## **Our Destiny Biblical Teaching On The Last Things:**

**Our Destiny** Stanley M. Horton, 1996      **A New Look at the Last Things** John E. Gore, 2011-12-05 Matters pertaining to our Lord's second coming, heaven, hell, and associated topics are often set aside by Christians sometimes for very understandable reasons. Dogmatic predictions based on bizarre calculations from the Bible and equally zealous disciples aggressively promoting their view point as the only right interpretation of Scripture have caused many believers to lose interest in this wonderful aspect of biblical truth. In *A New Look at the Last Things* the reader will find a careful overview of various topics relating to the Last Things. Different interpretations are discussed and the merits of each is evaluated enabling the reader to come to a fuller understanding of what the apostles taught concerning these matters.      **Before the Rapture** Julius A. Agbor, 2017-05-15 A textually meticulous account of the end of days that should appeal to devoted Christians. Kirkus Reviews: This would be a helpful resource for some in an adult class or small group study. Rich Guerra, District Superintendent, SoCal Assemblies of God. It is a well thought out and interesting study that is unmistakably saturated with thorough and well defined research. Johnny L. Green, PhD, Senior Pastor, Bethel Ministries Inc. *Before the Rapture* is a timely message for Christians in these last days of the church age soon culminating in the rapture of the true believers. The book intends to help its readers escape the soon coming wrath of God upon the earth by being adequately prepared for the soon coming rapture of the true believers. The uniqueness of this book is in the fact that it clearly exposes the enemy's deceptive strategies which if not mastered will cause many Christians to miss out on the day of the rapture.      *Jesus and the Last Things* Dennis J. Billy, CSsR, 2019-05-20 This book focuses on Jesus, the four last things, and their relevance for our lives. He has much to teach us about these things. Jesus faced death with courage and was raised to new life by the power of his heavenly Father. He descended into hell and reached out to those who had alienated themselves from God. He promised to return at the consummation of time to judge the living and the dead and to establish the fullness of his kingdom. He lives forever in the house of his Father, hoping to draw all people to himself and make all things new. The book reminds us that for Jesus, the four last things are just a prelude to the first things. He is the Alpha and Omega, the beginning and the end. He teaches us to put last things first and first things last.      **Lloyd-Jones on the Christian Life (Foreword by Sinclair B. Ferguson)** Jason C. Meyer, 2018-04-16 Called a physician of the soul, Martyn Lloyd Jones is widely regarded as one of the most powerful preachers of the twentieth century. Originally trained as a medical doctor, he changed careers after recognizing the depth of healing the gospel can bring to the soul of a sinner. With a unique ability to winsomely capture the minds and hearts of his listeners, Lloyd Jones crafted sermons that continue to have a tremendous impact on the world today, almost forty years after his death. In this book, pastor Jason Meyer summarizes what Lloyd Jones taught about the Christian life, what he saw as the dangers of separating doctrine from life, and how he modeled devotion to the knowledge of God. Lloyd Jones's passion for the glory of God in his own life will encourage Christians to hunger to experience God in the same way.      *Know the Truth* Bruce

Milne,2012-11-28 This thoroughly revised and updated edition of Bruce Milne s excellent handbook expounds the great themes of God s Word and how they fit together Each chapter deals with one aspect of biblical truth and the main sections conclude with practical reflection

**A Stone in My Shoe** J. Michael Walters,2021-06-15 What s more miserable than trying to walk with a stone in your shoe Many American evangelicals are experiencing pain and discomfort in their relationship to the church Stones in their shoes make the faith journey uncomfortable and increasingly untenable They either leave the church altogether become church shoppers or live on the margins of the church as outliers This book presents the vantage point of a lifelong evangelical pastor and religious educator who sees himself as an outlier Walters draws on decades of pastoral life and classroom experience to engage the church in a conversation aimed at clarifying the concerns and discomforts of evangelical outliers While this is one person s story it intersects with the stories of many others in American evangelicalism especially clergy In identifying the stones which trouble and discomfort so many like him Walters continually calls the church his church back to its biblical and theological foundations

**Heaven, Hell, . . . and Purgatory?** Michael Root, James J. Buckley, 2015-09-14 What is our destiny The final end of humanity and the universe is a subject of perennial interest especially for Christians What are we promised Will anyone finally be left out of God's intentions to bless humanity What sort of transformation will be needed to enter the presence of God These questions have been at the heart of Christian teachings about last things The 2013 Pro Ecclesia Conference of the Center for Catholic and Evangelical Theology focused such issues on the theme Heaven Hell and Purgatory The six essays in this volume cover a range of topics of interest to Catholic Evangelical and Orthodox theology *Pentecostal Evangel*, 1996

**A Dictionary of the Bible: A-Feasts** James Hastings, 1901 Eternal Hope Emil Brunner, 2023-07-27 Describing his objective in writing *Eternal Hope* Emil Brunner boldly claimed that a church that has nothing to teach concerning the future and the life of the world to come is bankrupt Half a century later such a challenge might still be levied Against this backdrop Brunner offers a way forward that is conscious never to stray far from scripture yet nevertheless pastorally sensitive Indeed one of the central tenets of his approach is that the Gospel offers no comfort to the individual that is not at the same time a promise for the future of humanity as a whole He proceeds systematically through the promises and mysteries that the Christian faith holds surrounding death while holding the hope of eternity as a constant goal A precursor to his more rigorous Dogmatics and partly in preparation for the second assembly of the World Council of Churches in 1954 *Eternal Hope* was also written just a year after the tragic death of Brunner's son It is therefore no surprise that he combines the vulnerability of his personal encounter with death and a theological outlook that has universal implications **A Dictionary of the Bible Dealing with Its Language, Literature, and Contents, Including the Biblical Theology: A-Feasts** James Hastings, John Alexander Selbie, Andrew Bruce Davidson, Samuel Rolles Driver, Henry Barclay Swete, 1906 The Expository Times, 1909

Dictionary of the Apostolic Church James Hastings, John Alexander Selbie, John Chisholm Lambert, 1915 *An Introduction to Christian Theology* Anthony Towey, 2018-02-22 There has long been a need for a comprehensive but truly introductory single authored textbook in theology By introducing the reader to the biblical doctrinal and contemporary dimensions of Christianity with the help of illustrated examples from selected primary texts the book provides an excellent grounding in theology for both students of the discipline and the general reader The work explores key tools for the scientific study of theology endeavoring both to affirm the rationale behind Christian thinking and also to familiarize the reader with

significant contrary positions The solid foundations in biblical theology and hermeneutics given in the book will enable students to read Judeo Christian scripture intelligently Key testimonies regarding Jesus Christ are scrutinized and the nature of the New Testament discussed As well as the emergence of doctrinal orthodoxy and the later disagreements which have shaped contemporary Christianity the reader will become familiar with the dimensions of current Christian thinking in its dialogue with post modernity This new edition includes an additional chapter examining Spirituality and a series of companion videos for each chapter

**Christian Ethics** David S. Cunningham, 2008-03-03 Christian Ethics provides a biblical historical philosophical and theological guide to the field of Christian ethics Prominent theologian David S Cunningham explores the tradition of virtue ethics in this creative and lively text which includes literary and musical references as well as key contemporary theological texts and figures Three parts examine the nature of human action and the people of God as the interpretative community within which ethical discourse arises the development of a virtue ethics approach and places this in its Christian context significant issues in contemporary Christian ethics including the ethics of business and economics politics the environment medicine and sex This is the essential text for students of all ethics courses in theology religious studies and philosophy
