The Complete Guide to Border Collies David Anderson, If you've ever seen a dog in a television

commercial there's a pretty good chance it was a Border Collie. Or if you've watched herding competitions you've probably seen a Border Collie controlling the herd. First and foremost Border Collies are sheep herders. But when they're not on the clock they can make excellent companions. They're energetic, playful and extremely intelligent. They're also sensitive, affectionate and adorable. Even though this breed is still vital to livestock owners, we will focus on the Border Collie as a pet in this book. Intelligence is perhaps the most prominent trait of the Border Collie. In the pasture, this dog can understand specific commands and respond accordingly. They also excel at obedience competitions and agility runs because they can pick up new skills quickly and respond to challenging commands. This book will give you the information you need to jump start your ownership journey including: Border Collie History, Choosing a Border Collie, Preparing your Home for your Border Collie, Bringing Home your Border Collie, Being a Puppy Parent, Housetraining, Socializing with People and Animals, Border Collies and Your Other Pets, Physical and Mental Exercise, Training your Border Collie, Basic Commands, Dealing With Unwanted Behaviors, Traveling with Border Collies, Nutrition, Grooming your Border Collie, Basic Health Care, Advanced Border Collie Health and Aging, Dog Care. This book will become your go-to guide throughout your BC's life as it has helpful hints and reminders that will prove to be practical far into their adulthood. Border Collies are an absolute joy to have as pets. These dogs are beautiful, intelligent and silly. They love to test their owners and call the shots, but at the end of the day they're capable of following orders. You'll never find another dog quite like them as they're capable of running around one minute and snuggling up beside you the next. All your Border Collie wants is a purpose. While they may drive you nuts when they're bored, it's amazing to watch them work. Whether your Border Collie's job is to tend livestock, chase the rabbits and birds from your garden or just be a loving companion, you'll find that your Border Collie will do anything for the love and affection with which you pay them.

Puppy in the Pulpit Raelene Phillips, 2003-07 Dixie Lee was a cuddly furball sitting on a pillow in a small cage. It wasn't long before the puppy was whisked to her new home where she proceeded to warm the hearts of everyone.

How to Raise a Puppy Stephanie Rousseau, Turid Rugaas, 2022-10-11 *How to Raise a Puppy* moves away from the traditional approach to raising puppies focused on obedience and control and instead takes an holistic dog centred approach. Drawing on research into how dogs naturally rear their young and how dogs have evolved to behave and spend their time, it supports a new way of sharing our lives with our dogs. It also offers advice on dealing with some of the common challenges people experience with puppies and tips for managing adolescence. A much needed resource for dog trainers, veterinarians and behaviourists to recommend to clients, this conveys a powerful message to help overcome all too common issues so many people have with their puppies. Packed with practical advice, it offers an overdue puppy perspective with respect for a dog as a sentient being at its core.
