We've Never Been Alone Paul Von Ward,2011-09-01 Whether you call them gods angels ETs or aliens sufficient proof now exists that beings more advanced than humans have influenced our history Evidence suggests that these outsiders shaped our religions genes technology and cultures In fact they may have provided the impetus for modern civilization Paul

Von Ward investigates why modern science and religion refuse to address the possibility that humans interact with Advanced Beings ABs He reviews sacred texts myths and legends from the Old Testament Hebrew texts and the Vedas to the Greek myths Sumerian tablets and other historical sources to make the link between religions their gods and alien intervention He shows how this history of AB intervention has been suppressed and challenges readers to reexamine the origins of notions like divine revelation to find common ground among the world's cultures and religions Previously published as *God Genes and Consciousness* *The Moon's Galactic History* Constance Victoria Briggs, 2022-10-28 *The Moon's Galactic History* A Look at the Moon's Extraterrestrial Past and Its Connection to Earth follows the past and present research about the Moon's strange enigmatic history with a focus on an extraterrestrial presence The book examines such questions as Are there Moon inhabitants Are the UFOs seen today connected to the Moon Is there a city on the Moon and more Additionally Briggs discusses things observed on the Moon including anomalous strange lights unidentified flying objects odd constructions artifacts symbols and more This book examines new thoughts and ideas from researchers and what their ideas are today about the extraterrestrial Moon Earth connection and what it means for us With all the information on unidentified flying objects in the news today it is time to have an updated book with current research that investigates both the past and present material on the Moon Did you know that Several of the NASA astronauts reported seeing UFOs while traveling to the Moon the Moon might be hollow Apollo 10 astronauts heard strange space music when traveling on the far side of the Moon mysterious anomalous activity has been seen on the Moon for centuries there are said to be ruins of structures on the Moon and more **The New Age Primer** Various, Robert Shapiro, Glenn Phillips, Virgil Armstrong, 1993 Welcome to the New Age It is here Now Everywhere From the way medicine treats the body mind and spirit to quantum physics and the films you see you are noticing a changing reality Whether you are a newcomer to this age or an adept you will find this overview fascinating informative and empowering It is a textbook designed to clarify concepts once considered alien to Western thinking As a guidebook to expand your reality it can change your ideas about time space matter and even who you are

Earth's Galactic History and Its Extraterrestrial Connection Constance Victoria Briggs, 2023-11-01 Constance Victoria Briggs who brought us *The Moon's Galactic History* A Look at the Moon's Extraterrestrial Past and Its Connection to Earth continues her exploration into our cosmic connections with her companion book *Earth's Galactic History and Its Extraterrestrial Connection* In this exciting new work Briggs examines current research theories and evidence linking Earth and extraterrestrials past and present Some of the topics that Briggs covers include whether the Earth was terraformed by advanced extraterrestrials the theory that the Earth was seeded with life by otherworldly beings possible extraterrestrial involvement in the creation of humans and more She looks at evidence of humans being visited by beings from other worlds and explores the idea that there was once a battle for Earth She brings us signs signals messages and clues showing evidence that extraterrestrials are trying to communicate with humans and takes us on a journey beneath the oceans where

there is believed to be an extraterrestrial presence Briggs also investigates the possibility that other worldly beings may be residing inside inner Earth She delves into how extraterrestrials may be visiting Earth via stargates and portals using what she refers to as the cosmic freeway Briggs also examines the possibility that there are extraterrestrials living among us who they are and what their goals may be when it comes to Earth Extraordinary events believed to be related to extraterrestrials are also revealed Briggs takes a look at current research into the UFO UAP USO phenomena detailing descriptions of these enigmatic objects and witness reports She talks about the possibility of there being an authoritative hierarchy within our galaxy that may include other worldly federations and groups that are responsible for a galactic community In the end Briggs ponders humankind s spacefaring future looking at the latest information and trends on space travel and what we have to look forward to by way of our expansive universe

