Our Hero Has Bad Breath:

Our Hero Has Bad Breath Peter Robins,1982 **My Life as a Belching Baboon with Bad Breath** Bill Myers,2006-10-29 All of Wally s friends have cooler stuff than he does and even his prayers have turned into Dear God gimme gimme gimme until Dad drags him along on an aid project to Africa He meets a boy his age who shows him what really counts in life and the key to real happiness Our Hero Has Bad Breath P. Robins,1984 **Up the Kasbah** Tony Walton,2011-11-08 Starting with Oscar Wilde and Andr Gide in the 1890 s for the next 100 years North Africa was to be a favourite destination for gay men seeking a mixture of sea sand sunshine and maybe something else This book relates the adventures and antics of those gay travellers and expats in the three countries of Morocco Algeria and Tunisia between 1890 and 1990 Much of it is based on their own words given to us in interviews Many of the destinations mentioned here along the north African coast were visited by either Wilde Gide or Genet But it is Tangier where we spend the most time since that city was for over fifty years the Mecca of gay travellers So as you read imagine yourself up in the Kasbah of each of the old cities looking down and seeing what those gays are doing down in the main part of the town We are sure you will find something of interest **The Scots Magazine and Edinburgh Literary Miscellany** ,1812 *Happiness Economics* Shari Lapena,2024-07-30 The riotously funny second novel by the New York Times bestselling author of Everyone Here Is Lying Shari Lapena that explores what happens when art collides with commerce Will Thorne is a stalled poet married to Judy a wildly successful celebrity economist Pressured by a starving fellow poet Will establishes The Poets Preservation Society a genteel organization to help poets in need But when Will meets his muse the enigmatic and athletic Lily White he becomes inspired not only to write but to take guerrilla action in support of poets everywhere Poetry meets parkour and culture clashes with commerce in this hilarious look at how we measure the value of art **It Ate My Sister** Mark Binder,2008-10-01 I have an older sister Her name is Ellen We don t get along The 100% true autobiography of an award winning author and professional liar Includes Halloween stories like Runninghead and The Haunted Playground plus the novella Ellen vs the Snakes **Our hero has bad breath** Peter Robins,1982 **The Ladies' Companion and Literary Expositor** ,1844 **My Hero** Mary McBride,2025-05-01 Leaving her unhappy childhood in Texas behind TV producer Holly Hicks lands in New York and is given a shot to produce a spot about injured Secret Service Agent Cal Girffin The catch Holly must return to Texas where Cal now recovers Can they end up healing each other Original Me and My Tapeworm Isobel Marius Enescu,2018-12-20 This book drives the reader in a deliberately contorted maze of freethinking Much like the tunnel of miracles it is full of unexpected stories ideas colors and free speech turning the political correctness principle in political directness delivery The secret aim is to make the reader that finishes the book smile and think What a ride **What Would George Do?** Nan Marshall,2013-12-04 At first glance the world of the twenty first century and the world of our first president could hardly be more different Modern life is filled with distractions from technology hectic schedules and

multitasking However George Washington lived through a time of great turmoil As a general and politician he was subject to stressors to an extreme that most of us will never know Graciousness and dignity however were his hallmarks and he lived his life by the code defined in The Rules of Civility People make great efforts to be civil While compassion and concern for the well being of others can be lost beneath the shuffle of our daily lives it still exists This practical and elegant guide offers valuable lessons for inner tranquility such as the difference between working hard and always being in a hurry as well as a guide for social situations including the importance of quality time with others table manners romantic propriety and congenial communication While technology has moved forward the question What would George Washington do has become more relevant than ever

The World of Alphonse Allais Alphonse Allais, Miles

Kington,2015-07-30 In one of his Independent pieces Miles Kington once referred to a volume of Edward Lear s limericks translated into French Not an easy task you might think and in translating Alphonse Allais into English Miles Kington set

himself a similar challenge He carried it off with panache As Max Harrison said in The Times has done a difficult job well even preserving some of Allais s puns Alphonse Allais has been described as the greatest humorous writer ever In the words of Lisa Appignanesi Allais was a consummate absurdist From an ordinary phenomenon simple sentiment or situation he would logically deduce the looniest most macabre and most unexpected result His humour kept all Paris high and low waiting breathlessly for the paper which would carry his next tale On first publication in 1976 Clive James in the Observer said Allais has been dead 70 years but his mocking tone ensures him a permanently relevant after life And John Sturrock in the New Statesman Allais stands along with Jarry at the head of the most dazzling and highly educated tradition of French humour as witty as it is whimsical Faber Finds offers this rare book as a tribute not only to Alphonse Allais but also Miles Kington two great humorists in tandem
