

# What do we know about our Intimate Relationships?

Three levels of relationship knowledge (Fletcher, 2002):

- General beliefs and values re: social behavior
  - “Look out for #1”
- General beliefs and values re: relationships
  - “Love conquers all.”
- Specific beliefs and values re: one particular intimate relationship

# Our Intimate Relationships

**Barry Dym, Michael Lyon Glenn**

## **Our Intimate Relationships:**

**Woman to Woman** Daniela Granzotto, 2012-08-01 Intimate relationships play a central role in women's lives. After all, experiencing a deep bond with a loved one is critical for a woman's sense of identity and emotional well-being. Finding true love, however, has its challenges and adversities. You may, for instance, experience infidelity in your relationship, have a partner who fails to respect your boundaries or feel deeply sad and lonely in your marriage. You may be a woman whose relationship is crumbling or is enduring the end of a marriage. You could also be a woman who has a strong desire to marry but can't find your soul mate. In *Woman to Woman*, you will read about women who experienced such challenges as well as those who were able to find fulfillment in their romantic relationships. In their own words, they talk about marriage, sex, infidelity, divorce, and single life. Entwined within their stories, Dr. Granzotto discusses critical issues that characterize a healthy intimate relationship. In the same way that a woman speaks intimately to another, she provides her expert knowledge and insight that will empower you with a better understanding of yourself and your love life. *Our Intimate Relationships* Ollie Pocs, 1994

**Intimate Partners** Maggie Scarf, 2010-12-15 Anyone involved in embarking on or yearning for an intimate relationship should buy, borrow, or steal *Intimate Partners*. New Woman. What goes on in our intimate attachments? What patterns of relationships do couples tend to follow, and why? The bonds we create affect every aspect of our lives, and yet our grasp of them is limited by our emotional reactions and learned responses. Now, in *Intimate Partners*, bestselling author Maggie Scarf gives us the classic book on marriage, on how love relationships are formed and how they change over the course of the marital cycle. Here, you'll discover how to understand one's inherited emotional history and how it fits with a partner's; the fascinating ways in which power and control and intimacy and autonomy exert strong effects upon the kind of partnership two people create; surprising observations on the role of sex and the impact of children on marriage; why change can be experienced as a form of betrayal; and how to ensure that a relationship matures with and is not impeded by each individual's growth. Simple exercises that couples can do to resolve tensions and change the nature of the world they share; verbal and physical techniques to cope with sexual difficulties and enliven a couple's connection during sex; straightforward methods for how to engage in healthy, not dysfunctional, quarrels. *Intimate Partners* is a book that changes not only how we view love relationships but also how we live them. Every marriage contains a story, and it begins long before the wedding. Maggie Scarf tells us in her ambitious, thought-provoking, ultimately compelling study. Read it and feel consoled. USA Today. Listen to Maggie Scarf and you'll come away thinking that yes, marriage can be tough. Living long-term with another person is one of the greatest challenges there is, but it's well worth the effort. Chicago Tribune. Provocative, Scarf writes lucidly and convincingly. The Washington Post Book World. **Intimate Relationships** Mavis Klein, 2013-09-27 If human life, as the author argues, is a constant and desperate bid to compensate for our mortality, then the desire to love and to be loved is our greatest imagined panacea against the fact of our death. In modern Western society, our problems have changed, now with our

stomachs full our need to feel we are struggling to survive has become increasingly focussed on a growing dissatisfaction and insecurity in our personal relationships Drawing on her 35 years experience as an individual and group psychotherapist Mavis Klein here elaborates her original theory of five basic personality types ten compound types and fifteen ways in which the basic types interact with each other in our relationships to others She clearly elucidates the behaviours that disguise our often self induced pains and how these pains can be transmuted into our greatest talents and joy This book addresses the reality of the world we are so often unwilling to accept the irrational and violent world of shame doubt guilt fear love and hate

**Building Intimate Relationships** Rita DeMaria,2013-08-21 First Published in 2003 Routledge is an imprint of Taylor Francis an informa company *Love and Intimate Relationships* Norman M. Brown, Ellen S. Amatea,2013-06-17 Using a style that draws students into the ongoing inquiry into how intimate relationships work *Love and Intimate Relationships* investigates the life cycle of relationships influences that affect them theories behind them and ways to improve them Dozens of stories from students themselves case examples and over 150 tables figure and the cartoons of Don Edwing of Mad Magazine help bring the material alive The book is also unique in exploring aspects of human relationships not covered in other textbooks on the subject *Love and Intimate Relationships* helps bring the complex issues surrounding intimate relationships into focus for students from diverse backgrounds The multidisciplinary perspective of the textbook makes it ideal for introductory courses in psychology marriage counseling human relations and sexuality and interpersonal relationships

