Traditional Monster Imagery in Manga, Anime and Japanese Cinema Zília Papp, 2010-10-29 Traditional Monster Imagery in Manga Anime and Japanese Cinema builds on the earlier volume Anime and its Roots in Early Japanese Monster Art that aimed to position contemporary Japanese animation within a wider art historical context by tracing the development of monster representations in Edo and Meiji period art works and post war visual media While the previous volume concentrated on modern media representations this work focuses on how Western art historical concepts and methodology might be adapted when considering non Western works introducing traditional monster art in more detail while also maintaining its links to post war animation sequential art and Japanese cinema The book aims at a general readership interested in Japanese art and media as well as graduate students who might be searching for a research model within the fields of Animation Studies Media Studies or Visual Communication Design

Period Piece. A Cambridge Childhood Gwen Raverat, 2022-07-21 In *Period Piece A Cambridge Childhood* Gwen Raverat masterfully weaves memoir with visual narrative to illuminate her formative years in late 19th century England Employing a blend of vivid prose and charming illustrations Raverat captures the idyllic yet complex atmosphere of her upbringing in a prominent Cambridge family The book's literary style is a delicate fusion of personal reflection and social commentary underpinned by an unmistakable sense of nostalgia It places parental influence educational experiences and the social mores of the time into focus revealing the interplay between individual and societal expectations within the realm of Victorian England Gwen Raverat an esteemed artist and member of the Bloomsbury Group draws on her illustrious family legacy to craft a narrative that is as much about her personal development as it is about the cultural milieu of her youth As the granddaughter of Charles Darwin her upbringing was steeped in intellectual curiosity which serves as a backdrop to her artistic evolution and pursuits This duality of scientific heritage and artistic endeavor enriches her storytelling and provides a profound context to her reflections For readers interested in a nuanced exploration of childhood social dynamics and the interplay of art and life *Period Piece* is an indispensable addition to the literary canon Raverat's unique voice and her skillful blend of narrative and illustration offer an engaging and insightful glimpse into a bygone era making it a compelling read for both lovers of memoir and scholars of Victorian literature

Period Piece Gwendolyn Raverat, 2022-08-16 In *Period Piece* Gwendolyn Raverat crafts a vivid memoir that intricately weaves personal narrative and historical observation capturing the essence of a family entrenched in the artistic milieu of late 19th and early 20th century England Raverat's prose is characterized by its delicate observational style offering readers a rich tapestry of life in a bygone era Through her engaging reflections she illuminates the social and cultural landscapes of her childhood filled with eccentric relatives and profound artistic influences thereby situating her work within the broader

context of English literary and artistic movements particularly the Bloomsbury Group Raverat a distinguished wood engraver and the granddaughter of Charles Darwin draws upon her unique familial heritage to illuminate the art of storytelling Her upbringing amid intellectual and artistic luminaries profoundly informs the narratives she presents providing insight into both personal and historical dimensions Raverat's dual identity as an artist and a member of a pioneering family lends a compelling authenticity to her reminiscences reflecting her intimate connections to significant cultural developments This book is a compelling read for anyone interested in the interplay between personal history and broader societal changes Raverat's charming prose not only enchants but also educates making it a must read for those who appreciate the intersections of art family and culture in historical contexts

The Haunted Self David Lomas, 2000-01-01 The question Who am I resounded throughout the surrealist movement The exploration of dreams and the unconscious prompted surrealists to reject the notion of a unified indivisible self by revealing the subject to be haunted by otherness and instability In this book David Lomas explores the surrealist concepts of the self and subjectivity from a psychoanalytic viewpoint Employing a series of case studies devoted to individual artists Lomas arrives at a radically new account of surrealist art and its cultural and intellectual roots Weaving together psychoanalytic and historical material the author analyses works by Ernst Dali Masson Miro and Picasso with regard to such themes as automatism hysteria the uncanny and the abject Lomas focuses closely on individual artworks examines the specific circumstances in which they were produced and offers new insights into the artists and their projects as well as the theories of Bataille Breton and others Lomas demonstrates the powerful connection between the history of psychoanalysis and the history of surrealism and along the way shows the unique value of psychoanalytic theory as a tool for the art historian
