Dr. Roger B. Proffer,2023-04-24 In the many years that our Lord Jesus Christ has given me I have served as a businessman humanitarian missionary evangelist pastor and teacher In service to humanity I spent a season as a councilman working to improve our city Crystal River Florida where I now call home As a member of Rotary International I served as president of one of the local Rotary clubs and later as governor of District 6950 located on the west coast of Florida In this position I collaborated with missionaries in Mexico Honduras and Guatemala overseeing humanitarian projects For this part of my journey I received from Rotary International their highest award Service above Self I receive Christ as my Lord and Savior at the age of thirty two after I was told that I had little time to live because of lung disease After Bible college my wife Linda and I traveled to Harlingen Texas to do mission work in Mexico During this time my health returned and I started the study of the Tabernacle of Moses After this period we traveled throughout Texas as an evangelist and for family reasons we then moved to Florida Over the years I have pastored a church did evangelistic work and taught this study at the Revelation School of Ministry Losing My Religion Ria Barna,2008-03-31 We all own a very special key It is the key that unlocks all that we are and all that we could ever want and dream of wanting Access to this key is so simple yet we make it so hard This key is always there waiting for us to use it to unlock our treasure chest and to release the power within it We all want so badly to be the winner of the big lottery but little do we know we already are the winner We think winning the lottery will give us the power to do what we want with our lives If we only knew that all the power is already within us They say that in the last days the hearts of many men will fail because of fear Our hearts fail every time we make a decision based in fear instead of believing to trust what is in our hearts Our heart is each and everyones very own treasure chest that is open every time we choose to believe what is in it Now if the key to all our happiness is in our treasure chest which lies within our heart wouldnt it make sense that our number one priority in life would be to discover our heart and what lies within it Every time we make a decision aligned with our heart we tap into our power and release a potent and invisible energy into the world This energy in turn orchestrates the universe to reflect back into our lives that ultimately leads us to fulfill our purpose We must believe that all of lifes experiences situations and relationships are there to take us on a great journey A journey that creates opportunities for self discovery and that promotes self growth and awareness One experience of life is death However it is not death in the physical sense but in a spiritual sense It is dying to who we thought we were and dying to what we thought we believed and to how we defined ourselves A lot of what we thought really isnt even our own thoughts They are actually thoughts we adopted from others They are thoughts and beliefs imposed on us by others beginning right down to when we were babies In this process to self discovery we must cut off the junk we gathered in life that are not our own in

order to become in alignment to who we are God is the very essence of life the life within us and the life outside us As we continue the path of self discovery happiness is sure to follow The compass that should aid us in our journey is called bliss Following our bliss is the key to what is in your heart and ultimately to be one with God The key to our fulfillment in life is not to create separation between who God is and who we are We are one with God We are cocreators with God and we have the power to create whatever we want Life-Study of Exodus Witness Lee, 1987-12-01 In the Lord's recovery during the past five hundred years the church's knowledge of the Lord and His truth has been continually progressing This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries It is filled with the revelation concerning the processed Triune God the living Christ the life giving Spirit the experience of life and the definition and practice of the church In this set Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation development and expounding of the truths contained in the Scriptures The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people the second principle is that we should interpret develop and expound the truths contained in the Bible with Christ for the church and the third governing principle is Christ the Spirit life and the church No other study or exposition of the New Testament conveys the life nourishment or ushers the reader into the divine revelation of God's holy Word according to His New Testament economy as this one does I Made It Through My Testimonies With God's Powerful Help Tamara K. Cooper, 2022-09-13 I Made It Through My Testimonies with God's Powerful Help talks about my life how God has brought me through it how He gave me strength to get through it He spared my life so many times I could not have gotten through them without Him that's why I want to share my testimonies with the world because I don't know what people are going through Some people might be going through what I've been through If God can bring me through I know that He can bring you through what you are going through You just got to trust Him and believe in Him There's nothing too hard for God

Testimony Mark Zarr, 2012-01-27 Have you ever been disappointed by the church Do you find yourself feeling as if you are on the outside looking in For many of us church religion and even God seem to be unattainable Whether we have been burned never truly accepted or lost in the sea of programs and church growth strategies we all sense that something is off Where is the Grace Love and Mercy that Christ came to share with us all Miraculous stories abound of lives that have been turned around But where is the proof of changed lives At some point shouldn't we see these transformations The truth is that God's grace is for everyone We have all fallen short but that is only the beginning of our story Only God's testimony is powerful enough to save us from ourselves Our story should not be told in words but should be lived and explored through our daily walk We should not merely talk about grace and mercy and love when we have been given the amazing gift by Christ's death and resurrection to show grace mercy and love Our real testimonies are defined not by who we were but by who we are willing to become *Can I Get a Witness*, The Spiritual Battle With The Mind Paul R. Hillman, 2013-07 The

focus of the book is to let the readers know that the Devil's focus is to use the mind as a place of isolation. He will try to bring back the past of fear to block one from reaching his or her own destiny. This book tells you that only the word of God brings healing to the mind. In addition, only the word of God can bring restoration to a mind that is wrestling and a heart that is broken. When you finish reading this book, you will be able to get past your past from the old you into a brand new you. It all begins in the belief in your mind.

