Lords of the North Agnes Christina Laut, 1900-01-01 I Rufus Gillespie trader and clerk for the North West Company which ruled over an empire broader than Europe in the beginning of this century and with Indian allies and its own riotous Bois Brul s carried war into the very heart of the vast territory claimed by its rivals the Honorable Hudson s Bay Company have briefly related a few stirring events of those boisterous days Should the account here set down be questioned I appeal for confirmation to that missionary among northern tribes the famous priest who is the son of the ill fated girl stolen by the wandering Iroquois Lord Selkirk s narration of lawless conflict with the Nor Westers and the verbal testimony of Red River settlers who are still living will also substantiate what I have stated though allowance must be made for the violent partisan leaning of witnesses and from that I as a Nor Wester do not claim to be free On the charges and counter charges of cruelty bandied between white men and red I have nothing to say Remembering how white soldiers from eastern cities took the skin of a native chief for a trophy of victory and recalling the fiendish glee of Mandanes over a victim I can only conclude that neither race may blamelessly point the finger of reproach at the other Any variations in detail from actual occurrences as seen by my own eyes are solely for the purpose of screening living descendants of those whose lives are here portrayed from prying curiosity but in truth many experiences during the thrilling days of the fur companies were far too harrowing for recital I would fain have tempered some of the incidents herein related to suit the sentiments of a milk and water age but that could be done only at the cost of truth

Another Jesus, a Different Spirit, a Different Gospel Steven H. Propp, 2011-12-13 Its the Christmas season the most wonderful time of the year for most people in River City California But for Jehovahs Witnesses Lawrence and Brad its a time for them to try to explain the truth about this holiday season to the people of the community Their earnest efforts may earn them ridicule disagreement or a door slammed rudely in their faces but they persist and are sometimes able to find a mind and heart receptive to their urgent message about Jehovahs coming Kingdom Whereas for Elders Skousen and Marshall two Latter day Saint Mormon missionaries the season is another opportunity to share their Churchs distinctive interpretation of the Christian gospel but their efforts are often rebuffed as well In the course of their work these two pairs of men engage in dialogue with traditional Christians as well as members of the Church of Christ the Community of Christ RLDS Seventh day Adventists and Oneness Pentecostals not to mention skeptics atheists and the increasing numbers of people who lack any particular religious beliefs But when a local church brings in a researcher to give a series of lectures on Cults and specifically targeting the Jehovahs Witnesses and Mormons a confrontation is ensured where theological and biblical concepts collide in a public forum Who if anyone really has the Truth Can one still discover the true meaning of Christmas in the midst of passionate disagreements over the validity of the holiday season Are objections raised about the secularization and rampant commercialism of the modern celebration

valid Spend a holiday season or any other season with some interesting and intellectually stimulating characters as they explore these and other challenging questions Readers of the authors earlier novel *A Multicultural Christmas* will be pleased to see a brief reappearance of two characters from that book
