

Public Speaking is not just a Talk

“Sir, I used to speaker in front of public, so I do not need to attend Public Speaking class” Arman said one of the prospects when got follow up by my staff.

Not mistaken with the achievement of Mr. Arman, because as large people who used to speak publicly have the assumption that they have been able to do public Speaking well and accurately.

Actually what does that mean, the criteria that someone has done public speaking well and appropriately, note this 3M:

1 Attractive [*Menarik*]

The first step to enter your public speaking category are good and proper. Public Speaking—you must attract the attention of the audience to hear what you are saying.

Notice the body language of your audience, whether there is a smile on their face or they are busy themselves because your public speaking is boring. Check out the characteristics of a bored audience in my article hard-coded your audience bored.

Because it will be difficult for people to do what you say if they are not interested in listening to what you say.