Divine Messages and Inspirations Dr. Moses Anyanwu, 2011-12-30 The word of God declares in John 3:34, "For he whom God sent speaketh the words of God for God giveth not the Spirit by measure unto him." The word of God declares that He has given us His Spirit without measure, and we often read this from the Prophetic books of the Bible, and the word of the Lord came to me. The same God who spoke to the people of old still speaks today to men and women. He has called this book *Divine Messages and Inspiration* is divine because these are purely truths from the heart of God, and it is inspired because these are direct inspirations from the Holy Spirit to His servant Revd Moses Anyanwu. The author of this book is a man called by God who has been used by God around the world in conferences, Seminars, Revivals, church planting programs, television and radio ministry, School of Ministries, etc. As an Apostle of faith who believes in hearing and speaking what God says to him anywhere at any time, he is sensitive to what the Holy Spirit has to say to the people of God. This book contains some of those words God spoke to him while he was in the mission field ministering to people worldwide. In his 23 years of full-time ministry preaching around the globe, the word of faith from his mouth, inspired by the Holy Spirit, has blessed millions of people through his televangelism program *Hour of Grace*, and many have testimonies of healing, deliverance, and signs and wonders. To God be the glory as you read this book, you will be divinely inspired by the Holy Spirit and blessed to do great things. Amen.

Leisure Resurrected Jeffrey Paul Crittenden, 2023-04-10 As the church emerges from the impact of COVID, how will it reimagine its mission? With all the disruption COVID caused, comes an opportunity for congregations. How will the local church organize itself, engage with the neighborhood and world, and offer pastoral care to a planet dealing with the significant issues heightened during COVID? Returning to old patterns of behavior is a wasted chance. A theological opportunity for the church lies in rediscovering the classical aim of leisure. The early church during the first two centuries offers us an understanding of leisure quite unique from the dominant expressions of leisure such as Greek *scholē*, Roman *otium*, and the Jewish Sabbath. By exploring early Christian practices, we can find insights about leisure for mission today. These practices include setting aside a single day of the week to worship, sharing in a common meal open to all, and following the meal incorporating into nonwork time care and engagement in the health and vitality of the community in the name of Jesus Christ. The followers of Jesus were consistent if extraordinary in meeting weekly on the Lord's Day to worship, eat together, and go out into the neighborhood to live out their faith.

Family in Mission Johannes Reimer, 2020-06-30 Innumerable books have been written about successful outreach and evangelism, yet almost none address the centrality of the family as God's intended vehicle for experiencing life, community, and growth. In this timely and powerful

book Johannes Reimer urges us to rediscover the family as a primary agent for mission in the world Offering both a theological and practical foundation for understanding the role and significance of families in the vocation of the church this book also provides creative ideas for implementing a family centered praxis that offers preparation and support to families living out their calling to make Christ known To ignore the family Reimer warns is to ignore the church s greatest resource for transmitting truth communicating love and embodying the gospel If we are to be effective in making disciples of all nations we must start in our own homes

Unconditional Devotion Maud A. Rider,2011-10-31 Throughout my entire life as far back as I can remember I felt a

deep conviction in my heart for people to serve God righteously and in truth However my sinful life ruled but despite how firm or deep the bondages were my craving to serve God and live as I read in the old Bible my father had could not be satisfied by nothing in this world But despite my bondage when my life was at the lowest point in my thirties the Lord came to me and told me Jesus is the answer he knows all our needs Jesus is the answer he cares Give your life to Jesus and trust him today For Jesus is the answer we need Shortly after I was called to preach The Lord is Holy Direction was later given in dreams to write God has called and is calling man to an unconditional dedicated devoted relationship and fellowship with him Nothing God does he does different from his word nothing he commands man to do can be done differently and be acceptable unto him for works done differently from a command is not done as instructed Unconditional Devotion is the supreme power that kept every person that ever lived righteously in the earth pleasing unto God Those that claimed life in God and was alive in God had no other sanctification before God but obedience to the word Let us not forget that the word of the LORD is right and all his works are done in truth Ps 33 4

Trust God Even In The Fiery Furnace Rondie Ervin Harris, MD, 2013-10 So many people are defeated by life's trials and tribulations because they put their trust in man and not in God Trials will always occur in some form or fashion in our lives We are either entering a trial in the midst of a trial or getting over a trial When we go through trials we all react differently especially when we face fiery trials and tribulations Your fiery trial may be different than mine Fiery trials may involve your health finances family problems addictions legal problems homelessness and poverty Some people react to trials through worldly solutions such as alcohol drugs and searching for answers in all the wrong places from all the wrong people Some people check out completely by committing suicide because they feel that there is no other way out of their circumstances Some people go to God for answers and they find peace because they trust God to solve their problems This book teaches us to trust God in all circumstances no matter what our fiery trials may be Proverbs 3 5 and 6 says Trust in the Lord with all your heart and lean not on your own understanding In all your ways acknowledge him and he shall direct your paths We should trust God even in the fiery furnace just like Shadrach Meshach and Abednego did when they had their fiery furnace trial This book reveals how you can have hope in hopeless situations comfort and joy in the midst

of suffering and peace in the midst of chaos when you trust God even in the fiery furnace
