Loving Arms Can Haunt You Dianna Cross Toran,2022-06-23 Willamina or Billie as everyone called her was a young black woman who could be somewhat messy The only constant in her life besides her family was the Loving Arms Inn It was operated by her great aunt and uncle except during the month of July when Billie and her family would leave the city and take over running the Inn while her aunt and uncle took a much needed vacation An incident at the Inn when Billie was six made her question if she could have seen a ghost Chocking it up to a little girl s wild imagination by everyone she puts it in the back of her mind Years later after a very public break up Billie decides to leave the city for good and start fresh at the place she loves most The Loving Arms Inn There she has a second hilarious reencounter with the ghost she saw as a child Her life is still messy but she is determined to get back on tract until she stumbles over a body This lighthearted story will have you in suspense while laughing out loud [Purposeful Play with Your Preschooler](#) Anthony C.
