Martin W. Bowman

Our Crew 392nd Bg Squadron 576:

The Complete Clarksburg Ohio World War II Guide Victor Cleary, 2012-01-19 The Complete Clarksburg Ohio World War II Guide is one of the country's most thorough case studies analyzing one village's involvement during WWII. Research letters, a veteran index, and over 80 photographs highlight the service of 222 veterans from Clarksburg who served our country and details a number of experiences from training to battle. Clarksburg sent one in five of its residents to war when the national average was one in eight, and an astounding 45% of Clarksburg's infantrymen and just over one third of its aerial crewmembers were either killed or wounded. Even more noteworthy was the high number of aircraft crashes suffered by Clarksburg's heavy bomber crews. Even though Clarksburg had its share of decorated soldiers, a majority of the village's veterans filled common roles. They were common men called upon every day to face uncommon responsibilities and a significant number found themselves in positions of authority and in a place to perform heroically in some of the war's fiercest battles.

From Somewhere in France Victor Cleary, 2010-06 From 1939 to 1945 the farming community of Clarksburg, Ohio sent 222 of its sons and daughters to war, 1 in every 5 of its residents. *From Somewhere in France* is a one-of-a-kind collection of letters written by these men and women, stitched together chronologically and grouped into common themes shared with family and friends. The work includes nearly 200 letters from 70 individuals, taking readers on parallel journeys through training to combat and back home to Ohio. Experience first-person accounts of camp life in the states, bombing missions over Europe, battlefield operations from Normandy to Okinawa, letters from POW camps, an eyewitness account of the retaking of Corregidor, and personal reactions to the Holocaust and the atomic destruction of Hiroshima. You have read in depth histories of large units and entire armies during the war, as well as countless individual autobiographies of wartime tales. Now experience the war from the unique perspective of one village.

Air War Varsity Martin W. Bowman, 2017-10-30 Here Martin Bowman brings us the first book on Operation Varsity to include both British and US air and ground operations, as well as the US, British, and Canadian paratroop and resupply missions, all presented together in one ambitious volume. Operation Varsity: Plunder, the last large-scale Allied airborne operation of World War II, was certainly no walk-over. Varsity was the airborne part, whilst Plunder represented the British amphibious operations by the British Second Army. The airlift consisted of 541 transport aircraft containing airborne troops and a further 1,050 troop carriers towing 1,350 gliders. The American 17th Airborne Division's C-46 Commando transports and Waco gliders joined the British 6th Airborne Division's C-54s, C-47 transport aircrafts, Horsas, and Hamilcar gliders to form an immense armada that stretched for more than 200 miles across the sky. The successful air attack involved more than 10,000 Allied aircraft and was concentrated primarily on Luftwaffe airfields and the German transportation system. The combination of the two divisions in one lift made this the largest single-day airborne drop in history. In this impressive account, Martin Bowman weaves firsthand testimony and a compelling historical narrative together with a variety of photographic illustrations, many of which have never been

published before in order to create a complete and fascinating record of events as they played out in March 1945 Flight and Aircraft Engineer ,1944 **392nd BG Squadron 576** Burrell M.
