Our Christian Faith Walter Marshall Horton, 1945 Restoring Our Christian Foundations: Restoring the Ancient Biblical Foundations of the Christian Faith Fred D. Hofeldt M.D., 2010-04-12 Storm clouds are on the horizon and are hovering over the Judeo-Christian community Returning to God's Word is our only hope for these troubled times On the cusp of these changing times a remnant is being identified and called out by the Holy Spirit to return to the foundational roots of Christianity The First Century Church of Jesus Apostles was vastly different from the church of today Their foundational strength was built upon the Rock of Jesus Christ and was founded upon the Biblical Hebrew Jewish customs of Jesus Christ and His disciples This book is a basic handbook a 101 Primer for reconciliation and restoration Its exposure to the rich Hebraic customs and traditions of Jesus' day will bring a refreshing breath to traditional Christianity It's a call to return to the faith once delivered to the saints to prepare for eternity in God's city the New Jerusalem

The Origins of Christian Faith Terrance Callan, 1994 The Origins of Christian Faith is a scholarly treatment of first century evidence of the beginnings of Christian faith Professor Callan carefully analyzes the different layers of New Testament tradition to discover how the first Christian communities grew step by step in their understanding of the mystery of Jesus as the Christ He explains historically each foundational level on which our Christian faith rests The result is the story of the early church's development of its faith in Jesus

Reclaiming Our Forgotten Heritage Curt Landry, 2019-01-15 A timely and groundbreaking take on the roots of the Christian church and its place in the entirety of God's kingdom There is no better time than now to learn about and become firmly grounded within your spiritual heritage from the foreword by Perry Stone The early church was made up of Jewish and Gentile followers of Jesus and the church's culture was rooted in Judaism and a Jewish understanding of God's relationship to His people Over time however

Christianity became increasingly more Roman than Jewish and the church lost its identity Rabbi Curt Landry's personal story is remarkably similar Born to a Jewish mother and a Catholic father Landry was put up for adoption and for more than thirty years he had no understanding of his heritage his roots or who his parents were But when he discovered the truth of his story his life changed completely The key to a life of power and purpose is understanding who you are In this revelatory book Curt Landry helps Christians discover their roots in Judaism empowering them to walk in the revelation of who they really are and who they are born to be Reclaiming Our Forgotten Heritage reveals the mysteries of the church letting Christians grasp the power that comes from connecting with their true identity **You Can Have Living Faith** United Church of

God,2010-09-08 What is faith and how do we receive it and grow in it We live in a society that is virtually devoid of faith Since most people don't read the Bible they don't know much about God or believe He even exists What about you do you lack the faith to believe in God Having true faith will help you make sense out the troubling and confusing world you live in It will give you the confidence you need to move forward with your life despite trials and setbacks How do you get faith Growing in faith requires believing in God and maintaining a close relationship with Him You can have this relationship with God through daily prayer Bible study and applying what God says in the Scriptures in your personal life Learn more about how to grow in Christian faith by reading this Bible study aid ebook You Can Have Living Faith and start building that close relationship with God today Chapters in this ebook Introduction You Can Have Living Faith What Is Faith The Meaning of Faith The Book of James An Epistle of Straw Examples of Living Faith When It Seems God Doesn't Hear or Answer Enemies of Faith Growing in Faith Inside this Bible Study Aid ebook Lack of faith an active living trust in and relationship with God is a widespread problem affecting every nation and virtually every individual If we want to better our lives our model for living faith should be Jesus Christ Many people don't have the faith described in the Bible because they do not believe or practice what Jesus said If you love Me keep My commandments John 14:15 The Bible tells us salvation is by God's grace and is not earned by good works lest any man should boast Ephesians 2:8-9 But we are saved by grace through faith The danger we face is that our faith will die if we neglect our salvation by not living a life of obedience to God Hebrews 2:1-3 The examples and testimonies of the men and women we read about in Hebrews 11 show us we can believe God We should pray to God for faith and we should pray often for it Luke 18:1 Living a life of prayer Bible study and humble obedience to God clarifies and strengthens our faith **Forerunners of the Faith** Nathan Busenitz,2020-07-07 Enter God's Story of Faithfulness to His

People The Christian faith extends beyond our personal experiences our individual churches and far beyond our present age This for the Christian is great news When we become acquainted with the legacy of our Christian heritage we connect our stories to those of the faithful believers who have come before us This connection is precisely what Nathan Busenitz Dean of Faculty and professor of church history at The Master's Seminary seeks to provide Based on the bestselling Fundamentals of the Faith Forerunners of the Faith succinctly identifies thirteen key lessons that capture the trials and triumphs of the

