The Chain Samir Edward Morcos,2010-11 Should wisdom be judged by the answers we give to life s greatest questions Or conversely should wisdom be judged by the profundity of our questions In The Chain author Samir Morcos inspires us to begin our search for insight by first acknowledging our ignorance He then guides us through the philosophical and theological maze he refers to as a puzzle One piece of the puzzle may trigger us to question how our bodily form came into existence Another piece may activate our curiosity about the ebb and flow of the ocean s tides Everywhere we look from the color of our eyes to the people in our lives we see questions and we are propelled by our inner longing to seek satisfying answers The Chain reveals startling revelations about age old reflections It takes its readers on the journey of their lives and beyond Life challenges inspired author Samir Edward Morcos to become intensely interested in some tough topics like guilt evil and truth His drive to unravel the uncertainty of the universe and to share what he has learned impelled him to write The Chain While he lives in the real world he is inspired by the ethereal The Chain will clear your confusion through logic wisdom and knowledge Morcos was born in Cairo Egypt and now lives in Fairfax Virginia Publisher s website <http://www.strategicpublishinggroup.com/title/TheChain.htm>

Life Writings I Elizabeth Skerpan-Wheeler,2017-03-02 Early modern men and women represented their lives very differently from twentieth century autobiographers sharing none of the current preoccupation with individuality and the unique self The writers represented in this two volume collection sought connections between

particular events in their lives and the larger pattern of Christian salvation The texts reproduced here are united in the way they interconnect personal experiences and feelings with scriptural passages in an attempt to understand daily life in spiritual terms Almost all the women whose works appear in these volumes would have been considered religious radicals by their contemporaries Living through the turbulent times of the English Revolution 1642 1660 it is unsurprising that their life writings are marked by a sense of persecution Many of them spent time in prison Katherine Evans Sarah Cheevers and Barbara Blaugdane were all imprisoned for preaching the faith of The Society of Friends while Mary Rowlandson spent several months as a captive of North American Indians In her introduction to these writings Elizabeth Skerpan Wheeler provides brief biographical sketches of these writers together with details of the publication history of each text With the exception of Rowlandson s works the writings in these volumes are the first complete unabridged editions in modern times

This is a short relation of some of the cruel sufferings (for the truths sake) of K. E. and S. Chevers in the Inquisition in the Isle of Malta. [Edited by D.