**Intimate Relationships** Wind Goodfriend,2020-07-30 Recipient of a 2021 Most Promising New Textbook Award from the Textbook Academic Authors Association TAA *Intimate Relationships* provides students with a comprehensive understanding of the science behind relationships using a modern approach Award winning teacher and author Wind Goodfriend integrates coverage of family and friendship relationships in context with research methods open science theories and romantic relationships so that readers can learn about all types of relationships and their interactions including conflict and the dark side of relationships The text supports today s students by frequently applying relationship theories to examples that can be found in popular culture helping students see how psychology can apply to the world that surrounds them Included with this title The password protected Instructor Resource Site formally known as SAGE Edge offers access to all text specific resources including a test bank and editable chapter specific PowerPoint slides

**The Psychology of Love and Hate in Intimate Relationships** Katherine Aumer,2016-06-23 Social psychology has made great advancements in understanding how our romantic relationships function and to some extent dissolve However the social and behavioral sciences in much of western scholarship often focus exclusively on the more positive aspects of intimate relationships and less so on more controversial or unconventional aspects The goal of this volume is to explore and illuminate some of these underrepresented aspects aspects such as non monogamy female orgasm sadism and hate that often function alongside love in intimate relationships Ultimately by looking at intimate relationships in this way the volume contributes to and advocates

for a more holistic and comprehensive view of intimate relationships Throughout the volume contributors from social clinical and evolutionary psychology cover love and hate from a variety of sometimes opposing perspectives The first section covers love and the changing landscape of intimate relationships Its chapters review the current literature and research of understudied topics like non monogamy female orgasm sexual fantasies and the viewpoint of love as something other than positive The second section explores hate and how hate can operate in intimate relationships for example the appearance of sadistic behavior and debates the nature of hate as either a motivation or emotion The volume concludes by looking at ways in which the appearance of hate in relationships can be dealt with and overcome successfully Taken together these two sections reflect the full variety of experiences within intimate relationships With the aim of exploring how love and hate can and frequently do work together The Psychology of Love and Hate in Intimate Relationships is a fascinating psychological exploration of intimate relationships in modern times It is an invaluable resource to academics and students specializing in psychology gender and sociology including clinicians and therapists and all those interested in increasing our knowledge of intimate relationships

**Intimate Relationships** Ralph Erber, Maureen Erber, 2016-01-08 Intimate Relationships covers both classic and current material in a concise yet thorough and rigorous manner Chapters range from attraction to love attachment to jealousy conflict to relationship dissolution all written in a warm personal and engaging voice Each chapter is organized around the major issues and relevant theories in addition to a critical evaluation about the research When appropriate the authors discuss and evaluate popular ideas about relationship processes in the context of scientific research This includes critical evaluations of evolutionary approaches to attraction victim based accounts of abuse and the separate cultures view of the sexes

**Couples** Barry Dym, Michael Lyon Glenn, 1993 Everyone in or out of a relationship has wondered how couples work and what makes them successful or unsuccessful long lasting or short term In this insightful refreshingly nonjudgmental book Barry Dym Ph D and Michael Glenn M D chart the stages of a couple s journey together and offer a provocative glimpse of the complex birth and development of intimate partnerships At the heart of Couples the authors identify three distinct yet recurring stages common to all enduring relationships We learn that couples begin with a period of Expansion and Promise a time when each individual feels somehow larger more witty and charming in short the best person that he or she can be The intensity of Expansion cannot last though and inevitably will move into Contraction we each pull back into our more habitual ways enact or demand more stereotypical gender roles and feel disappointed and betrayed Couples who weather the storm of Contraction and long term couples will experience many of them will resolve their struggles and move into a time of Resolution when intimacy is renewed and each individual can become more complete containing both their best and worst selves But Couples is much more than a map Illustrating their ideas with in depth examples Drs Dym and Glenn reveal how a couple s identity is shaped by these stages and the powerful cultural expectations of society friends and family who tell us what a couple should be Couples analyzes how recurrent patterns are established

and the impact of gender issues children and the serious crises that occur in any lifetime Finally the authors offer accessible suggestions for applying these concepts to one's own relationship guiding couples and individuals in how to manage their own periods of turmoil and transition Original engaging and thoughtful Couples uncovers the essence of our most intimate relationship ultimately it offers a striking portrait not just of whom we love and why but who we are

