Garfinkel, 2021-06 The JPS Jewish Heritage Torah Commentary shows Jews of all ages and backgrounds that the Jewish people's most significant book is not dusty and irrelevant but an eternally sacred text wholly pertinent to our modern lives Designed to keep the attention of all readers each lively essay is both brief enough to be read in minutes and deep and substantive enough to deliver abundant food for thought Its cornerstone is its unique four part meditation on the Jewish heritage After briefly summarizing a Torah portion the commentary orbits that portion through four central pillars of Jewish life the Torah Torah Yisrael the land of Israel Eretz Yisrael the Jewish people Am Yisrael and Jewish thought Mahshevet Yisrael illuminating how the four intersect and enrich one another Furthering the Jewish thought motif every essay ends with two questions for thought well suited for discussion settings Each commentary can be used as the launchpad for a lesson a sermon a d'var Torah or a discussion Readers from beginners to experts will

come away with new understandings of our Jewish heritage and be inspired to draw closer to its four dimensions The Wonderful Teacher and what He Taught David James Burrell,1902 *C. S. Lewis and the Catholic Church* Joseph Pearce,2013 C S Lewis the great British novelist and Christian apologist has been credited by many including the author for aiding their journey to the Catholic Church For this reason it is often perplexing that Lewis himself never became Catholic In *C S Lewis and the Catholic Church* Joseph Pearce delves into Lewis s life writings and spiritual influences to shed light on the matter Although C S Lewis s conversion to Christianity was greatly influenced by J R R Tolkien a Catholic and although Lewis embraced many distinctively Catholic teachings such as purgatory and the sacrament of Confession he never formally entered the Church Meticulously researched and beautifully written this book digs deep to present the facts of Lewis s life to illuminate key points in his writings and to ask the question Was C S Lewis on the path to Rome This revised and updated edition with a new introduction by Father Dwight Longenecker is a fascinating historical biographical theological and literary account of a man whose writings have led scores to the Catholic Church despite never having become a Catholic himself
