The Philosophy of Literature Donald Phillip Verene,2018-09-12 The Philosophy of Literature Four Studies puts forth the question of the extent to which philosophers must go to school with the poets It begins with a new interpretation of the famous Platonic quarrel with the poetic wisdom of Homer It brings this question forward through the humanism of thinkers of the Italian Renaissance and the German Idealism of Hegel It then treats the relation of philosophy

and literature in four ways by considering philosophy as literature philosophy of literature philosophy in literature and philosophy and literature In regard to the first of these it discusses Jorge Luis Borges s The Immortal to the second James Joyce s Finnegans Wake to the third Carl Sandburg s epic prose poem The People Yes and to the fourth Sebastian Brant s Ship of Fools This work demonstrates that in an area of thought often dominated by fashionable doctrines of literary interpretation the great works of literature and philosophy remain as permanent residents of our thought and imagination

Waiting for the Last Bus Richard Holloway, 2018-03-01 Where do we go when we die Or is there nowhere to go Is death something we can do or is it just something that happens to us Now in his ninth decade former Bishop of Edinburgh Richard Holloway has spent a lifetime at the bedsides of the dying guiding countless men and women towards peaceful deaths In The Last Bus he presents a positive meditative and profound exploration of the many important lessons we can learn from death facing up to the limitations of our bodies as they falter reflecting on our failings and forgiving ourselves and others But in a modern world increasingly wary of acknowledging mortality The Last Bus is also a stirring plea to reacquaint ourselves with death Facing and welcoming death gives us the chance to think about not only the meaning of our own life but of life itself and can mean the difference between ordinary sorrow and unbearable regret at the end Radical joyful and moving The Last Bus is an invitation to reconsider life s greatest mystery by one of the most important and beloved religious leaders of our time     *A Sermon [on 1 Chron. xxix. 26, 28] on ... the death of his late Majesty King George and the ... accession of ...
