The Fantasy of the Middle Ages Larisa Grollemond, Bryan C. Keene, 2022-07-19 This abundantly illustrated book is an illuminating exploration of the impact of medieval imagery on three hundred years of visual culture From the soaring castles of Sleeping Beauty to the bloody battles of Game of Thrones from Middle earth in The Lord of the Rings to mythical beasts in Dungeons Dragons and from Medieval Times to the Renaissance Faire the Middle Ages have inspired artists playwrights filmmakers gamers and writers for centuries Indeed no other historical era has captured the imaginations of so many creators This volume aims to uncover the many reasons why the Middle Ages have proven so applicable to a variety of modern moments from the eighteenth through the twenty first century These medieval worlds are often the perfect ground for exploring contemporary cultural concerns and anxieties saying much more about the time and place in which they were created than they do about the actual conditions of the medieval period With over 140 color illustrations from sources ranging from thirteenth century illuminated manuscripts to contemporary films and video games and a preface by Game of Thrones costume designer Michele Clapton The Fantasy of the Middle Ages will surprise and delight both enthusiasts and scholars This title is published to accompany an exhibition on view at the J Paul Getty Museum at the Getty Center from June 21 to September 11 2022

The Business of Entertainment Robert C. Sickels, 2008-11-30 We love to be entertained And today s technology makes that easier than ever Listen to tunes while working out No problem Watch a movie on your cell phone Can do Get 450 channels of digital entertainment bounced off a satellite and into your vehicle even while traveling through empty wastelands Simple But behind these experiences is a complex industry dominated by a handful of global media conglomerates whose executives exert considerable influence over the artists and projects they bankroll the processes by which products are developed and the methods they use to promote

and distribute entertainment As this set shows the industries in which commerce art and technology intersect are among the most fascinating in all of business Entertainment is a high stakes industry where stars are born and flame out in the blink of an eye where multimillion dollar deals are made on a daily basis and where cultural mores for better or worse are shaped and reinforced The Business of Entertainment lifts the curtain to show the machinery and sleight of hand behind the films TV shows music and radio programs we can't live without The Business of Entertainment comprises three volumes covering movies popular music and television But it's not all about stars and glitter it's as much about the nuts and bolts of daily life in the industry including the challenges of digitizing content globalization promoting stars and shows protecting intellectual property developing talent employing the latest technology and getting projects done on time and within budget Challenges don't end there There's also advertising and product placement the power of reviews and reviewers the cancerous spread of piracy the battles between cable and satellite operators and the threat to both from telephone companies the backlash to promoting gangsta lifestyles and more Each chapter is written by an authority in the field from noted scholars to entertainment industry professionals to critics to screenwriters to lawyers The result is a fascinating mosaic with each chapter a gem that provides insight into the industry that hands down generates more conversations on a daily basis than any other

An Abecedarian of Sacred Trees Mark G. Boyer, 2016-12-09 Every person has seen a tree and maybe planted or climbed one In all world religions various trees are considered sacred Trees have the ability to help us reach wholeness if we learn their wisdom and integrate it into our lives This abecedarian a book whose contents are in alphabetical order explores the spiritual growth that is possible by reflecting on the wisdom of woody plants which help humans experience the divine In these pages you can explore trees from Acacia to Zaqquq For each of the forty entries the author presents a text identifying the tree a reflective study a question for journaling or personal meditation and a concluding prayer Some trees you may have heard about and some may be new to you The spiritual life is enhanced by the trees that surround and share the earth with us while also disclosing the divine to us
