Roy M. Anker

Positive Thinkers Religion As Pop Psychology From Mary Baker Eddy To Oral Roberts:

The Positive Thinkers Donald Meyer, 2013-02-06 The subject of Professor Meyer's superb study concerns the dissolution of the Protestant ethic its relationship to a general failure of nerve within the American community and the consequent rise of a pseudo theology in the guise of a pseudo psychology as reflected through the work of certain mind cure practitioners from Mary Baker Eddy to Norman Vincent Peale It is a subject largely ignored by intellectuals and Professor Meyer in taking it out of the domain of the Reader's Digest similar habitations has produced a real service not only to sociology and political science disciplines in which he is very well versed but also to mass culture and the vague but insidious ethos behind it In describing what the sub title states as the American Quest for Health Wealth and Personal Power Professor Meyer works from an historical perspective does not beat any drums nor ride any hobby horse scholarly care and an in depth generosity illuminate a number of intricate concepts whether they be individualism laissez faire industry or the peculiar role and influence of women within society His work is schematized yet fluid showing how a process of ego disintegration has paradoxically resulted out of the improperly understood religious orientation of the past and the anxiety ridden religious revival of the present Today God means Adjustment Virginia Kirkus Kirkus Reviews

Helping the Good Shepherd Susan E. Myers-Shirk, 2009-03-02 This history of Protestant pastoral counseling in America examines the role of pastoral counselors in the construction and articulation of a liberal moral sensibility Analyzing the relationship between religion and science in the twentieth century Susan E Myers Shirk locates this sensibility in the counselors intellectual engagement with the psychological sciences Informed by the principles of psychology and psychoanalysis pastoral counselors sought a middle ground between science and Christianity in advising anxious parishioners who sought their help for personal problems such as troubled children violent spouses and alcohol and drug abuse Myers Shirk finds that gender relations account in part for the great divide between the liberal and conservative moral sensibilities in pastoral counseling She demonstrates that as some pastoral counselors began to advocate women's equality conservative Christian counselors emerged denouncing more liberal pastoral counselors and secular psychologists for disregarding biblical teachings From there the two sides diverged dramatically Helping the Good Shepherd will appeal to scholars of American religious history the history of psychology gender studies and American history For those practicing and teaching pastoral counseling it offers historical insights into the field

The Business Turn in American Religious History Amanda Porterfield, Darren Grem, John Corrigan, 2017-07-19 Business has received little attention in American religious history although it has profound implications for understanding the sustained popularity and ongoing transformation of religion in the United States This volume offers a wide ranging exploration of the business aspects of American religious organizations The authors analyze the financing production marketing and distribution of religious goods and services and the role of wealth and economic organization in sustaining and even shaping worship charity philanthropy institutional growth and missionary work Treating religion and

business holistically their essays show that American religious life has always been informed by business practices Laying the groundwork for further investigation the authors show how American business has functioned as a domain for achieving religious goals Indeed they find that religion has historically been more powerful when interwoven with business Chapters on Mormon enterprise Jewish philanthropy Hindu gurus Native American casinos and the wedding of business wealth to conservative Catholic social teaching demonstrate the range of new studies stimulated by the business turn in American religious history Other chapters show how evangelicals joined neo liberal economic practice and right wing politics to religious fundamentalism to consolidate wealth and power and how they developed marketing campaigns and organizational strategies that transformed the American religious landscape Included are essays exposing the moral compromises religious organizations have made to succeed as centers of wealth and influence and the religious beliefs that rationalize and justify these compromises Still others examine the application of business practices as a means of sustaining religious institutions and expanding their reach and look at controversies over business practices within religious organizations and the adjustments such organizations have made in response Together the essays collected here offer new ways of conceptualizing the interdependence of religion and business in the United States establishing multiple paths for further study of their intertwined historical development

Evangelicals in the White House Erling Jorstad,1981 This text seeks to distinguish between moderate press on and conservative hold fast evangelicals characterizing Jimmy Carter as the former and Ronald Reagan as the latter and attributes Reagan s and the hold fast evangelicals political successes to their mastery of computer and television technology

The Channeling Zone Michael Fobes Brown,1997 Neither a debunker nor an advocate Michael Brown examines why so many intelligent Americans have turned to channeling as a source of spiritual guidance and how this links with older and more esoteric native religions

The Dream of a New Social Order Matthew Schneirov,1994-10-27 The Dream of a New Social Order

Just Plain Dick Kevin Mattson,2012-09-18 A behind the scenes 60th anniversary commemoration of the 37th President s famous Checkers speech demonstrates how it salvaged a psychologically troubled Nixon s position on Eisenhower s Republican ticket set the tone for the 1952 campaign and reflected period politics and culture By the author of What the Heck Are You Up To Mr President

