Our Journey West:

Our Journey West Gare Thompson, 2003 Illustrated text letters and diary excerpts follow the fictional Marshall family as they travel from New York State to the Oregon territory by wagon train in the 1850s **"Huelgai"** Linda Locke, 2015-11-10 Linda Locke's work in the Delano Grape Strike was her first venture into social work. It became a lifelong passion. While she might not be able to change the world, Locke knew she could improve a small part of it. She discovered that by working hard and securing adequate data, one could improve the lives of children of farm laborers. The systematic starvation of the children could be stopped and lives improved. Miracles seldom happen, but they can be made. Working with farm laborers made miracles happen, such as the Contra Costa Solano Food Bank and three warehouses of food and supplements supply two counties in California. Fresh foods and vegetables were available. The price was free to those in need. This was the first step in Locke's personal war to serving the poorest people in the United States. At the time, wages were 65¢ an hour. This was a lesson to a beginning social worker that even here in rich California, hunger happens. The farm laborers asked a living wage, not a dying wage. The Farm Labor Union helped the farm laborers. Food Banks are appearing in many places. STARVATION IS NOT ACCEPTABLE. Do something about it. **The Voice Bible** Ecclesia Bible Society, 2012-04-09 The Voice is a faithful dynamic equivalent translation that reads like a story with all the truth and wisdom of God's Word. Through compelling narratives, poetry, and teaching, The Voice invites readers to enter into the whole story of God, enabling them to hear God speaking and to experience His presence in their lives. Through a collaboration of nearly 120 biblical scholars, pastors, writers, musicians, poets, and artists, The Voice recaptures the passion, grit, humor, and beauty that is often lost in the translation process. The result is a retelling of the story of the Bible in a form as fluid as modern literary works, yet painstakingly true to the original manuscripts. Features include: Two color text, Italicized information added to help contemporary readers understand what original readers would have known intuitively. In-text commentary notes that include cultural, historical, theological, or devotional thoughts. Screenplay format ideal for public readings and group studies. Book introductions. Presentation page for personalization. Reading plans for Lent, Easter, Advent, and more. Topical Guide to the Notes. Topical Guide to the Scripture. Part of the Signature Series line of Thomas Nelson Bibles. Phantom Signs Philip Brady, 2024-01-12 What are the paradoxes of the writing life especially for a writer who represents the work of other writers Philip Brady poet at Youngstown State University and publisher at Etruscan Press begins Phantom Signs pondering this question from his dual perspective as a professional writer and small press publisher This book emerges from the tension between these modes of being in the world the writer s dark the editor s light With humor grace and intelligence this collection of personal essays comprises a reflective memoir offering insights into the way that art affirms and resists identity Rather than recounting events chronologically Brady lets the muse meander through discourses on childhood poems heart surgery basketball Homer and po biz featuring a cast of characters that range from the Sea Nymph to The Three Stooges Throughout Brady plays on the creative tension between poetry s dual means of apprehension sound and text Fixed yet ephemeral poems make phantom signs From this viewpoint poetry is not merely a canon or even a literary genre but a way to reshape mind and world and what a world bars hospitals swimming pools bandstands publishing offices hoops courts prisons mythic love trysts and descents into the underworld as well as classrooms

from four decades on three continents Brady's experiences will ring true not only for those who would peer behind the curtain into the writer's life but also for those who wrestle with the implications of their own aging Readers who fear that poetry is bound by anthologies cliques and textbooks will be heartened Shimmering with lyrical prose clever wordplay and a lifetime's immersion in literature Brady's reflections on the power of the muse are essential reading
