Our Mothers' Shadow Bonita Constance, 2006-01-30 A secret society of women borne of gender oppression and brutality in the form of forced female circumcision existed for centuries in Africa They arrive on American soil via the slave trade adapting and ultimately thriving in the new world Today four young women raised together within the society try to fit in however their unusual upbringing their entry into womanhood and the unorthodox manner in which they relate to the world around them marks them and ultimately takes a tragic toll on most of their lives Ania the most intuitively gifted is the glue that holds the four together Strange conflicted and unabashedly sexual Ania must balance her desire to join the innermost circle of the society with a perverse rebellious streak which makes her long for fulfillment in other areas of her

life Ania's rebellious streak prompts her as an adult attorney to take a case defending a man accused of sexual contact with a minor female in the post Megan's Law era Ania doesn't notice that a terrible storm is brewing within the society A storm which will plunge her headfirst into a whirlwind of events that will mark her life and very soul in a manner she never imagined possible *The Names of My Mothers* Dianne Sanders Riordan, 2013-11-19 *The Names of My Mothers* is the touching story of the tender and all too brief relationship forged late in life between Dianne Riordan nee Susanne Sanders and her birth mother In 1942 Elizabeth Bynam Sanders was a young woman who left home under false pretenses and travelled to Our Lady of Victory a home for unwed mothers in upstate New York Shortly after surrendering her daughter for adoption she returned to her life in Johnston County North Carolina She never married and never had another child of her own This powerful and moving memoir speaks of the profound need for connection It is a story about identity the hunger we feel for a sense of belonging and the ineffable significance of blood **MEMORIES OF MURDER** Tim

The Metaphor of Gender Katherine Abetz,2025-01-06 Surely from now on all generations will call me blessed Luke 1 48 Trying to suppress sexual difference is to invite a genocide more radical than any destruction that has ever existed in History Luce Irigaray Gendered identity always a sore spot in church history looks set to become a major thorn in the cultural flesh Mary has played more than one part in that history often in constricting ways Is something missing here Where are the generations who call her blessed Where are those who celebrate the interactions of divinity and humanity female and male in the announcement of a pregnant woman with God in utero This book follows *The Wizard s Illusion* revisiting the Land of Oz Traveling companions range from Elizabeth A Johnson to Paul Ricoeur and C S Lewis from Augustine and Karl Barth to Grace M Jantzen and Catherine Keller The quest is the imago Dei with its interweaving motifs in which there is room for the other

in which gender is a metaphor for something far greater Identity meaning or postmodern ambiguity Vive la difference or vive la difference That is the question for our generation The Union Labor Bulletin ,1911 What Men Want John Munder Ross,1994 Describes the concepts that are most prominent in our understanding of the modern male condition fatherhood aggressive and heterosexual love it attempts to solve the mystery of what it means to be male *Topical Bible Studies* David Lendway,2019-08-19 This book is Volume 2 of three volumes and contains a different collection of Bible topics than each of the other two volumes These topics like the previous topics in the other two volumes will also allow the reader to easily identify and with little or no effort on their part to commit to memory exactly what God expects of them from within HIS written Word Although this will not necessarily bring about the reader s ability to remember precisely where each of these topics appears in the Bible s book chapter and verse it will after reading enough of these topics make their daily Bible reading much easier and so much more enjoyable due to their new found understanding The reader will also discover when studying topic by topic they will remember the subject matter much better than when these particular subjects flew by them at lightning speed while reading along in their Bible These self contained Bible studies work for everyone It doesn t matter where one stands in their faith or how much they know about the Bible these studies will work For those who are well rooted in the Word these studies will work for them as a review those who own an average understanding of God s Word will be able to use these studies not only as a review but also for learning something that God has said and they had previously missed Those who know very little about the Word of God will be able to learn a great deal from these topical studies since they are self contained and require no explanation because all commentary is backed up with book chapter and verse from the inspired Word of God Those who know nothing about the Word and are seeking to learn about God the Father God the Son God the Holy Spirit their salvation and the existence of this spiritual world they have heard so much about will now be able to learn straight from His Word right in the comfort of their living room whatever it is they want to know