The Religion of Chiropractic Holly Folk,2017-03-13 Chiropractic is by far the most common form of alternative medicine in the United States today but its fascinating origins stretch back to the battles between science and religion in the nineteenth century At the center of the story are chiropractic s colorful founders D D Palmer and his son B J Palmer of Davenport Iowa where in 1897 they established the Palmer College of Chiropractic Holly Folk shows how the Palmers system depicted chiropractic as a conduit for both material and spiritualized versions of a vital principle reflecting popular contemporary therapies and nineteenth century metaphysical beliefs including the idea that the spine was home to occult forces The creation of chiropractic and other Progressive era versions of alternative medicine happened at a time when the relationship between science and

religion took on an urgent increasingly competitive tinge Many remarkable people including the Palmers undertook highly personal reinterpretations of their physical and spiritual worlds In this context Folk reframes alternative medicine and spirituality as a type of populist intellectual culture in which ideologies about the body comprise a highly appealing form of cultural resistance

Ministry After Freud Allison Stokes, 2020-07-31 Ministry After Freud tells the fascinating story of the impact of Freud's depth psychological discoveries on the practice of American Protestant ministry It focuses on the lives and work of leaders such as Elwood Worcester Anton Boisen Flanders Dunham Smiley Blanton Norman Vincent Peale Seward Hiltner and Paul Tillich who were pioneers in the Religion and Health Movement which brought together religion and psychology in healing ministry and greatly influenced the practice of pastoral care and counseling Never before chronicled and described this Movement paralleled the Social Gospel Movement The book also tells the story for the first time of the New York Psychology Group which met on Manhattan in the early 1940s Members of this exclusive group including Paul Tillich Seward Hiltner Erich Fromm Rollo May David Roberts Gotthard Booth Violet De Laszlo shared ideas about the bearing of psychology on religion ideas that later deeply influenced American intellectual and religious life through the articles and books these people wrote The author identifies religion and health as a movement in theological liberalism which historically seeks to interpret the gospel for each generation

American Pilgrimage Christopher Shannon, 2022-08-09 Histories of the Catholic Church in the United States abound Most suffer from an excess of either scholarly detachment or popular triumphalism American Pilgrimage seeks instead to draw on the best of current scholarship to tell the story of the Church as it understands itself the Body of Christ divinely ordained yet marred by sin charged with the mission of spreading the Gospel and building up the community of the faithful In scope American Pilgrimage narrates the story of the Church from the dramatic efforts at evangelization in the colonial period to the Catholic urban villages of the immigrant Church to the struggles to reimagine tradition in the late 20th century In shape it follows this story through the Augustinian contours of the ongoing struggle between the City of God and the City of Man a struggle that takes place between the Church and the world within the Church itself and within the soul of every Christian

Self-Help and Popular Religion in Modern American Culture Roy M. Anker, 1999-11-30 The second of two volumes on the relationship between popular religion and the self help tradition in American culture this book continues chronologically where the first left off As with the first volume this work focuses on the intersection of American history and popular religion and is intended as an introductory interpretive guide to major self help figures and movements with origins in popular religious movements This volume spans from Romanticism the Gilded Age and the history of Christian Science with discussions of Mary Baker Patterson Phineas Parkhurst Quimby and Mary Baker Eddy through Norman Vincent Peale and Robert Schuller Peale and Schuller with the exception of Evangelist Billy Graham constitute the public face of mainstream American Protestantism and bring this two volume study to its conclusion in the second half of the 20th century This reference will serve as a valuable research tool for American religion

and popular culture scholars Together with the first volume Self Help and Popular Religion in Early American Culture these two meticulously researched volumes clearly define and present the broad scope of the self help tradition as it pervades American culture and as it developed and was influenced by popular religion An extensive bibliography is included

Salvation with a Smile Phillip Luke Sinitiere, 2015-11-13 Joel Osteen the smiling preacher has quickly emerged as one of the most recognizable Protestant leaders in the country His megachurch the Houston based Lakewood Church hosts an average of over 40 000 worshipers each week Osteen is the best selling author of numerous books and his sermons and inspirational talks appear regularly on mainstream cable and satellite radio How did Joel Osteen become Joel Osteen How did Lakewood become the largest megachurch in the U S Salvation with a Smile the first book devoted to Lakewood Church and Joel Osteen offers a critical history of the congregation by linking its origins to post World War II neopentecostalism and connecting it to the exceptionally popular prosperity gospel movement and the enduring attraction of televangelism In this richly documented book historian Phillip Luke Sinitiere carefully excavates the life and times of Lakewood s founder John Osteen to explain how his son Joel expanded his legacy and fashioned the congregation into America s largest megachurch As a popular preacher Joel Osteen s ministry has been a source of existential strength for many but also the routine target of religious critics who vociferously contend that his teachings are theologically suspect and spiritually shallow Sinitiere s keen analysis shows how Osteen s rebuttals have expressed a piety of resistance that demonstrates evangelicalism s fractured but persistent presence Salvation with a Smile situates Lakewood Church in the context of American religious history and illuminates how Osteen has parlayed an understanding of American religious and political culture into vast popularity and success

