Our Man In Vienna:

Our Man in Vienna Richard Timothy Conroy, 2000-08-11 The wit and charm that marked *Our Man* in Belize enlivens Richard Timothy Conroy's new diplomatic memoir in a posting that couldn't have a more different location. But the wheels of lower level diplomacy it turns out turn at the same rate whatever the setting. Plucked from the coast of Central America and put down in post World War II Vienna land of Der Rosencavalier and whipped cream cakes Conroy still was not mentioned in dispatches or at least not complimentary ones but even a lowly vice consul could do some good in people's lives. Take for example his effort to help a woman flee Vienna after she reported that someone was sneaking into her room and slicing off a bit of her foot each night. Or the unfortunate Austrian whose visa application had been rejected three previous times with no explanation. Conroy discovered that there was a picture of the man in a Red Army sergeant's uniform. Turned out the man had conned a gullible Red Army soldier to lend him the uniform for a snapshot and an equally gullible group of Russian border guards that he was an undercover Red agent posing as what he really was an export import businessman. Nobody before Conroy had bothered to ask for an explanation. In between similar tales of deep diplomatic deed and misdeed the author gives his readers an imitable take on the Vienna of those days. Want to buy a second hand piano. Some inexpensive paintings. How about above all that famous Viennese food and beer. You could have found it there with Conroy as your guide failing that his account of those days is just as rewarding and not nearly as fattening. *Austrian Information*, 1992

Our Man in Vienna PANAGIOTIS. DIMITRAKIS, 2021-10-04 Vienna located at the heart of Europe was the city of choice for American British German and Russian spymasters in their merciless trade to plot against one another and steal secrets. For the first time a book is dedicated to the secret stories of spymasters their tradecraft and secret sources from the end of the World War I the Interwar with the rise of Nazis to the Second World War and the Cold War. The rich of culture and music Vienna hid a labyrinth of spies and dissidents in the interwar period and a powerful Gestapo presence during the war meant that the Office of Strategic Service and British intelligence could not deploy operatives in Austria in general. In postwar a few young American and British intelligence officers pitted their wits against hundreds of seasoned Russian operatives of the NKVD and their thousands of informers and the secret truth was that both Russian and Allied intelligence services employed members of the Nazi intelligence services just upon the defeat of Germany in 1945 and the occupation of Austria. *The Complete Works of Max Pemberton* Max Pemberton, 2023-12-15 In *The Complete Works of Max Pemberton* readers are invited to explore a rich tapestry of narratives that dissect human nature and social constructs in Edwardian England.  This study explores how British identity has been explored and renegotiated by contemporary writers It starts by examining
 the new emphasis on space and place that has emerged in recent cultural analysis and shows how this spatial emphasis
 informs different literary texts Having first analysed a series of novels that draw an implicit parallel between the end of the
 British Empire and the break up of the unitary British state the study explores how contemporary writing in Northern Ireland
 Scotland and Wales contributes to a sense of nationhood in those places and so contributes to the break up of Britain
 symbolically Dix argues that the break up of Britain is not limited to political devolution in Northern Ireland Scotland and

Wales It is also an imaginary process that can be found occurring on a number of other conceptual coordinates Feminism class regional identities and ethnic communities are all terrains on which different writers carry out a fictional questioning of received notions of Britishness and so contribute in different ways to the break up of Britain **The Case of Emily V.** Keith Oatley,2006 An accomplished young woman traumatized by guilt at her role in the death of a British diplomat who was her lecherous guardian Sigmund Freud whom she consults to ease her mental suffering and Sherlock Holmes enlisted by his brother Mycroft to probe the man s death **Endgame** Ahsen Bhatti,2018-03-20 After the events of Alternation the team has broken up However the appearance of a new threat reunites Jacob Richmond and his allies as they begin a globetrotting race to foil the dangerous Council along with the returned Armageddon Secrets will be revealed and lives will be lost as the final book in the Richmond duology unfolds **A Gentleman's Gentleman** Max Pemberton,2021-01-10 For the rest of the world Nicolas Steele is a blackmailer a burglar a crook linked with indefinite number of criminal deeds and actions but for his valet Steele is merely the master After five years of service Bigg offers his input in his master s endeavors and exploits presenting his side of the truth but not leaving out numerous astonishing facts and astounding details regarding Steel s criminal record A Gentleman s Gentleman tell the is an action adventure mystery book assembled from certain pages from the life and strange adventures of Sir Nicolas Steele as related by his valet Hildebrand Bigg **Spymaster** Oleg Kalugin,2009-03-03 Oleg Kalugin oversaw the work of American spies matched wits with the CIA and became one of the youngest generals in KGB history Even so he grew increasingly disillusioned with the Soviet system In 1990 he went public exposing the intelligence agency s shadowy methods Revised and updated in the light of the KGB s enduring presence in Russian politics Spymaster is Kalugin s impressively illuminating memoir of the final years of the Soviet Union **The Dream Killer of Paris** Fabrice Bourland,2012-08-13 Enter the world of supernatural crime investigation In the autumn of 1934 a channel crossing to France takes a paranormal turn for private detective Andrew Singleton when he sees an extraordinary mirage and has an encounter with a lady in white On arrival in Paris he is quickly drawn into a very unusual murder investigation in which the victim appears to have died of fright in his sleep Who caused this death and how And could there be some connection to Singleton s experience on the channel In a city alive with surrealism and metaphysical research Singleton and his partner James Trelawney set off on the trail of a criminal mastermind whose evil methods and motives will prove bizarre beyond their wildest imaginings **British Agent** John Whitwell,1996 The role of the secret agent before and during World War 2 was often not as glamorous as we are led to believe and many of the practitioners were amateurs poorly equipped and often working against formidable state security agencies as this book reveals **TV Guide ...
