has also been featured on A Current Affair and Today Tonight in Australia as well as on numerous radio shows and newspaper articles internationally. In addition to telling Jon's own story of his amazing transformation, the book reveals why diets don't work and explains a truly unique and revolutionary diet-free way to lose weight. It's based on the fact that your body has an internal logic that determines how fat or thin you will be at any given time. The way to lose weight is not to struggle or to force yourself to lose weight but to understand this internal logic and work with it so that your body wants to be thinner. When your body wants to be thinner, weight loss is inevitable and becomes automatic and effortless. You simply crave less food, you crave healthier foods, your metabolism speeds up, and you become very efficient at burning fat, just like a naturally thin person. And that's the real transformation: to transform yourself into a naturally thin person so that you can eat whatever you want whenever you want and still be thin, fit, and vibrantly healthy. — *A Course In Weight Loss* Marianne Williamson, 2010

For so many people, whether your addiction is to a substance or merely to a certain way of thinking or acting, a profound humbling occurs when you realize that your problem is bigger than you are. The terror of realizing even dimly that you have no control over a self-destructive pattern of behavior that as much as you would want to, you simply cannot stop, can mark a crucial turning point in your life. At that point, you go in one of two directions: either way down or way up. This book is for you if you know in your heart that you are an addict and that you are powerless before your addictive behavior. As the title promises, Marianne Williamson looks at weight loss from a spiritual perspective, bringing you 30 lessons that can be done separately or in conjunction with any other serious spiritual path. These 30 lessons are completely separate from anything related to diet or exercise; they will retrain your consciousness in the area of weight in order to break the cycle of overeating, dieting, and shame that rules so many lives. Finally, Marianne has brought you what you've been waiting for: help to heal your addiction once and for all. — *Stop & Drop Diet* Liz Vaccariello, 2015-12-22