historical Church providing insight for how the ancient Christians responded to the problems of their day to become the pillars of faith we now consider them to be Forerunners of the Faith serves as spiritual encouragement as we remember the legacy of God's faithfulness to his people Using this teaching guide become empowered and equipped to lead your group through Forerunners of the Faith Find answers to every lesson and insightful teaching notes **A Simple Christianity** John MacArthur, 2009-03-02 John MacArthur has an answer for those finding the Christian life too complicated their zeal diminished their relationship with Jesus grown cold and predictable Awardwinning author and respected pastor teacher John MacArthur reminds us in A Simple Christianity that what's been lost can be found and tells us how This practical tool can help readers restore the fire and conviction of their first love for Christ by helping them to better understand His character His Glory and His love for them MacArthur counsels all who want more love for Christ to pursue Him by making Christ their focus each day in every activity in every contact and in every thought It's when you make Him your priority and love Christ with all your heart soul and strength that God is glorified **Our Father Abraham** Marvin R. Wilson, 1990-01-11 Although the roots of Christianity run deep into Hebrew soil many Christians are regrettably uninformed about the rich Hebrew heritage of the church This volume delineates the link between Judaism and Christianity between the Old and the New Testament and calls Christians to reexamine their Hebrew roots so as to effect a more authentically biblical lifestyle As an introduction to the world of Hebrew thought Our Father Abraham is biblical historical and cultural in nature At the same time the writing is personal and passionate reflecting Marvin Wilson's own spiritual pilgrimage and his extensive dialogue with Jews The book 1 develops a historical perspective on the Jewish origins of the church 2 sets forth the importance and nature of Hebrew thought 3 discusses how the church can become more attuned to the Hebraic mind set of Scripture and 4 offers practical suggestions for interaction between Jews and Christians The study questions at the end of each chapter enhance the book's usefulness as a text and also make it suitable for Bible study and discussion groups All Christians and Jews too will profit from Wilson's sensible treatments of biblical texts his thorough understanding of both the Christian and the Jewish faith and his honest historical analysis of the general failure of the Christian church to acknowledge and understand its relation to Judaism **Public Faith in Action** Miroslav Volf, Ryan McAnnally-Linz, 2017-09-19 Celebrated Theologian Offers Wisdom for Civic Engagement Christian citizens have a responsibility to make political and ethical judgments in light of their faith and to participate in the public lives of their communities from their local neighborhoods to the national scene But it can be difficult to discern who to vote for which policies to support and how to respond to the social and cultural trends of our time This nonpartisan handbook offers Christians practical guidance for thinking through complicated public issues and faithfully following Jesus as citizens of their countries The book focuses on enduring Christian commitments that should guide readers in their judgments and encourages legitimate debate among Christians over how to live out core values The book also includes lists of resources for further reflection in each chapter and room for debate

questions to consider **Christian America?** Daryl C. Cornett, 2011 A point counterpoint discussion about Christianity's proper social and political relation to the United States whether the nation is distinctly Christian distinctly secular essentially Christian or partly Christian *What It Means to be a Christian* Joseph Ratzinger, 2010-12-02 Joseph Ratzinger now Pope Benedict XVI writes eloquently and persuasively about how one can live as a serious Christian in today's secular world He talks in depth about the true meaning of faith hope and love the love of God and the love of neighbor He also discusses at length the crucial importance of a lived faith for the believer himself as well as being a witness for our age and striving to bring faith in line with the present age that has veered off into rampant secularism and materialism He passionately encourages the reader to practice a deep abiding Christian faith that seeks to be at the service of humanity As Joseph Ratzinger mentions in the preface the book presents in written form three sermons that the author preached in the Cathedral at Muenster to a congregation from the Catholic Student Chaplaincy December 13 15 1964 In other words these are essays derived from sermons preached to college students toward the end of Vatican II They are remarkable among other reasons for their insights into the ongoing Christian struggle to understand and realize in action what it means to be a Christian

Contents First Sermon Are We Saved Or Job Talks with God Christianity as Advent The Unfulfilled Promise Are We Saved The Hidden God Second Sermon Faith as Service The Salvation of Christians and the Salvation of the World God Becomes Man Man Becomes Christlike The Meaning of Salvation History Third Sermon Above All Love Love is Enough Why Do We Need Faith The Law of Superabundance Faith Hope and Love In our generation the Christian Faith finds itself in a much deeper crisis than at any other time in the past In this situation it is no solution to shut our eyes in fear in the face of pressing problems or to simply pass over them If faith is to survive this age then it must be lived and above all lived in this age And this is possible only if a manifestation of faith is shown to have value for our present day by growing to knowledge and fulfillment Pope Benedict XVI From the Introduction Learn more about Pope Benedict Visit the [The Fundamental Doctrines of the Christian Faith](#) Reuben Archer Torrey, 1918 The author of these sermons has had a feeling for a long time that the great need in our churches in this day is systematic indoctrination He put his theory into practice last winter in his own church and these sermons are the result We were having a great many accessions to our church In the two years of the church's history we had had something like six hundred accessions to the church and every month considerable numbers of new members were being added While many of these came by letter from other churches many of them were new converts and had had practically no systematic instruction in the fundamental truths of the Christian faith so we announced a series of sermons on The Fundamental Doctrines of the Christian Faith There was immediately a large increase in the attendance at the services where these addresses were given and this increase has kept up until on the last Lord's Day we had much the largest attendance we have ever had excepting on Easter Sunday Many have testified to the blessing received from these sermons and there has been a great demand that the sermons be printed for general circulation This request has come from

ministers of various denominations Episcopalians Presbyterians Methodists Baptists and others It is hoped that this volume will be useful to other pastors in suggesting lines of teaching in their regular pastoral work and also that it may be used widely by pastors and others for circulation among Christians We live in a day in which many of our church members are all at sea as to what they believe on the fundamental doctrines of the Christian faith These sermons have already helped many through their delivery It is hoped they will reach and help far more in the printed form
