# Public Relations A Practical Guide To The Basics Pr In Practice Series

**David Phillips, Philip Young**

## **Public Relations A Practical Guide To The Basics Pr In Practice Series:**

**Public Relations** Philip Henslowe, 2003 This straightforward and practical guide takes the reader step by step through a PR campaign It provides a valuable overview of the main areas of work involved including ethics and the law working with photographers working with printers working with publishers and the media working with designers crisis management and new developments in technology This completely updated second edition includes new information on professional advisers spin doctors PR in local government and financial PR

**Public Relations** Philip Henslowe, 1999 This book acts as a comprehensive yet easy to read guide to the basic principles of public relations It has been written for those already working in the industry who need a handy reference guide As a guide to PR for non PR experts such as those working in charities public or commercial organizations and for those who are considering a career in PR it gives an overview of the main areas of work involved Some of these are ethics and the law working with publishers making videos exhibitions conferences and events sponsorship crisis management new developments in technology Public relations practitioners today are required to be aware of the other areas on which PR work impinges such as marketing advertising and market research This book will provide all the relevant connections and enable these practitioners to work competently within all areas

**Public Relations Strategy** Sandra Oliver, 2001 This volume reflects the intense discussion that is taking place on the nature of public relations and its role in developing and supporting management strategy It is aimed at seasoned PR practitioners and students who struggle with questions concerning overall management strategy

**Online Public Relations** David Phillips, Philip Young, 2009-05-03 The internet has totally revolutionized the practice of public relations This revolution has not only affected the way PR professionals communicate but has changed the nature of communication itself This thoroughly revised second edition of Online Public Relations shows readers how to use this potent and energizing medium intelligently and effectively David Phillips explores the growth of social media sites such as Facebook MySpace Bebo Flickr etc and of virtual environments virtual communities information sharing sites and blogs PR practitioners must now explore and experiment with new technologies and new ways of thinking to get their message across and an environment which has been made far more transparent due to social media Other topics covered include new models of information exchange commercial implications of the internet how social media impacts on PR strategy developing online PR strategies risks and opportunities and CSR This second edition is a timely and authoritative overview of the new online PR Any PR professional wanting to conduct business in the modern interconnected world will regard this book as a must

Running a Public Relations Department Mike Beard, Institute of Public Relations (Great Britain), 2001 Good management practice is essential if a PR department is to be highly valued and cost effective This updated edition aims to show business practitioners exactly how this can be achieved The result is a hands on guide offering accessible and practical advice for PR activity

*Effective Writing Skills for Public Relations* John Foster, 2005 John Foster's book is a How To guide that gives a solid

grounding in the writing requirements of the PR business It covers a lot of ground in a complex but rewarding subject Writing Magazine Effective Writing Skills for Public Relations is a valuable reference source on the basis of style and presentation with helpful hints on making the best use of written communication It advises on how to write concisely using jargon free language whilst avoiding overused words and phrases There is guidance on policing house style with emphasis on consistency and advice on punctuation headlines and captions As well as this there are tips on what makes a good press release and how to use effective design and layout to produce easy to read text Readers will also find help on public speaking pronunciation and the standard writing skills needed in the office This third edition includes five new chapters covering editing skills the importance of written tone of voice what makes a good annual report the legal issues facing writers and the use of Americanisms Standard proof correction marks are included together with a glossary of terms This is an essential hands on practical guide for anyone earning a living through the written or spoken word

**Planning and Managing Public Relations Campaigns** Anne Gregory, 2000 Praise and Reviews Practical and easy to read takes the reader step by step through each crucial stage of a campaign covering all the vital areas SCOTTISH INDUSTRY starting the planning process research and analysis setting objectives strategy and tactics timescales and resources evaluation and review Packed with numerous case studies the book demonstrates a 10 point plan for ensuring successful campaigns and programmes By using the techniques presented here public relations practitioners will be able to drive events instead of being driven by them Endorsed by the Institute of Public Relations Planning and Managing Public Relations Campaigns is vital reading for students practitioners or managers who want a definitive guide to the planning and management process

**Public Relations Strategy** Sandra M Oliver, 2009-11-03 This challenging book reflects the intense discussion that is taking place on the nature of public relations and how it develops and supports management strategy It links models and theories of strategic management to the PR function and discusses how globalization and the Internet are changing organizational PR strategy This new and updated version of Public Relations Strategy explains how PR lies at the heart of sound ethical corporate communication as a core strategic management function The new edition explores the following topics PR as strategic and issues management the governance role of PR within organizations attaining and maintaining reputation internal communication as PR strategy online offline media relations research matters exploration and evidence managing ethics and evaluation in PR programming Including many new international case studies this fully updated third edition of Public Relations Strategy is a useful addition to the thinking practitioner s library and an invaluable learning tool for students undertaking examinations in PR and related disciplines

**Effective Internal Communication** Lyn Smith, Pamela Mounter, 2008-07-03 Internal communication has previously been overlooked in standard approaches to public relations both in theory and in practice The second edition of Effective Internal Communication explores the ways in which attitude is fast changing as more and more organizations recognize that good communication with their workforce is vital for continued

success and profitability In a practical and jargon free style Effective Internal Communication looks at how internal communication is conducted across the different sectors and in organizations of differing sizes and complexity Crammed with practical examples and useful advice the book contains numerous topical case studies that serve to bring theory and often complex issues to life This completely up to date second edition looks at a wide range of issues related to internal communication including managing internal communication internal communication across the sectors the legal framework the measurement of results the effects of technology and managing change The new edition also contains new chapters on communicating in a crisis leadership by mid level managers and the future of internal communication

**Effective Media Relations** Michael Bland, Alison Theaker, David W. Wragg, 2000 The power of the media is unquestionable the dramatic effect it can have on public opinion and decision making is quite unique Knowing how to use the media effectively is an essential part of the public relations practitioner s repertoire of skills In this second edition of Effective Media Relations three public relations professionals give clear practical guidance on how to work with journalists to get the best possible media coverage In Part 1 Alison Theaker looks at the media context and provides an overview of the law ownership ethics new technology and media evaluation In Part 2 David Wragg looks at the opportunities that are available in the written press and gives practical advice on how to work with them Michael Bland takes a behind the scenes look at broadcast media in Part 3 and provides an insight into how radio and television interviews should be handled Effective Media Relations provides an ideal primer for the newcomer to public relations For the seasoned practitioner it serves as a useful refresher for updating skills and provides invaluable overview of media relations
