Growing Beyond Apostasy & Other Meditations R.A. Feller, 2006-01-20 Not knowing scriptures in a way that they establish a complete picture for a balanced relationship with Jesus Christ I feel is the main cause of apostasy. Apostasy cost me my marriage my sanity and almost having a true relationship with God who fills my heart with the joy of His love I cried out to God in my despair and He answered me now I pass this baton to spare one of hardship by equipping the saints as we are living at a time where there are many falsehoods we need a sure footing. In the sea of information it is possible to lose our way. Change is not scary when you're in a love with balance that holds a pace which will keep you accountable to the place of safety. This book will help you discern the differences in the variables of love and truth as they are brought together to disclose a very real Jesus Christ. *A Course in Miracles* Helen Schucman, 2009-05-15 A Course in Miracles often called just the Course is a self study course for retraining the mind that is spiritual rather than religious in its perspective. Although it uses Christian terminology it is ecumenical in its approach and its underlying ontology is reminiscent of ancient refrains echoing the world's most hallowed traditions. The Course is pragmatic in its method and its aim is a peaceful mind. Knowledge is not the motivation for learning this course. Peace is. Nevertheless the Course frequently emphasizes its simplicity. The edition of A Course in Miracles that is reproduced in this volume is sometimes referred to as the Hugh Lynn Cayce version because upon completion it had been delivered to Hugh Lynn Cayce son of the renowned psychic Edgar Cayce in 1972 before the manuscript was subjected to the substantial editing process that is described below. *A Course in Miracles* ,2008-06 This volume contains the original Course in Miracles text as well as the Course for Miracles for Teachers and The 360

Lessons **SORCERER In The Mist: A Secret In Ember** Anthony Parker, 2014-01-07 This tale is for a reader of high fantasy intrigued by the mysticism of the ancients one who is constantly seeking or just wants a legend that plays a role in shaping true belief and core thought. It is a doctrine speaking to the soul offered within the body of a tale of Astral traveling enlightenment and success. The sword of heaven is a passage in itself and the Great Opal Gate is burning before the altar of the oracle. Will you find the truths and unlock the lore? A legend of the phoenix and other earthbound tales have been fitted within the story to complete a picture of glory. Are you ready to journey into the astral sky and find the mastery within your guiding light? Are your dreams ready to take flight? Following the story is just one part of the lore and is the light and dark. A journey of the soul and lasting belief. A sweeping single thought of eons past that passes into levels beyond reality to form the great ancestral image. Demons and witches, sage and spirit, devise the lore of the mind. A legend for the age of the soul and the rite of the spirit's eternal dawn. This work is unlike any other and holds spiritual truth as well as a resting place in deep imagination. The power of the legend will awaken you. **Herald of Gospel Liberty** Elias Smith, 1912 The Oberlin
