**Facing the Dragon** Robert L. Moore, 2003 Structured around a series of lectures presented at the Jung Institute of Chicago in a program entitled Jungian Psychology and Human Spirituality Liberation from Tribalism in Religious Life this book length essay attacks the related problems of human evil spiritual narcissism secularism and ritual and grandiosity Robert Moore dares to insist that we stop ignoring these issues and provides clear sighted guidance for where to start and what to expect Along the way he pulls together many important threads from recent findings in theology spirituality and psychology and brings us to a point where we can conceive of embarking on a corrective course Traditional doctrinal and historical interpretation both rely heavily on rational analysis But from the disciples at Emmaus to the beginnings of the present century it has been the impact of scripture upon the human heart that has changed human lives In recent decades this impact has been strengthened by advances in linguistic and literary theory by such disparate influences as feminism structuralism Jungianism deconstructionism the analysis of archaic imagery and myth the recovery of Gnostic texts and

finally an openness to pluralism whether ethnic geographic religious or interpretive All of these factors are treated here with a brevity and comprehensiveness which convincingly show that the reader of scripture has a creative and not merely passive role If you would understand the deepest roots of terrorism greed and religious fanaticism read Facing the Dragon But be forewarned you may find some offshoots in your own garden June Singer Jungian analyst author of Boundaries of the Soul Robert Moore Phd was an internationally recognized psychotherapist and consultant in private practice in Chicago He was considered one of the leading therapists specializing in psychotherapy with men because of his discovery of the Archetypal Dynamics of the Masculine Self King Warrior Magician Lover He served as Distinguished Service Professor of Psychology Psychoanalysis and Spirituality at the Graduate Center of the Chicago Theological Seminary and has served as a Training Analyst at the C G Jung Institute of Chicago He is Co founder of the Chicago Center for Integrative Psychotherapy

Walker,2002 In this book Steven Walker carefully leads the reader through the fundamentals of the psychology that underlies Jung's theory of myth He defines key terms and distinguishes dream from fantasy in psychological experience He then traces the lineage of Jungian theory from Jung through such disciples as Van Franz and Neumann to contemporary archetypal psychology By applying Jungian psychology to an array of myths to illustrate core concepts of this theoretical tradition Walker fills a conspicuous gap in the current literature on Jung from back cover **Jung and the Jungians on Myth** Steven Walker,2014-04-08 Carl Gustav Jung 1875 1961 was never more insightful and intriguing than when he discussed mythology The key to understanding the Jungian approach to mythology lies in the concept of the image which provides the basis for his theory of the unconscious By emphasizing the image over the word Jungian psychology distinguishes itself dramatically from Freudian Lacanian and other psychologies that stress the task of interpreting the language the words of the unconscious In **Jung and the Jungians on Myth** Steven Walker carefully leads the reader through the essential lines of thought in Jungian psychology before developing his method for using Jungian ideas to approach mythological texts Whether one is sympathetic toward Jung's ideas or critical of them one will find in Walker's discussion a lucid introduction to Jungian perspectives on myth and psychology **The Spiritual Path of Caryll Houselander** Joyce Kemp,2001 Caryll Houselander 1901 54 English artist spiritual writer poet social activist and mystic was a unique laywoman who took holiness out of the monastery cloister and rectory and into the offices factories farms streets and homes of ordinary people In this engagingly interactive book part narrative biography and part practical spirituality readers will be moved to see in Caryll's story from her difficult childhood through periods of searching being touched by God becoming involved with the poor and the marginalized in society living