**Navigating Intimate Relationships** Kanika K. Ahuja,2025-04-29 This book spotlights the complexities of relationships drawing on theories that have guided relationship scholars classic studies and current research juxtaposed with the current Indian milieu While some believe that the study of interpersonal

relationships lacks academic rigour this book argues that relationships not only play a critical role in human behaviour and development but also are central to our well being happiness and health One of the first mainstream books in India to address relationships beyond the binary of man woman this volume presents an inclusive view of gender and sexuality including non heterosexual relationships It also touches on multiple types of relationships in the 21st century such as mixed families singles live in living apart together LAT role of dating apps and so on This book would be useful to students researchers and teachers of Psychology Applied Psychology Mental Health Sociology Family Studies and other allied disciplines It will be a useful guide for students to build and maintain relationships and practice positive relational attitudes like self acceptance gratitude and forgiveness It will also be an equally indispensable resource for counsellors researchers practitioners in mental health family caregivers relationship counsellors and professionals in related fields

**The Shadow Side of Intimate Relationships** Douglas Moseley, Naomi Moseley, The Shadow Side Of Intimate Relationships takes a very real look at intimate relationship and what is occurring beneath each partner s surface awareness when un nourishing patterns of behavior begin to get locked into place It sheds light on aspects that intimate partners seldom recognize or want to confront and takes the view that both partners must become more aware of themselves at deeper levels warts and all if they want to experience an authentic enduring love Doug and Naomi Moseley are experts when it comes to the underbelly shadow side of relationships This book is a must read for folks who desire a deeper understanding of marriage dynamics John Bradshaw author Healing the Shame That Binds You A real book for real people who are lost in power struggle and want to find their way to love and passion in marriage John Gray Ph D author Men Are from Mars Women Are from Venus With incredible clarity uncompromising truth and rare and refreshing wisdom the Moseleys have written a life changing book that will help couples create profoundly intimate relationships Marriage Magazine Terrific A great leap forward in the process of personal development through relationship Very highly recommended Brugh Joy M D F A C P author Joy s Way Avalanche The authors have managed to integrate deep psychological information into a down to earth workable model This book is a must read for individuals couples and helping professionals Pat Love Ed D Past President International Association of Marriage and Family Counselors co author Hot Monogamy an invaluable resource for understanding the full range of life s most rigorous spiritual practice the art and craft of relationship This book gives a realistic and inspiring view of how enriching and challenging an authentic intimate relationship can be Angeles Arrien Ph D Cultural Anthropologist author The Four Fold Way Signs of Life

**Understanding Marriage, Family, and Intimate Relationships** Jerry D. Lehman, 2005 This introductory textbook is for students who are interested in learning about and establishing healthy marriage family and intimate relationships With divorce rates high and relationships fragile books and courses are needed that help students address important issues regarding relationships The readers of this text examine many important and relevant issues through the lens of theory and research and do so using a written format that is readable understandable and easy to apply

to one's life. It was written so that each chapter has information that readers will find helpful as they attempt to establish and maintain meaningful healthy relationships. There are questions throughout each chapter that help readers focus not only on the material but also on how the material relates to their present and past relationship and family situations. The text provides material on the research of John Gottman, the object relations theory of Harville Hendrix, the solution-focused approach of Michele Weiner Davis, and the PREP approach to conflict management of Markman, Stanley, and Blumberg. These and other topics discussed are very relevant to students' concerns and are addressed in greater depth than found in most other texts. The emphasis is not just on couple relationships but also on family relationships. Therefore, in this book, there is extensive coverage of family systems theory and the influence of family rules and family structure on the development of families. There is also material on how change produces transitions in family life that must be assimilated into the family structure, for example, when a couple has their first child. Thus, both couple and family issues are addressed throughout the book. For instructors who want to focus their courses on marriage, family, and intimate relationships, this book would be an ideal choice. A study guide for students and instructional material for instructors can be obtained by visiting [www.understandingrelationships.net](http://www.understandingrelationships.net).

