Police In Trouble Our Frightening Crisis In Law Enforcement:

Police in Trouble James F. Ahern, 1972 A former New Haven Connecticut police chief gives his views on the nature of police work the political forces which influence police performance and areas for reform The author contends that organized crime and corrupt politicians handcuff the police more than court decisions can Inadequate budgets coupled with impossible demands by the public result in angry and frustrated officers Reform can not be concentrated on police alone but must be an effort to improve society [Library Book Catalog](#) National Institute of Law Enforcement and Criminal Justice. The Rowman & Littlefield Handbook of Policing, Communication, and Society Howard Giles,Shawn L. Hill,Edward R. Maguire,2021-04-15 The Rowman Littlefield Handbook of Policing Communication and Society brings together well regarded academics and experienced practitioners to explore how communication intersects with policing in areas such as cop culture race and ethnicity terrorism and hate crimes social media police reform crowd violence and many more By combining research and theory in criminology psychology and communication this handbook provides a foundation for identifying and understanding many of the issues that challenge police and the public in today s society It is an important and comprehensive analysis of the enormous changes in the roles of gender in society digital technology social media and organizational structures have impacted policing and public perceptions about law enforcement Two Cultures of Policing John Leo,2017-09-08 The emergence and functioning of two competing and sometimes conflicting cultures within police departments demonstrates how competition between street cops and bosses is at the heart of the organizational dilemma of modern urban policing Unlike other works in this field that focus on the monolithic culture or familial quality of policing this study demonstrates that which might look cohesive from the point of view of outsiders has its own internal dynamics and conflicts The book shows that police departments are not immune to the conflict inherent in any large scale bureaucracy when externally imposed management schemes for increasing efficiency and effectiveness are imposed on an existing social organization Based upon two years of extensive field work in which the author covered every major aspect of policing at the precinct level in the New York City police department from manning the complaint desk to riding in squad cars Ianni shows

how the organized structure of the police department is disintegrating The new Management Cop Culture is bureaucratically juxtaposed to the precinct level Street Cop Culture and bosses loyalties to the social and political networks of management cops rather than to the men on the street causes a sharp division with grave consequences for the departments The study concentrates on a series of dramatic events such as the suicide of a police officer charged with corruption a major riot and the trial of an officer accused of killing a prisoner while in police custody Ianni traces how these events affected relationships among fellow officers and between officers and bosses

Understanding Police Culture John P. Crank, 2014-09-25 Police culture has been widely criticized as a source of resistance to change and reform and is often misunderstood This book seeks to capture the heart of police culture including its tragedies and celebrations and to understand its powerful themes of morality solidarity and common sense by systematically integrating a broad literature on police culture into middle range theory and developing original perspectives about many aspects of police work

Policing UK Honour-Based Abuse Crime Rachael Aplin, 2019-06-10 This book examines the different forms that honour based abuse crimes take and analyses the discretionary police practices employed when responding to these incidents Honour based abuse is an incident or crime involving violence threats of violence intimidation coercion or abuse committed in order to protect or defend the honour of an individual family and or community for a perceived breach of their code of behaviour Based on unique UK police data it includes examination of one hundred honour abuse cases and interviews with fifteen predominantly detective specialist police officers that investigate this crime This book recognises the challenges encountered when policing honour based abuse and offers recommendations for addressing them It will particularly benefit police forces in England and Wales the Home Office scholars in gendered violence and policing and non government organisations charities supporting victims by highlighting some of the issues associated with policing partnership working arrangements and safeguarding victims of honour based abuse crimes

Race and the Houston Police Department, 1930-1990 Dwight Watson, 2005 Examines the racial history of the Houston Police Department drawing on police records and contemporary accounts to look at how Houston and other police departments responded to social political and institutional change from 1930 to 1990

The Top Books of the Year Police In Trouble Our Frightening Crisis In Law Enforcement The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
