Road To Holiness:

Road to Holiness Rev. Tijs Theijsmeyer, 2021-12-22 This book was written to help people grow closer to and participate more fully in their personal relationship with God The road to spiritual maturity is often a long and involved process which I believe is outlined for us in John's Gospel John says at the end of his Gospel in 20:21 But these are written that you may believe that Jesus is the Christ the Son of God and that by believing you may have life in his name The life he is talking about is our spiritual life Our spiritual life starts when we begin to truly believe in Jesus and accept him as our lord and Saviour It comes to ultimate fulfillment when we cross over from physical death into eternal life in Heaven In between is a long and often difficult but rich and involved journey On this Road to Holiness we learn many things We learn to give up old ways that are not life giving and to adopt a more deeply true spiritual outlook I believe we go through various stages that I have outlined in this book and as found in the Gospel We learn to recognize the presence of the Holy Spirit in our lives as wonderful new opportunities present themselves As we grow in our spiritual maturity we develop new spiritual strength that helps us to overcome a whole variety of obstacles and difficulties that would have previously sent us running for cover Our ability to love deepens and is enriched so that we can appreciate and enjoy all of God's creation and creatures in a new way Spiritual growth may take a lot of work at times but the rewards are definitely worth the effort As we gain a solid faith in our own worth in the sight of God we also begin to participate in the unfolding of the Kingdom of God in our midst This helps us to discover new ways to prepare for our eventual arrival into the Kingdom of Heaven *The Road to Holiness* E. W.

Bullinger, 2018-11-05 Towards the end of the 19th Century E. W. Bullinger grew more and more concerned about incorrect teaching on holiness and how it was acquired Such teaching arose in certain new movements and appeared in articles in the Christian press of his day These studies were first written in the closing years of the 19th Century Thus what he refers to as The Modern Movement relates to what had arisen in the United Kingdom at that time However some of those errors of that Modern Movement persist today and so much of what he wrote then is relevant and helpful to 21st Century Christians

Highway of Holiness Judith Lawrence, 2011-05-11 You were born on earth in holiness but as you walk along life's road and become buffeted with life's trials you lose the knowledge of the holiness with which you were born Join Judith Lawrence along her soul journey as she considers God's grace the indwelling of the Holy Spirit the abundance of Christ's love and many other blessings received along life's road Discover your soul's qualities discern your soul's voice and follow your soul's leading along your spiritual pilgrimage Become a contemplative without a cloister keep God at the center of your life and find God's open doors along your pilgrim way This book will take you through paths of prayer and assist you to become aware of your soul's presence within it will guide you towards a unique relationship with God take you along your path to spiritual maturity and give you a realization of your holiness and oneness with God The spiritual journey is one of awakening to your soul's presence rediscovering the holiness with which you were born and being transformed into spiritual beings

Navigating the Highway to Holiness Florence Koleszar, Michael Koleszar, 2014-11-24 WHERE ARE YOU ON THE HIGHWAY TO HOLINESS Being a Christian is more than just an instantaneous conversion it is a daily process whereby we grow to be more and more like Christ When we no longer desire to grow and please our Lord we stifle the work of the Holy Spirit by telling Him to move out from behind the steering wheel and into the back seat essentially telling Him we are happy to have Him along for the ride but we want to maintain control of our lives Christians are only as holy as they want to be John the Baptist addresses this thought head on when he said He must increase but I must decrease John 3 30 Here in this short scripture John identifies the main battleground for all Christians to become more like Christ while simultaneously conquering our sinful nature The church as a whole has pulled off of the Highway to Holiness into a rest area where we have become comfortable parked under the shade tree of contentment We have become satisfied with our spiritual growth telling ourselves that while we are not what we are suppose to be we are much better than what we use to be before Christ We have grown weary of battling our own flesh which has extinguished the passion and desire we once had to pursue holiness and righteousness However complacency with Christ is the graveyard where Christians go to die Supported by numerous scriptures *Navigating the Highway to Holiness* identifies areas within the church that have been weakened by false doctrine and the spirit of compromise while simultaneously challenging Christians to continually move towards perfection through the power of the Holy Spirit and by allowing Christ to assume His rightful place on the throne of our hearts

Road To Holiness

Rev. Tijs Theijsmeyer, 2018-10-15 The road to spiritual maturity is often a long and involved process that takes most people a lifetime to accomplish I have written this book based on the Gospel of John in the hopes of helping people find their way along the road to a richly rewarding experience of Christian maturity When we begin the journey by making a conscious decision to be a Christian person we make a decision that will eventually affect every aspect of our lives We each begin with a deeply varied background of ingrained cultural and family patterns that are not all in harmony with the teachings of Jesus These patterns need to be questioned and examined by the light of Jesus s teachings The writer of John s Gospel tells us that he wants us to have life in all its fullness a life that will be deeply rewarding not only for our lives now but also in the fullness of Heaven As we learn new ways of thinking and behaving rich possibilities open up for us Our prayer life transforms from a one sided monologue to a dialogue with God As we learn to recognize the presence and work of the Holy Spirit in our lives wonderful opportunities present themselves that we likely never dreamed would be possible for us to participate in As we grow in our spiritual maturity we develop a new spiritual strength that helps us to overcome a whole variety of obstacles and difficulties that would have previously sent us running for cover Our ability to love deepens and is enriched so that we can appreciate and enjoy all of God s creation and creatures in ways that help us to know we are in total harmony with God Spiritual growth may take a lot of work at times but the rewards are definitely worth the effort as we gain a solid faith in our own worth in the sight of God and begin to actively participate in the unfolding of the Kingdom of God in

our midst preparing us in new ways for our eventual arrival into the kingdom of his Heaven The Way of Holiness ...