Crossings and Dwellings Kyle B. Roberts, Stephen Schloesser, J.S., 2017-07-31 In Crossings and Dwellings Kyle Roberts and Stephen Schloesser S J bring together essays by eighteen scholars in one of the first volumes to explore the work and experiences of Jesuits and their women religious collaborators in North America over two centuries following the Jesuit Restoration Long dismissed as anti liberal anti nationalist and ultramontanist restored Jesuits and their women religious collaborators are revealed to provide a useful prism for looking at some of the most important topics in modern history immigration nativism urbanization imperialism secularization anti modernization racism feminism and sexual reproduction Approaching this broad range of topics from a variety of disciplinary perspectives this volume provides a valuable contribution to an understudied period

Original Sin and Everyday Protestants Finstuen, 2010-07-13 In the years following World War II American Protestantism experienced tremendous growth but conventional wisdom holds that midcentury Protestants practiced an optimistic progressive complacent and materialist faith In Original Sin and Everyday Protestants historian Andrew Finstuen argues against this prevailing view showing that theolog The Catholic Counterculture in America, 1933-1962 James Terence Fisher, 2001-02-01 James Fisher argues that Catholic culture was transformed when products of the immigrant church largely inspired by converts like Dorothy Day launched a variety of

spiritual communitarian and literary experiments He also explores the life and works **Discursive Perspectives in Therapeutic Practice** Andrew Lock, Thomas Strong, 2012-04-05 Psychotherapy is inherently discursive yet only recently has the role that discourse plays in therapy been recognized as a focus in itself for analysis and intervention Discursive Perspectives in Therapeutic Practice presents a overview of discursive perspectives in therapy along with an account of their philosophical underpinnings Mind Games Eric Caplan, 2001-03-13 Traces the causal paths linking culture the profession and knowledge in the formation of the uses and study of psychotherapy in America at the end of the 19th century

American Feminism and the Birth of New Age Spirituality Catherine Tumber, 2002-09-18 Contrary to popular thought New Age spirituality did not suddenly appear in American life in the 1970s and 80s In American Feminism and the Birth of New Age Spirituality Catherine Tumber demonstrates that the New Age movement first flourished more than a century ago during the Gilded Age under the mantle of New Thought Based largely on research in popular journals self help manuals newspaper accounts and archival collections American Feminism and the Birth of New Age Spirituality explores the contours of the New Thought movement Through the lives of well known figures such as Mary Baker Eddy Madame Helena Petrovna Blavatsky and Edward Bellamy as well as through more obscure but more representative New Thinkers such as Abby Morton Diaz Emma Curtis Hopkins Ursula Gestefeld Lilian Whiting Sarah Farmer and Elizabeth Towne Tumber examines the historical conditions that gave rise to New Thought She pays close attention to the ways in which feminism became grafted with varying degrees of success to emergent forms of liberal culture in the late nineteenth century progressive politics the Social Gospel humanist psychotherapy bohemian subculture and mass market journalism American Feminism and the Birth of New Age Spirituality questions the value of the new age movement then and now to the pursuit of women's rights and democratic renewal **Inventing the Psychological** Joel Pfister, Nancy Schnog, 1997-01-01 Interdisciplinary scholars

investigate how emotions have been shaped by mass media economics domesticity and the arts due to ideological changes in the family race class gender and sexuality over the past two centuries in America **Service Clubs in American Society** Jeffrey A. Charles, 1993 Placing the clubs in the context of twentieth century middle class culture Charles maintains that they represented the response of locally oriented traditional middle class men to societal changes The groups emerged at a time when service was becoming both a middle class and a business ideal As voluntary associations they represented a shift in organizing rationale from fraternalism to service The clubs and their ideology of service were welcome as a unifying force at a time when small cities and towns were beset by economic and population pressures

As recognized, adventure as with ease as experience more or less lesson, amusement, as capably as bargain can be gotten by just checking out a book **Positive Thinkers Religion As Pop Psychology From Mary Baker Eddy To Oral Roberts** in addition to it is not directly done, you could believe even more on the order of this life, something like the world.

We pay for you this proper as skillfully as simple way to get those all. We manage to pay for Positive Thinkers Religion As Pop Psychology From Mary Baker Eddy To Oral Roberts and numerous ebook collections from fictions to scientific research in any way. along with them is this Positive Thinkers Religion As Pop Psychology From Mary Baker Eddy To Oral Roberts that can be your partner.
