RESCUE AT LOS BAÑOS

Los Banos Raid

Los Banos Raid:

The Los Baños Raid E. M. Flanagan, 1986 *The Los Banos Prison Camp Raid* Gordon L. Rottman, 2011-10-20 On the southwest shore of Laguna de Bay in the Philippines stood the Los Banos Internment Camp. Held within were 2 147 starving POWs surrounded by thousands of Japanese troops. As the desperate battle for Manila raged, only 130 Paratroopers could be spared for the rescue operation. Supported by Alamo Scouts, local guerrillas, and amphibious tractors, they seized the element of surprise and rescued the POWs. It was a stunning triumph of courage and perfect timing in the face of overwhelming odds.

Rescue at Los Baños Bruce Henderson, 2024-03-19 From the New York Times bestselling author of *Sons and Soldiers* comes the incredible true story of one of the greatest military rescues of all time. In February 1945, as the US victory in the Pacific drew nearer, the Japanese army grew desperate, and its soldiers guarding U.S. and Allied POWs more sadistic. Starved, shot, and beaten, many of the 2 146 prisoners of the Los Baños prison camp in the Philippines—most of them American men, women, and children—would not survive much longer unless rescued soon. Deeply concerned about the half-starved and ill-treated prisoners, General Douglas MacArthur assigned to the 11th Airborne Division a dangerous rescue mission: deep behind enemy lines, that became a deadly race against the clock. The Los Baños raid would become one of the greatest triumphs of that war, or any war, hailed years later by Chairman of the Joint Chiefs of Staff General Colin Powell. I doubt that any airborne unit in the world will ever be able to rival the Los Baños prison raid. It is the textbook operation for all ages and all armies. Combining personal interviews, diaries, correspondence, memoirs, and archival research, *Rescue at Los Baños* tells the story of a remarkable group of prisoners whose courage and fortitude helped them overcome hardship, deprivation, and cruelty, and of the young American soldiers and Filipino guerrillas who risked their lives to save them. Riveting. Readers will be both shocked by the conditions that POWs had to endure and appreciative of the bravery and ingenuity of that generation we have come to call the greatest. *The Washington Post*

The Los Banos Raid E. M. Flanagan, 1987 Here is the incredible true account of the 11th Airborne's daring rescue of 2 000 POWs from behind Japanese lines. The 11th Airborne Jumps at Dawn: this book recounts the complete story of a raid conducted in the last days of World War II on the Los Baos Japanese internment camp, which was located 25 miles behind enemy lines and held over 2 000 civilian POWs. July [The Los Banos Raid](#) Edward M. Flanagan, Jr., 1992-10-01 **Blossoming Silk Against the Rising Sun** Gene Eric Salecker, 2010-08-17 Complete account of airborne operations in the Pacific theater. Fenelon, 2023-04-18 In the tradition of *Band of Brothers*, historian and former paratrooper James M. Fenelon offers a grunt's eye view of the 11th Airborne's heroic campaign to liberate the Philippines in World War II. A soldier's history at its best. *A Grunt's Eye View of Pacific Warfare*. The Pacific theater of World War II pitted American fighting men against two merciless enemies: the

relentless Japanese army and the combined forces of monsoons swamps mud privation and disease General Joseph Swing s rowdy paratroopers of the 11th Airborne Division nicknamed the Angels fought in some of the war s most dramatic campaigns from bloody skirmishes in Leyte s unforgiving rainforests to the ferocious battles on Luzon including the hellish urban combat of Manila The Angels were trained as elite shock troops but high American casualties often forced them into action as ground pounding infantrymen Surviving on airdropped supplies and reinforcements the Angels fought their way across nearly impassable terrain emerging as one of the most lethal units in the Pacific War Their final task was the occupation of Japan where they were the first American boots on the ground Angels Against the Sun is an unforgettable account of the liberation of the Philippines In the tradition of Band of Brothers historian and former paratrooper James M Fenelon offers a grunt s eye view of the war This is a soldier s history at its best **Captured** Frances B. Cogan, 2012-03-15 More than five thousand American civilian men women and children living in the Philippines during World War II were confined to internment camps following Japan s late December 1941 victories in Manila Captured tells the story of daily life in five different camps the crowded housing mounting familial and international tensions heavy labor and increasingly severe malnourishment that made the internees rescue a race with starvation Frances B Cogan explores the events behind this nearly four year captivity explaining how and why this little known internment occurred A thorough historical account the book addresses several controversial issues about the internment including Japanese intentions toward their prisoners and the U S State Department s role in allowing the presence of American civilians in the Philippines during wartime Supported by diaries memoirs war crimes transcripts Japanese soldiers accounts medical data and many other sources Captured presents a detailed and moving chronicle of the internees efforts to survive Cogan compares living conditions within the internment camps with life in POW camps and with the living conditions of Japanese soldiers late in the war An afterword discusses the experiences of internment survivors after the war combining medical and legal statistics with personal anecdotes to create a testament to the thousands of Americans whose captivity haunted them long after the war ended

