Pure Logistics:

Pure Logistics George Cyrus Thorpe, 1917 *Operational Logistics* Moshe Kress, 2015-10-30 This book explores the theoretical foundations and applications of military operational logistics OpLog OpLog theory has two facets qualitative and quantitative The qualitative facet is imbedded in the theory of operational level of war or operational art It includes principles imperatives and tenets which are stated and analyzed in the first few chapters The quantitative facet relates to the scientific aspects of OpLog It is manifested by formal network models representing structural and operational features of an OpLog system The book examines the two facets and integrates them into a unified presentation Important OpLog applications are described and discussed Chapter 1 presents a general introduction to military logistics Chapter 2 discusses the px font family monospace general structure and characteristics of logistics and describes its three levels strategic operational and tactical Chapter 3 describes the foundation of OpLog Chapter 4 deals with OpLog planning Chapter 5 addresses the issue of logistic information and Chapter 6 deals with forecasting logistic demands Chapters 7 and 8 are new additions to this second edition They address logistics aspects of two contemporary operational topics insurgencies and humanitarian assistance Chapter 9 describes the first version of the logistic network model Chapter 10 addresses an important OpLog characteristic Flexibility Chapter 11 discusses two major challenges in OpLog practice force accumulation 4419px font family monospace and medical treatment and evacuation Chapter 12 presents an inter temporal network optimization model designed to determine deployment and employment of 3333px font family monospace the OpLog support chain during military operations **Naval Research Logistics Quarterly** ,1954 [The UK as a Medium Maritime Power in the 21st Century](#) Christopher Martin, 2016-11-30 This book argues that the UK as a post modern globalised state will require means to have influence over events and opponents that threaten the UK's interests in the 21st century and that its means is the Royal Navy However unlike other studies this research emphasizes the role of logistics especially afloat support logistics and the Royal Fleet Auxiliary In doing so the author rejects the current theory underpinning military operations at distance that distance degrades capability and posits an alternative theory that time is the key factor for maritime based forces The UK must reengage with its maritime status and maintain a maritime based capability to protect its interests in the new maritime century as a leader within the international community The book will be of use to scholars and researchers interested in naval history and defence policy **Petroleum Logistics** United States. Bureau of Naval Personnel, 1955 **Military Review** ,1987 [Fortitudine](#) ,1987 **Supply Chain Management** Arlo Stark, 2019-06-05 An increasingly global business landscape means that even the smallest of companies must contend with a growing base of international suppliers and customers With that comes myriad technical organizational and cultural changes that challenge traditional management practices Regardless of the means taken to address these challenges all companies will eventually have to synchronize the flow of their products information and funds This book focuses on concepts principles and real life

experiences which improve understanding of the Supply Chain Management SCM Available information has been analyzed and synthesized across many disciplines The book is designed to contribute to the existing body of literature available on supply chain management This work which is replete with new concepts and practices will commend itself to all categories of readers particularly academicians researchers and students of management economics and commerce **Hearings, Reports and Prints of the House Committee on Internal Security** United States. Congress. House. Committee on Internal Security,1969 *Investigation of Students for a Democratic Society* United States. Congress. House.
