Public Policy And The Regulatory Environment:

Handbook of Public Policy Implementation Fritz Sager, Céline Mavrot, Lael R. Keiser, 2024-07-05 In this comprehensive Handbook international experts examine theoretical and empirical research to analyse a core element of the public policy process implementation Traversing numerous sub disciplines and traditions including top down and bottom up approaches to public policy implementation research the chapters present a synthesis of the state of scholarship and stimulate future thinking in the field

Business Regulation and Public Policy André Nijsen, John Hudson, Christoph Müller, Kees van Paridon, R. Thurik, 2008-12-03 For years businesses have complained about the costs of regulatory compliance On the other hand society is becoming increasingly aware of the environmental safety health financial and other risks of business activity Government oversight seems to be one of the answers to safeguard against these risks But how can we deregulate and regulate without jeopardizing our public goals or acting as a brake on economic growth Many instruments are available to assess the effects of laws regulating business including the regulatory impact assessment RIA which contains cost benefit analysis cost effectiveness analysis risk analysis and cost assessments This book argues that public goals will be achieved more effectively if compliance costs of the enterprises are as low as possible Highlighting examples from a wide spectrum of industries and countries the authors propose a new kind of RIA the business impact assessment BIA designed to improve both business and public policy decision making