Gregory Hall, 2006-12-13 As a result of his research for this WWII novel Gregory Hall travelled to the Philippines with a History Channel film crew as well as with four of the surviving WWII participants During the documentary filming he visited the sites of the two internment camps Los Banos and Santo Tomas Additionally he visited the locations of the beachhead where the amphibious tracked vehicles AMTRAC s came ashore the airfield used by the paratroopers who parachuted into the action as well as the vacated prison where the liberated prisoners were taken The author spent numerous years researching the liberation and has personally met many of the participants Over the years he has attended six reunions of the former paratroopers and internees This novel weaves the experiences and stories shared by many of the participants Gregory Hall s father served as a paratrooper in the US Army s 11th Airborne Division during the rescue Like Father Like Son the author enlisted in the US Army and became a paratrooper albeit a second generation paratrooper during the Vietnam era He served with the US Army s 82nd Airborne Division during the mid 1970 s attaining the rank of Sergeant E 5 in the Airborne Infantry The novel has been a work of passion for Gregory Hall The desire to write this novel dates back to when the author was stationed at Fort Bragg North Carolina His father like many WWII veterans rarely talked about the war The author took advantage of being in an airborne division and began researching his father s unit It became evident to him that the heroic exploits of US paratroopers in the Pacific Theater of Operations were overshadowed by their brother paratroopers in the

European Theater of Operations Similarly the successful rescue of over 2 000 prisoners from 30 miles behind enemy lines in the Philippines was overshadowed by another historical event that occurred on the very same day February 23 1945 That event was the raising of the American flag by US Marines on Mount Suribachi on the island of Iwo Jima The author is retired after a 24 year career as an FBI Special Agent He has appeared as a military historian on the History Channel s two hour documentary RESCUE AT DAWN THE LOS BANOS RAID The television documentary was heavily influenced by the author s research for this novel You can visit the novel s website at <https://notforgottennovel.com> Separately from this work Gregory Hall has also appeared on both the DISCOVERY and TRAVEL channels as a cold case criminal researcher on the television show EXPEDITION UNKNOWN hosted by international adventurer Josh Gates The author and Mr Gates revisited the legendary skyjacking of an airliner by a person dubbed by the media as DB Cooper The author s groundbreaking and highly plausible theory of the skyjacking DB Cooper Step Out Of The Shadow has been published on WordPress at <https://retiredinvestigator.wordpress.com>

The Conduct of Hostilities in International Humanitarian Law, Volume I Wolff Heintschel von Heinegg, 2023-06-14 This volume is the first of two addressing the legal regime governing the use of force during armed conflicts Traditionally labeled Hague Law today the norms it examines are commonly referred to as conduct of hostilities rules At the heart of this body of law is the principle of distinction which requires that civilians and civilian objects be distinguished from combatants and military objectives during military operations It is the purest expression of the foundational balance between humanitarian considerations and military necessity that has underpinned international humanitarian law since its inception The essays selected consider the theoretical and practical difficulties of maintaining the balance in the face of evolving means and methods of warfare and competing perspectives as to how it is best achieved Also addressed is the law governing warfare at sea and in the air Essays focusing on the former examine early norms and analyze their continuing relevance to today s maritime operations whilst those exploring the latter inject much needed clarity into the subject an essential task in light of the centrality of aerial warfare in modern combat operations **Army**, 1983 **Love in an Altered State** William J. Potaka Jr., 2011-01-04 LOVE IN AN ALTERED STATE encompasses many aspects of the life and times of a seemingly ordinary man and his contribution to posterity The story begins with the fact that Bill has suffered a debilitating cerebral stroke The time line begins approximately 60 years after the end of World War II in which Bill served as a paratrooper Because of his poor health he now appears older than his 86 years To his very young great grandchildren he is seen as an old man in a wheelchair The ignorance of youth has masked the fact that he was once youthful and that he led a remarkable life full of achievement Much of his life was molded by his heritage and the turbulence of the early 1940s the preceding Great Depression and World War II It is a story of humble beginnings in a Western Pennsylvania coal patch town It is a tale of hard work love and separation duty honor and patriotism The story describes his early home life and family and how he had to quit school to work in the mines to help the family through tough economic times The book tells the story of

his loving wife Flo and their courtship and early years It is a story that exemplifies the power of love It details the feeling of separation they endured during Bill s nearly three years of military service Bill s military service is chronicled through the archives of the 11th Airborne Division and other military histories The actions of the 11th Airborne are interspersed with Flo s life on the home front From humble beginnings to a young husband and father in harm s way to a returning veteran trying to achieve the American Dream to a life time of community service and achievement in business Bill has now arrived at his life in an altered state

Gothic Serpent Clayton K. S. Chun,2012-05-20 This book tells the story of Task Force Ranger a unit of US Rangers and Special Forces and their attempt to capture the lieutenants of the Somali warlord Muhamed Farrah Aideed during the 1993 United Nations humanitarian relief mission What started as a simple snatch and grab mission quickly degenerated into a desperate battle for survival when US Black Hawk helicopters were struck by rocket propelled grenades and crashed into the streets of Mogadishu Racing to save the crew Task Force Ranger was surrounded by mobs of hostile Somali gunmen The battle in the city raged all night as the better equipped and better trained US forces kept the nearly overwhelming numbers of Somalis at bay Finally battered bloodied and low on ammunition the Task Force was rescued by a combined UN and US relief force and extracted to safety Containing detailed maps and declassified information this is a dramatic retelling of a brutal battle that had a far reaching impact on US military policy

Knight's Move David Greentree,2012-06-20 On 25 May 1944 800 men of the 500th SS Parachute Battalion descended on Drvar a town behind enemy lines in north western Bosnia Their aim was to kill or capture Tito the leader of the partisan movement in the region The plan was to land the battalion by glider and parachute in two waves which would be relieved the next day by a ground assault Tito knew an attack was imminent but dismissed the idea of an airborne assault The attempt to eliminate Tito was a colossal failure The elite battalion had been decimated with only 200 men fit for duty the next day Inter agency rivalry between the Abwehr and the SS had meant that intelligence was not shared a problem exacerbated by a failure to exploit HUMINT about Tito s precise location and the adoption of a plan that did not take into account these intelligence limitations
