RNZAF Charles Darby,1978 Beretning om Royal New Zealand Air Force RNZAF i perioden 1937 46 **Flying Catalinas** Andrew Hendrie,2012-10-24 The consolidated PBY Catalina was probably the most versatile and successful flying boat amphibian ever built serving not just with the US Army Navy and Coast Guard during the Second World War but also with the air forces of Britain Canada Australia and New Zealand with the Danes Free French and Norwegians as well as in Brazil Chile Indonesia and elsewhere With a remarkable lifting capacity and endurance this long range twin engine aircraft could absorb a great deal of punishment and still return home after flights lasting an entire day and covering thousands of miles It was employed as a maritime reconnaissance aircraft as a bomber and torpedo bomber as an anti submarine weapon as a mine layer as a special operations machine and as a search and rescue craft by day and night It ferried stores mail and people many of them sick and injured across the world s oceans In this book Andrew Hendrie tells the story of the Flying Cats of their achievements and exploits of the heroism of many of the crews and the problems they had to endure

Modelling the P-40 Brett Green,2012-04-20 The P 40 was a dependable warhorse that provided valuable service throughout World War II The earliest operational variants were used to great effect by the famous Flying Tigers in China and the P 40 went on to serve in almost every theatre of the war Modellers are well served with P 40 variants from major manufacturers and after market companies and this book helps make the most of the products available The projects featured in clear step by step detail include a 1 32 Flying Tiger P 40B an RAAF Kittyhawk Mk IV in 1 48 a TP 40N two seat trainer in 1 48 and an RAF Desert Kittyhawk in 1 72 scale Superb colour reference photographs and detailed lists of kits and accessories available round off this authoritative treatment *Combat Codes* Vic Flintham,Andrew Thomas,2008-07-15 The authors of *Combat Codes* have painstakingly researched the codes used by the RAF to replace unit markings during World War II in order to attempt to confuse the enemy Aircraft ,1978 **New Zealand National Bibliography** ,1979 **New Zealand Prepares for War** William David McIntyre,1988 How does a small country prepare for war How well prepared was New Zealand in 1939 this is the first comprehensive study of defence policy in peace time It considers everything from the grand strategy of alliances to military organisation and nuts and bolts It poses vital questions which all Governments have to face What must we defend What can be threatened Who might have the motive and the capacity to pose a threat What circumstances might permit an attack How could an enemy be deterred If deterrence fails how can an attack be countered What allies will assist David McIntyre shows from files in the National Archives and surviving private papers that between 1919 and 1939 successive New Zealand governments identified the Dominion s security with that of the British Empire by planning to send land and air expeditionary forces to help the British and by building a small navy as a Division of the Royal Navy New Zealand even helped to pay for the Singapore Naval Base Yet German rearmament in the 1930s and aggressive acts by Japan and Italy cast doubts on imperial strategy At the same time New Zealand was increasingly pre occupied with

the strategic position of the Pacific Islands Not only were the Dominion s forces called on in four police actions in the islands but there was an extraordinary dispute with the USA over the possession of numerous small islands and New Zealand accepted responsibility for the defence of some of Britain s island colonies Included in this study are fascinating glimpses of some great personalities such as Carl Berendsen who was a one man ministry of foreign affairs General Sinclair Burgess who modernised the army and Group Captain Cochrane the first Chief of Air Staff We follow the running debate over compulsory military training observe the role of the armed services during civil disturbances and see Bill Jordan s dramatic contributions in the League of Nations in the late 1930s A concluding survey of the war effort 1939 45 considers whether New Zealand prepared for the right war Inside front cover **Air Pictorial** ,1995 National Union Catalog , Includes entries for maps and atlases **The Cumulative Book Index** ,1978 A world list of books in the English language **Flying Cats** Andrew Hendrie,1988 This extensively illustrated book tells the story of the Flying Cats their exploits and achievements the heroism of their crews and the problems they endured It includes technical data and individual aircraft histories as well as first hand anecdotes from the crews Australian National Bibliography ,1978 *Index to Australian Book Reviews* ,1979 **Index to New Zealand Periodicals** ,1940 Library of Congress Catalogs Library of Congress,1980 Australian Books in Print ,1980 Subject Catalog, 1979 Library of Congress,1979 **Subject Catalog** Library of Congress,1979 **Australian Book Review** ,1978 **Bookseller and the Stationery Trades' Journal** ,1978
