suffocating moral codes He is viewed as one of the first writers of the Edwardian era who challenged some of the ideals of society depicted in the preceding literature of Victorian England The depiction of a woman in an unhappy marriage furnishes another recurring theme in his work The character of Irene in The Forsyte Saga is drawn from Ada Pearson though her previous marriage was not as miserable as that of the character The Patrician John Galsworthy,2025-08-31 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **Michigan**
