Gardner Dozois, Jack Dann

Our Lady Of Chernobyl:

Our Lady of Chernobyl Greg Egan, 1995 For science fiction fans these four short stories blend the cutting edge of new technology with the nature of human kindness to produce tales of great contrast and complexity Chaff takes us on a journey into the South American rainforest where a researcher has bioweapons with extensive powers Beyond the Whistle uses applied neutral mapping as its theme Transition Dreams deals with the realms of electronic brains and Our Lady of Chernobyl takes a futuristic look at the consequences of conflicts born out of disputes between history and progress This first edition is limited to 500 copies Includes a bibliography

Our Lady of the Nations Chris Maunder, 2016-02-18 Our Lady of the Nations is a detailed and scholarly overview of the apparitions of Mary in 20th century Catholic Europe Chris Maunder discusses apparitions in general and how they are interpreted in Catholicism by for example Karl Rahner and Benedict XVI The role of women and children as visionaries is considered including issues concerning changing views of gender children s spirituality and the protection of minors He covers cases that are well known and approved by the Church Fatima Beauraing Banneux and Amsterdam others that are well known but not approved such as Garabandal and Medjugorje and many that are neither well known nor approved such as those in Belgian Flanders or Nazi Germany in the 1930s or in France Italy or Germany after the Second World War Resources include academic studies of particular apparitions some Catholic theological and devotional literature and occasionally travel writing There is also coverage of material in French which is not known to the English reader Shrines and visionaries are believed to be indicators of the presence of Mary In the visionary perspective she has appeared in order to reassure her followers and to warn of divine judgement Her messages echo doctrinal Catholic Mariology with some innovations but also express a deep dissatisfaction with the events and trends of the 20th century from communism to Nazism to liberalism and religious indifference While the Marian cult evolves according to new templates for apparitions and developments in Mariology the fundamental message of presence consolation and admonition remains constant

Dysphoria Mundi Paul B. Preciado, 2025-04-15 A revolutionary book tracing the collapse of the paradigms that have organized the world for centuries In *Dysphoria Mundi* Paul B Preciado best known for his 2013 cult classic *Testo Junkie* has written a mutant text assembled from essays philosophy poetry and autofiction that captures a moment of profound change and possibility Rooted in the isolation of the COVID 19 pandemic and taking account of the societal convulsions that have ensued Preciado tries to make sense of our times from within the swirl of a revolutionary present moment The central thesis of this monumental work is that dysphoria to be understood properly should not be seen as a mental illness but rather as the condition that defines our times Dysphoria is an abyss that separates a patriarchal colonial and capitalist order hurtling toward its end from a new way of being that until now has been seen as unproductive and abnormal but is in fact the way out of our current predicament With echoes of visionaries such as William S Burroughs and Kathy Acker Preciado s theoretical writing is propelled by lyric power while providing us with a critical toolbox full of new concepts that can guide

our thinking and our actions transition cognitive emancipation denormalization disidentification electronic heroin digital coups necro kitsch Dysphoria Mundi is Preciado's most accessible and significant work to date in which he makes sense of a world in ruins around us and maps a joyous radical way forward

The A to Z of Belarus Vitali Silitski Jr., Jan Zaprudnik, 2010-04-07 The political map of Eastern Europe changed dramatically in December 1991 when the leaders of Belarus Russia and Ukraine huddled together in a Bielavieza Forest retreat and decided to dissolve the 15 union republics which composed the Union of Soviet Socialist Republics USSR One of those republics was the Belorussian Soviet Socialist Republic BSSR A United Nations member since 1945 Belarus has a rich cultural heritage that is seen as a promising base for the development of a solid national identity and for real independence It is this cultural heritage and sense of history that nourish the ongoing efforts of the nationalist minority as well as the larger democratic opposition to resist the regime of President Alaksandr Luka enka who is bent on restoring ties to Russia Thus Belarus with its burdens of the past and potential for the future finds itself in a struggle that will affect not only its own destiny but also the international structure of Eastern Europe The A to Z of Belarus through its chronology introductory essays appendixes map bibliography and hundreds of cross referenced dictionary entries on important persons places events and institutions and significant political economic social and cultural aspects traces Belarus history and provides a compass for the direction the country is heading

Cold War Mary Peter Jan Margry, 2021-01-28 One hardly known but fascinating aspect of the Cold War was the use of the holy Virgin Mary as a warrior against atheist ideologies After the Second World War there was a remarkable rise in the West of religiously inflected rhetoric against what was characterised as godless communism The leaders of the Roman Catholic Church not only urged their followers to resist socialism but along with many prominent Catholic laity and activist movements they marshaled the support of Catholics into a spiritual holy war In this book renowned experts address a variety of grassroots and Church initiatives related to Marian politics the hausse of Marian apparitions during the Cold War period and the present day revival of Marian devotional culture By identifying and analysing the militant side of Mary in the Cold War context on a global scale for the first time Cold War Mary will attract readers interested in religious history history of the Cold War and twentieth century international history

The Wormwood Prophecy Thomas Horn, 2019 Is the star from Revelation 8 already headed toward Earth What's more do government officials already know the answer to that question Traditional scholarly interpretation claims that the Wormwood star will be an asteroid Others postulate that it will poison one third of all of Earth's waters and we may not even notice it Others believe the star could hit without returning like an angel of God appearing in the sky with fire and light bringing judgement in an instant Do prophecies from ancient cultures and religions across the globe point to this catastrophe Have scientists and politicians taken extreme measures to keep this under the public radar Is this why President Donald Trump sanctioned a colossal increase to planetary defense Follow Thomas Horn as he blazes through these questions and many others posing answers that few in the church today are willing to provide Back cover
