your internal self-talk communication. Chapters 4-6 focus on understanding the importance of personal relationships in our lives, guiding readers to move out and expand and deepen supportive relationships. These are important skills for enriching the quality of anyone's life. Finally, Chapters 7-8 are designed to help readers develop a more positive personal identity. Many people come out of a divorce or the loss of a relationship feeling like a failure and somewhat worthless. These chapters reintroduce readers to their authentic selves. Your authentic self has so many good qualities which, when recognized and affirmed, will offset the feelings of guilt and failure. This change in perspective will bring the motivation to leave the past behind and build a new and exciting life. **CONTENTS** Introduction Chapter 1 Some Understandings about Divorce Chapter 2 How to Effectively Communicate Your Feelings Chapter 3

Understanding Interpersonal and Intrapersonal Communications Chapter 4 The Continuing Question Who Am I Now That I Am Alone Chapter 5 Expanding Friendships for Balance in Life Chapter 6 The Need for Community Chapter 7 Getting in Touch with Your Successes Chapter 8 Taking the New You into the World About the Author James Ramsey's career has been divided into three very interesting segments The first part of his career he served as a United Methodist Minister in Southern California where he served three churches The second part as a corporate trainer working for organizations like Northrop Aircraft Fluor Corporation and the Orange County Transit District and the last segment as a human resources director where he completed his full time work at Family Solutions an organization that worked with at risk children Jim has also taught speech communications at several community colleges Currently he is an independent human resource consultant for a nonprofit and also works part time in a local library He has a Bachelor's degree in Social Science and Master of Divinity degree During the 1970's while going through a divorce he gathered a group of people who were also going through divorce for weekly sessions and these sessions later were refined and became his divorce recovery program Who Am I Now That I Am Alone This program has been delivered to hundreds of people over the years Jim with the assistance of other professionals also conducted training programs to develop more leaders to deliver the program Keywords Divorce Recovery Self Help Divorce Widowed Divorce Program

The Semantics of I Am Geoff

Keall,2021-04-05 Sometimes the events of life can leave us resigned to feeling trapped within a seemingly inescapable maze of intolerable suffering A constant struggle with challenges can be a sign of living from the ego The good news is that there are ways to transform an attitude from ego limitation to one of infinite possibilities and abundance In a guide to improving the whole self Geoff Keall interweaves personal stories inspired by his family s recovery from generational childhood sexual assault with practical wisdom to guide others through a simple formula that encourages a change in perspective to escape limiting views and constant mental chatter and move toward greater self awareness in all areas of life Through his insight and tips others will learn how to overcome early misunderstandings to eliminate anxiety fears and frustration quiet self defeating mind chatter create abundance from thoughts and live in a state of grace and calm The Semantics of i AM shares personal anecdotes tips and revelations that reveal a different way of thinking that leads to inner peace and a better view of what it means to be alive *Anthology for Living* Callan McDonnell,2018-06-12 *Anthology for Living* reveals A Z life lessons that will help you live the best life possible Callan McDonnell a life coach and the founding director of the Centre for Applied Leadership Learning and Narratives begins with the letter A for Awareness and works all the way to Z for Zeal Other themes include courage discovery fear generosity and possibility At the end of each theme youll be asked five questions that will help you dig into the inner workings of your life and how you think The author encourages you to pay attention to the desires you fulfill instead of focusing on what you dont accomplish postpone judgement for as long as possible so events or people do not have to conform to what you already believe and align what you are good at and love doing with what the world needs Whether you choose to read through this book of lessons one story at a time all at once or with a friend or partner youll find these insights to be a source of inspiration and a reminder that we should all enjoy our journey to the fullest **Tapestry**

The Divine Artist,2015-04-30 When I say that beauty is truth truth beauty that is what I mean Beauty in all of its forms is all the world needs Tapestry asks the question why Why do evil and suffering exist For no reason at all of course The result of a grand accident It is the recognition however and implementation of pure love and beauty that will bring the universe to its true destiny We have the power within us to right the eternal wrongs of history no matter how big the mistakes even one as monumental as the creation of metaphysical evil and suffering It is true what Leo Buscaglia declares as the final assessment of The Glass Bead Game that love is the only solution to the human existence Sometimes the impossible does come true

Extraordinary Responsibility Shalini Satkunanandan,2015-09-29 Careful attention to contemporary political debates including those around global warming the federal debt and the use of drone strikes on suspected terrorists reveals that we often view our responsibility as something that can be quantified and discharged Shalini Satkunanandan shows how Plato Kant Nietzsche Weber and Heidegger each suggest that this calculative or bookkeeping mindset both belongs to morality understood as part of our ordinary approach to responsibility and effaces the incalculable undischageable and more onerous dimensions of our responsibility These thinkers also reveal how the view of responsibility as calculable is at the heart of

moralism the pettifogging mindless legalistic excessively judgmental or punitive policing of our own or others compliance with moral duties By elaborating their narratives of a difficult conversion to the open ended and relentless character of responsibility Satkunanandan explores how we might be less moralistic and more responsible in politics She ultimately argues for a political ethos attentive to how calculative thinking can limit our responsibility but that still accepts a circumscribed place for calculation and morality in responsible politics

Life Of The Mind Cashma Ashmeade,2018-05-03 I invite you into my world of living poetry The first time my pencil spoke on paper was in 1987 and over a lifespan of thirty years my poems have progressed They come from deep within my life experiences and the challenges of life itself encompassing the themes of the true purity of love passion charity loyalty and commitment and truth to oneself I seek to translate the deep meanings of these poems and the accompanying essays But through you the readers we will all develop a better understanding of the life of the mind as my writing provokes your own thoughts of morality sexuality forgiveness and liberation I want to thank all my families friends and acquaintances who over the years encouraged me to publish my book of poems I hope you truly enjoy them

The High Calling of Motherhood Chimene Shipley Dupler,2017-05-01 Does motherhood matter Have we lost our sense of identity especially through social media which can pour both accolades and acid into our hearts and minds Does our role as a mother have any lasting purpose What about the hard stuff Do we self medicate more than we self motivate to fight for our families If we don t have a sense of purpose how will our children Chimene Shipley Dupler believes you are created for more You are created in the image of God You have value significance and purpose You are chosen In The High Calling of Motherhood Chimene will challenge and inspire you Motherhood can change the trajectory of a generation as we discover the authority that God has given mothers Chimene desires to see mothers experience the joy that comes in the value and worth that God places on motherhood