*Affective Inequalities in Intimate Relationships* Tuula Juvonen, Marjo Kolehmainen, 2018-06-27. Raising to the challenge of how to grasp such forms of inequalities that are mediated affectively, *Affective Inequalities in Intimate Relationships* focuses on subtle inequalities that are shaped in everyday affective encounters. It also seeks to bridge a gap between affect theory and empirical social research by providing ideas and inspiration of how to work with affect in research practice. Presenting cutting-edge empirical studies on affect and intimate relationships, the collection introduces alternative and novel ways of conceptualizing the workings of affect in intimate relationships, provides tools for tackling the subtle ways in which affectivity connects with power relations in intimate relations, develops innovative methodologies that provide better access to affect as an embodied experience. A fascinating contribution to the interdisciplinary field of affect studies, *Affective Inequalities in Intimate Relationships* will appeal to advanced undergraduates and postgraduates interested in fields such as gender studies, queer studies, and cultural studies.

**The Science of Romantic Relationships** Theresa DiDonato, Brett Jakubiak, 2023-08-31. Following the lifecycle of romantic relationships, this textbook offers a fresh, diversity-infused introduction to relationship science. **Happy Relationships** Lucy Beresford, 2013-01-01. Psychotherapist Lucy Beresford gives practical guidance on how to have harmonious relationships with partners, family, in work, or with yourself. *Logged In and Stressed Out* Paula Durlofsky, 2020-12-21. Social media is here to stay, and *Logged In and Stressed Out* presents the right information and tools to improve our lives through examining and changing our digital habits. America is facing a mental health crisis. Studies show that the average American is spending more than 10 hours a day in front of their screens; suicide rates are at an all-time high, and mental health professionals are working hard to address social media's role in this epidemic. Social media can sometimes

feel like an unpredictable roller coaster ride One's mood can swing from elated after getting a slew of likes on a post to worthlessness and deflation in response to being criticized in a comment thread Too often bad feelings from social media interactions linger negatively affecting our off line lives and worsening already present mental health issues Instead of demonizing social media by taking a one note digital detox approach Logged In and Stressed Out recognizes social media is not itself the problem it's how we use it that needs examining Paula Durlofsky guides readers through its impact on break ups and infidelities social distortion and comparison trauma and triggers social media bingeing depression anxiety and other common concerns using real stories from her own practice to personalize concepts and recommendations By setting needed limits and embracing new practices it is possible to improve mental health when using social media Durlofsky details the whys and hows of creating a safe digital space cultivating digital and social media mindfulness applying the techniques of metalizing while consuming social media and decreasing social media and digital reactivity She offers suggestions for how to use social media and digital technology to create meaningful social interactions and positive mental health and provides readers with practical steps to put these ideas into action Social media is here to stay and Logged In and Stressed Out presents the right information and tools to improve our lives through examining and changing our digital habits

**The Developmental Course of Romantic Relationships** Brian G. Ogolsky, Sally A. Lloyd, Rodney M. Cate, 2013-07-18 Recipient of the 2014 International Association for Relationship Researchers Book Award This multidisciplinary text highlights the development of romantic relationships from initiation to commitment or demise by highlighting the historical context current research and theory and diversity of patterns Engagingly written with colorful examples the authors examine the joy stress power struggles intimacy and aggression that characterize these relationships Readers gain a better understanding as to why even after the pain and suffering associated with a breakup most of us go right back out and start again Relationships are examined through an interdisciplinary lens psychological sociological environmental and communicative perspectives are all considered End of chapter summaries lists of key concepts and additional readings serve as a review As a whole the book explores what precipitates success or failure of these relationships and how this has changed over time Highlights of the book's coverage Incorporates both cross sex and same sex romantic relationships Examines the roles of gender race class culture age and sexuality in relationship development Looks at multiple types of romantic relationships in emerging adulthood including dating and cohabitation Explores both positive and negative relational processes Analyzes the latest and most important scholarship The book opens with an introduction followed by a historical overview of the development of relationships Next relationship development models are examined including the influence of social factors and the interaction of the partners involved This volume examines how partners initiate romantic relationships including infatuation sexual attraction and the impact of technology how cohabitation affects the quality of the future of the relationship and the individual social and circumstantial factors that predict stability or break ups in romantic relationships The book ends with

an examination of the dark side of relationships and suggestions for future research on romantic pairings Intended as a supplement for advanced undergraduate or graduate courses in marriage and family personal close intimate relationships or interpersonal family communication taught in human development and family studies psychology social work sociology communication counseling and therapy this book also appeals to researchers and practitioners interested in the romantic relationship processes

### Our Intimate Relationships Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Our Intimate Relationships free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Our Intimate Relationships free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Our Intimate Relationships free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Our Intimate Relationships. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be

cautious and verify the legality of the source before downloading Our Intimate Relationships any PDF files. With these platforms, the world of PDF downloads is just a click away.