The Encyclopedia of Moon Mysteries Constance Victoria Briggs, 2019-03-19 Our moon is an enigma The ancients viewed it as a light to guide them in the darkness and a god to be worshipped In modern times it has been taught that the Moon is simply a dead rock that is caught in Earth s gravity with no activity As a researcher of metaphysical paranormal and cosmic subjects I have come across stories and information about the Moon that tell us that indeed there is activity there and there has been for generations Just who or what is causing the commotion is a mystery There are stories that suggest that the Moon is home to extraterrestrials theories that it is not a natural satellite tales of anomalous lights and tales that NASA astronauts saw extraterrestrial ships and ruins of an ancient civilization there There is a rumor that Apollo 13 was saved by extraterrestrials Another story states that there are extraterrestrial bases on the Moon There is even a tale that states that a part of the kingdom of Atlantis was once located there Some even believe that there are cities beneath the surface of the Moon There is an interesting account of a government employee using remote viewing as a means of seeing what is on the Moon His experience is eye opening This is just a sample of the information that will be in The Encyclopedia of Moon Mysteries Secrets Conspiracy Theories Anomalies Extraterrestrials and More For example did you know that Aristotle and Plato wrote about a time when there was no Moon They even gave a name of an ancient tribe of people that lived during that moonless period several of the NASA astronauts reported seeing UFOs while traveling to the Moon the Moon might be hollow Apollo 10 astronauts heard strange space music when traveling on the far side of the Moon strange and unexplained lights have been seen on the Moon for centuries there are said to be ruins of structures on the Moon there is an ancient tale that suggests that the first human was created on the Moon that radio signals have been detected coming from the Moon that famed astronomer Sir John Herschel saw unidentified lights above the Moon during an eclipse that ancient Bolivian symbols tell us that the Moon came into Earth s orbit around 12 000 years ago a psychic was used by the government to relay information about the Moon The book is separated into A to Z sections for easy reference and reading

Hart,2003-10-24 Shows that Earth was visited by an extraterrestrial race who bioengineered modern man in its image and taught man how to construct the pyramids Examines the flaws in Darwin s theory of evolution and presents startling new evidence of intelligent intervention Reveals the messages coded in the pyramids left by the ancients concerning impending Earth changes at the end of the Mayan calendar For millennia the development of humanity showed a consistent homogenous pattern Then suddenly around 3000 B C E great civilizations sprang up around the globe All the creation myths of these civilizations tell of gods who came down to Earth and fashioned man in their own image teaching them the arts of agriculture and civilized life In addition the dominant architectural design in Egypt Sumeria Peru Mexico and China was the pyramid though science has never been able to explain why or where these peoples obtained the advanced technological knowledge to construct such edifices The abruptness and similarities of these evolutionary leaps calls into question the Darwinian theory of evolution given that there are no traces of any intermediate evolutionary forms Now using the most current research on DNA Will Hart shows that these gods were actually visitors from other worlds who genetically engineered modern humanity from the beings that then inhabited the planet He also suggests that the Bible and other creation stories have been interpreted falsely as myth when they should have been read as history The structures left by our ancestors were designed in accordance with precise astronomical and geodetic alignments to make them visible from outer space and to survive for thousands of years with the intent of communicating information relating to physical and temporal events Humanity s current stage of development has finally reached the point where the secret messages of these structures can be decoded to reveal the fate of humanity in the coming Earth changes **Creators and Friends** Robert

Enlightened Beings Ana-Stasi Fennell, **The Alien Tide** Tom Dongo,1990-01-01 I would venture a guess that if someone were to go to a place such as Syracuse Little Rock San Antonio Key West Pocatello Des Moines or Spokane and dig around for two years as I did here that person would come up with as much material as I have about Sedona The following incidents and encounters are a broad representation of UFO ET encounters by area residents and visitors My opinion is that many of these incidents resulted in the abduction of the individuals involved I have talked at length with most of these people It s difficult to put into words the sincerity and concern that was reflected in their voices and faces about what they had experienced When a mature man or woman breaks down emotionally over a UFO experience they are reliving in an interview this is to me strong evidence that the person is not lying or simply making up a story I feel fortunate to have shared in their experiences and I share in turn these experiences here with you *Ancient Giants of the Americas* Xaviant Haze,2025-09-12
