A *Wyatt Earp Anthology* Roy B. Young,Gary L. Roberts,Casey Tefertiller,2019-08-15 Wyatt Earp is one

of the most legendary figures of the nineteenth century American West notable for his role in the gunfight at the O K Corral in Tombstone Arizona Some see him as a hero lawman of the Wild West whereas others see him as yet another outlaw a pimp and failed lawman Roy B Young Gary L Roberts and Casey Tefertiller all notable experts on Earp and the Wild West present in A Wyatt Earp Anthology an authoritative account of his life successes and failures The editors have curated an anthology of the very best work on Earp more than sixty articles and excerpts from books from a wide array of authors selecting only the best written and factually documented pieces and omitting those full of suppositions or false material Earp s life is presented in chronological fashion from his early years to Dodge City Kansas triumph and tragedy in Tombstone and his later years throughout the West Important figures in Earp s life such as Bat Masterson the Clantons the McLaurys Doc Holliday and John Ringo are also covered Wyatt Earp s image in film and the myths surrounding his life as well as controversies over interpretations and presentations of his life by various writers also receive their due Finally an extensive epilogue by Gary L Roberts explores Earp and frontier violence     *Murder in Tombstone* Steven Lubet,2004-09-10 This account of the court case that followed the gunfight at the OK Corral will interest Wild West buffs as well as readers interested in legal history Publishers Weekly The gunfight at the OK Corral lasted less than a minute yet it became the basis for countless stories about the Wild West At the time of the event however Wyatt Earp was not universally acclaimed as a hero Among the people who knew him best in Tombstone Arizona many considered him a renegade and murderer This book tells the nearly unknown story of the prosecution of Wyatt Earp his brothers and Doc Holiday following the famous gunfight To the prosecutors the Earps and Holiday were wanton killers According to the defense the Earps were steadfast heroes willing to risk their lives on the mean streets of Tombstone for the sake of order The case against the Earps with its dueling narratives of brutality and justification played out themes of betrayal revenge and even adultery Attorney Thomas Fitch one of the era s finest advocates ultimately managed against considerable odds to save Earp from the gallows But the case could easily have ended in a conviction and Wyatt Earp would have been hanged or imprisoned instead of celebrated as an American icon This trial has everything a family feud famous outlaws and lawmen politics sex and the most famous shootout in frontier history Lubet s accessible and highly original book will set a standard for scholarship in a field laden with folklore Allen Barra author of Inventing Wyatt Earp     **Western Gunslingers in Fact and on Film** Buck Rainey,2015-11-17 Billy the Kid Wild Bill Hickok Belle Starr Wyatt Earp the Younger Gang the Dalton Doolin Gang and Bat Masterson these real life lawmen and lawbreakers have been the basis of so many Hollywood Westerns that it has become difficult to discover where the truth ends and the legend begins All actually became larger than life characters during their lifetimes as contemporary newspapers and books embellished their deeds for their own purposes But it was in Hollywood that the line between reality and myth was completely blurred Each chapter length entry here first focuses on the known facts of the people s lives and how each became truly legendary during their lifetimes The reality is then compared to how they have been portrayed in the movies