Road to Holiness Rev. Tijs Theijsmeyer,2021-05-10 This study guide was written to help individuals and small groups to work
 their way through the ideas found in Tijs first book Road to Holiness There he outlines the spiritual journey from beginning to
 maturity as he found described in John s Gospel The writer of John s Gospel says in Verse 20 31 But these are written that
 you may believe that Jesus is the Christ the Son of God and that by believing you may have life in his name This study guide
 will help you to grow in your spiritual life and at the same time help prepare you for all the joys of Heaven It will guide you to
 become a true spiritual brother or sister of the Lord Jesus here and now Highway to Holiness Catherine (Cathee)
 Miles,2025-07-22 Holiness sometimes seems like an abstract ideal that is unattainable for believers We tend to equate doing
 good with being holy or seeking to eliminate things in our lives that appear unholy The beautiful aspect of God s call to holy
 living is that God provides the Holy Spirit the enabling conduit to the everyday practice in holy living Through this devotional
 Cathee helps believers understand the idea of holiness as well as theological concepts surrounding holy living such as the
 Trinity the Church and discipleship She encourages and challenges readers with stories of hope redemption healing
 forgiveness suffering and the way of the crucified life which lead to a life of wholeness and holiness in and through Jesus
 Christ Each day offers a reflection and contemplation of Scripture a prayer and questions of self examination The Highway to
 Holiness is intentional and instructional for holy living *Highway of Holiness* Sandra Bunce,2005-04-01 Child of God do
 you realize how much God loves you I have endeavored to write this book to share with everyone who reads it the words from
 the heart of God s heart to His body His bride His children Come away let God speak to your heart as you listen to His heart I
 encourage you Do not grow weary do not be discouraged press toward the goal for the prize of the upward call of God in
 Christ Jesus Phil 3 14 I have grown to realize how desperately I need God s guidance and love and I only hope this book will
 help shine the light for you as you walk the Highway of Holiness **Bulletin** National Catholic Educational Association,1924

God is on the Road Paul Dixon PhD,2023-09-11 GOD IS ON THE ROAD Would you like to grow in awareness of God s
 presence in your life Paul Dixon shows how experiences of driving lead to reflections on living alerting us to the inner
 pilgrimage a journey we are all called to make Whether you are a believer or an unbeliever God is on the highway of life and
 He wants to journey with you This book s metaphoric use of driving and the road scene will help you to listen and respond to
 God who is deeply in love with you God is on the Road is written for the general reader It is a Christian spiritual book yet
 relevant for all seeking love The book functions like a pair of divine driving glasses helping you glimpse God s presence in
 your life Each chapter is packed with short reflections to be dipped into a little at a time challenging you to reflect on your

life your love story with and to God God is on the Road is designed to help the reader to slow down and spend time with God There are many aphorisms that stop the reader in his her tracks This book would make an excellent addition to the seminarian reading list Its many comparisons would provide some telling anecdotes for Sunday homilists This is an original thoughtful and helpful book Canon David Annear Ret Diocese of Plymouth United Kingdom God's Way of Holiness Horatius Bonar,2016-04-25 THE WAY OF PEACE and the way of holiness lie side by side or rather they are one That which bestows the peace imparts the holiness and he who takes the one of these takes the other also The Spirit of peace is the Spirit of holiness The God of peace is the God of holiness If at any time these paths seem to go asunder there must be something wrong wrong in the teaching that makes them seem to part company or wrong in the state of the man in whose life they have done so They start together or at least so nearly together that no eye save the divine can mark a difference Yet properly speaking the peace goes before the holiness and is its parent This is what divines call priority in nature though not in time which means substantially this that the difference in such almost identical beginnings is too small in point of time to be perceived by us yet is it not on that account the less distinct and real The two are not independent There is fellowship between them vital fellowship each being the helpmeet of the other The fellowship is not one of mere coincidence as in the case of strangers who happen to meet on the same path nor of arbitrary appointment as in the case of two parallel roads but of mutual help and sympathy like the fellowship of head and heart or of two members of one body the peace being indispensable to the production or causation of the holiness and the holiness indispensable to the maintaining and deepening of the peace He who affirms that he has peace while living in sin is a liar and the truth is not in him He who thinks that he has holiness though he has no peace ought to question whether he understands aright what the Bible means by either the one or the other for as the essence of holiness is the soul s right state toward God it does not seem possible that a man can be holy so long as there is no conscious reconciliation between God and him A spurious holiness there may be founded upon a spurious peace or upon no peace at all but true holiness must start from a true and authentic peace Holiness Through Faith Robert Pearsall Smith,1870 The Watchtower ,1928 The Way of Holiness Samuel Logan Brengle,1918 **NCEA Bulletin** National Catholic Educational Association,1925 No 1 of each vol consists of Report of proceedings of the Association
