Our Lizzie:

Lizzie's Luck Vivienne Loranger, 2014-10-17 Being born on Friday the 13th unlucky for some It was for Lizzie Orphaned at ten was just the beginning And when fate threw in the added tragedies of further deaths thwarted loves and mishaps in her nursing career it only served to give credence to Lizzie's long held superstition regarding her unlucky birth date However with tenacity and fortitude as tools for survival she was to realize that if any of her objectives in life were to be met it could only happen through belief in herself and not in destiny The Ladies' Repository, 1853 **Kasia's Story** Ken Parejko, 2023-11-25 After the death of her husband Katarzyna Weiglowska Kasia begins to find her own way in the world She and Melchior a bookish couple more interested in big ideas than new furniture had taken their first steps toward answering the question of whether the God in the Church was the same God they found in their hearts No longer in need of their big house in Krakow Kasia accepts an offer from Mosche Fiszal an old friend and customer of her husband's to move among his Jewish neighbors in Kazimierz The adventure of living as a Christian in a Jewish community and exploring Mosche's brand of spirituality helps to fill an emptiness in her heart On a trip to Silesia to visit Melchior's dying brother she and her son Andrzej cross paths with religious reformers Kasia joins a community who question their faith by attending salons held by free thinkers from Krakow's University She is shaken deeply when she learns that some of the reformers she has met have been executed for their beliefs But her letters to them asking deep questions about her faith have been intercepted by the Church She is tried for suspicion of heresy While in prison and after much soul searching she recants her apostasy and is released with the warning that the next time it will not go so easily for her Almost a decade later as the Polish legislature debates the question of what to do with the Jews who are competing with Christian merchants and it is said proselytizing their religion Kasia becomes the first woman invited to address the Polish Sejm When she throws Christ's words at them reminding them that the true Christian loves his or her neighbor she becomes persona non grata to the conservatives is re-arrested tried again and sentenced to burn as an unrepentant heretic Meanwhile in parallel chapters Poland's new queen Bona Sforza struggles to adapt to the Polish climate and culture Her relationship as a child with Leonardo da Vinci come to Milan to paint his Last Supper remains a touchstone of her life Married to the much older King Zygmunt Bona struggles to protect herself her inheritance and her children by building her own power base at Wawel Castle At her husband's request she begins a correspondence with the Ottoman Sultan Suleiman's wife Roxelana a Polish woman captured in a slave raid To strengthen her political base against her husband's she establishes a surreptitious line of communication with Istanbul a dangerous and potentially treasonous act Kasia's and the Queen's stories intersect when Kasia's fate falls into the Queen's hands After a miscarriage throws her into her own religious doubts will she follow her conscience and have Kasia released or will she give in to political expediency and hand the old woman over to the Church Mother Daughter Widow Wife Robin Wasserman, 2020-07-07 Finalist for the 2021 Pen Faulkner Award for Fiction From the author of *Girls on Fire* comes a sharp

and soulful and ferociously insightful Leslie Jamison novel centered around a woman with no memory the scientists studying her and the daughter who longs to understand Wendy Doe is a woman with no past and no future Without any memory of who she is she is diagnosed with dissociative fugue a temporary amnesia that could lift at any moment or never at all and invited by Dr Benjamin Strauss to submit herself for experimental observation at his Meadowlark Institute for Memory Research With few better options Wendy feels she has no choice To Dr Strauss Wendy is a female body subject to his investigation and control To Strauss's ambitious student Lizzie Epstein she is an object of fascination a mirror of Lizzie's own desires and an invitation to wonder once a woman is untethered from all past and present obligations of womanhood who is she allowed to become To Alice the daughter she left behind Wendy Doe is an absence so present it threatens to tear Alice's world apart Through their attempts to untangle Wendy's identity as well as her struggle to construct a new self Wasserman has crafted an artful meditation on memory and identity The New York Times Book Review and a journey of discovery reckoning and reclamation A timely examination of memory womanhood and power Time Mother Daughter Widow Wife will leave you utterly riveted BuzzFeed The Rev. John and a Few Philanthropists Cyrus Thomas,1903 **Servants and Paternalism in the Works of Maria Edgeworth and Elizabeth Gaskell** Julie Nash,2017-11-30 Writing during periods of dramatic social change Maria Edgeworth and Elizabeth Gaskell were both attracted to the idea of radical societal transformation at the same time that their writings express nostalgia for a traditional paternalistic ruling class The author shows how this tension is played out especially through the characters of servants in short fiction and novels such as Edgeworth's *Castle Rackrent* *Belinda* and *Helen* and Gaskell's *North and South* and *Cranford* Servant characters the author contends enable these writers to give voice to the contradictions inherent in the popular paternalistic philosophy of their times because the situation of domestic servitude itself embodies such inconsistencies Servants whose labor was essential to the economic and social function of eighteenth and nineteenth century British society made up the largest category of workers in England by the nineteenth century and yet were expected to be socially invisible At the same time they lived in the same houses as their masters and mistresses and were privy to the most intimate details of their lives Both Edgeworth and Gaskell created servant characters who challenge the social hierarchy thus exposing the potential for dehumanization and corruption inherent in the paternalistic philosophy the author's study opens up important avenues for future scholars of women's fiction in the nineteenth century **Golden Age** ,1926 **The Farmer's Companion and Horticultural Gazette** ,1853 **Rambles Round the Eildons.
