Puppy and Friends Amber Lily, 2021-08 Get ready to meet Puppy and friends for novelty story time fun Touch trace and feel the shaped cut outs and raised card characters on each page as you turn the sturdy card pages and read the simple story This tactile board book is perfect for grown ups and their little ones to read and share together [The Show](#) Carter, 2018-03-23 The day Rocky became Brians chocolate labrador was the first best day of his life The second best day was when he met Molly the cocker spaniel next door The dog life has been a good one chasing grasshoppers playing tug of war swimming in the lake but Rocky also wanted to be a service dog He wanted to be a police dog and go through the police academy Molly too had her own dreams of being a show dog and competing in the dog show after her stint in beauty school However following their dreams meant they would have to leave each other and their childhood homes and saying goodbye is bittersweet Rockys life as a police dog is a dangerous one but Mollys journey to become a show dog did have its bad guys New friends and new adventures await the two dogs but will Rockys and Mollys different dreams mean they will have to say goodbye forever Or will fate somehow bring them back together for good With perseverance friendship and fun Rocky and Molly show what it means to dream big no matter what happens **[The Cop, the Puppy and Me](#)** Cara Colter, 2012-02-07 Jaded cop Oliver Sullivan moved to picturesque Kettle Bend to leave behind bad memories Locals leave him alone until a video of him rescuing a drowning puppy goes viral making him a celebrity Sarah McDougall sees it as a perfect opportunity to promote the struggling town But when she interviews the gruff cop he s not the warm caring hero she expects Instead he claims to dislike dogs and distrust love He s wrong on both counts and she plans to prove it to him [Puppy and Friends](#) , 2008-05 Designed for the youngest of readers with a split cover that reveals shaped pages with different touch and feel textures this baby book encourages first learning concepts and observatory skills *My Puppy and Me* Shola Awoyode, 2022-11-10 My Puppy and Me uses poetry to walk through the excitement felt by a family who looks forward to bringing their adorable puppy home after a long wait The love and joy that Nala share with her new family and friends is contagious and felt by everyone she meets All puppies are unique in their own special ways which can be seen throughout the pages of this book Checkout the first book of this series My Destiny and Me *Puppy and Friends Touch and Feel* Roger Priddy, 2017-08-01 An adorable and irresistible touch and feel board book for babies and toddlers full of cute puppies to stroke and textures to explore See the puppies doing the things puppies do from eating and playing to cuddling and snoozing On each double page spread there is a different texture to find so you can stroke their ears or touch their noses and the rhyming text makes the whole shared experience an enjoyable one for both parent and child These books feature large areas of textured fabrics for children to touch and feel helping babies develop sensory awareness Words as well as pictures are textured for fun learning [Behavior Problems of the Dog and Cat](#) Gary Landsberg, Wayne Hunthausen, Lowell Ackerman, 2012-12-14 Formerly the Handbook of Behavior Problems of the Dog and Cat the new edition of the definitive

guide to the diagnosis and treatment of behavior problems of the dog and cat has been extensively updated. It retains the highly practical approach that has proved so successful in previous editions, offering diagnostic guidelines, preventative advice, treatment guidelines, and charts, case examples, client forms, and handouts, and product and resource suggestions, along with details on the use of drugs and natural supplements to help optimize the behavior services offered in practice. To add to these features, the third edition is now fully referenced; there is significant new content. The book has been written with the entire hospital team in mind, and many color images have been added. The new edition welcomes a wide international mix of new contributors from Australia, Spain, Mexico, and the United States. A website link gives access to the handouts and forms previously found on disk. As well as fulfilling its original purpose as a practical tool for the busy clinician, this edition offers valuable and useful support material for all those studying the field of companion animal behavior. Now in full color and using a revised format, *Behavior Problems of the Dog and Cat* remains the most complete, up-to-date, and practical resource for the treating and diagnosing canine and feline behavior problems. Many hot new topics covered, including stress and its effects on health and behavior, and pain assessment and management. Three chapters are added, dealing with canine and feline communication, how to distinguish behavioral versus medical problems, and how to deal with fear and aggression in the clinic. Now thoroughly referenced to the scientific literature. Includes updates on drugs and natural therapeutics. Pain assessment charts now included. All new color format offers extra illustrations throughout.

Train Your First Puppy Lily A.

Parker, 2025-08-07 Are you a parent or teacher looking for a book that makes puppy training simple, engaging, and age appropriate for children? Whether it's your child's first dog or a family project, this book turns training into a joyful learning experience that teaches not just obedience but also responsibility, confidence, and compassion. *Train Your First Puppy* is the perfect book for kids ages 6-12 who want to become real puppy trainers. Written by certified dog trainer and children's educator Lily A. Parker, this guide blends positive reinforcement, playful exercises, and real-life bonding tips into one easy-to-follow resource. Inside this beautifully designed, kid-friendly training book, children will learn how to: Understand what puppies need to feel safe, loved, and ready to learn; Create a training schedule that works with school, playtime, and family routines; Teach essential commands like sit, stay, come, and walk on a leash; Use fun games, songs, and charts to make training exciting and effective; Handle puppy behaviors like biting, jumping, barking, and potty accidents with confidence; Track progress using star charts, printable diplomas, and journaling pages; Celebrate success with fun activities, reward ideas, and graduation day tips. What makes this book different from others? Unlike many puppy training books that are written for adults, this guide is created just for kids. It uses clear, encouraging language and hands-on activities designed to keep young trainers motivated. It's not just about training dogs; it's about helping kids become kind leaders and responsible pet owners for life. Whether you're preparing for a new puppy or already have a furry friend at home, this book is the perfect gift to help any child bond with their dog, build self-esteem, and learn life skills that last far beyond puppyhood. Great for homeschoolers, birthday gifts, or first

time pet owners this is the 1 guide for kids who love dogs and want to do things the right way **Shortcut and Friends**
Donald Hord,2015-11-19 This is a story about Shortcut a young Aboriginal boy who lives in the Outback of Australia with his
animal friends The Aborigines are native people of Australia who live off the land hunting wild animals and different plants
and roots Yogi Boy Cox and Friends Marianne Cox Clark,2012-03-14 The story of Yogi Boy Cox was in the beginning
stories told to my Grandchildren when they came to stay especially when they stayed overnight After telling the stories over
and over again I perceived the idea of writing them down and giving them as a gift to the Grandchildren It began to take hold
as others wanted to hear about the family canine As the theory goes you only ever have that one good dog all that follow
never seem to measure up however some have come close This is a true story and I would like to dedicate it to the good Dr
Daly at Ohio State University Hospital Without his diligence in treating Yogi this story would not have ended as it did
