"Losing My Virginity" Cut Out Virgin Books, 1998-09 **Losing My Virginity** Richard Branson, 1999-10 Not long ago the Big Thicket of East Texas was still one of those places singular in its southernness like the Mississippi Delta or the Carolina Low Country Now its old timers and their ways are nearly gone They will not be forgotten though for in *My Grandfather's Finger* Edward Swift recalls a Big Thicket populated by family and friends as gloriously vibrant and enigmatic as the land itself From Camp Ruby to nearby Woodville and all the swamps bayous and forests in between Swift shows us a place and time so fecund with humor tragedy and good talk that in growing up there he had no choice but to become a novelist We meet among many others Mother a widowed war bride who would spring clean the inside of her house with a garden hose and Aunt Coleta childlike and always surrounded by an entourage of kids half enchanted by her and half scared witless Then there are Uncle Frank who with self fulfilling flair would have drawn a pistol at the merest suggestion that his family was dysfunctional and of course Grandfather who lost his finger to a machete and his mind to cough medicine A mystical world of carnivals talking fiddles houses on wheels atomic bombs and total immersion baptisms Edward Swift's Big Thicket was also a world in which he was loved unconditionally and that alone makes it worth getting to know **Handbook**

Losing My Virginity is the unusual frequently outrageous autobiography of one of the great business geniuses of our time When Richard Branson started his first business he and his friends decided that since we're complete virgins at business let's call it just that Virgin Since then Branson has written his own rules for success creating a group of companies with a global presence but no central headquarters no management hierarchy and minimal bureaucracy Many of Richard Branson's companies airlines retailing and cola are good examples were started in the face of entrenched competition The experts said Don't do it But Branson found golden opportunities in markets in which customers have been ripped off or underserved where confusion

reigns and the competition is complacent And in this stressed out overworked age Richard Branson gives us a new model a dynamic hardworking successful entrepreneur who lives life to the fullest Family friends fun and adventure are equally important as business in Branson s life *Losing My Virginity* is a portrait of a productive sane balanced life filled with rich and colorful stories

Rostami,2024-04-11 As humans our names should remain in everyone s minds as the real heroes in present in future generations During a time when surrounding nations were looking into travelling to the moon and space Pariya Rostami was looking for shelter to hide or a piece of bread for survival Can people in countries where freedom reigns ever be aware of the hardships suffering and dreams buried below the earth that other people have to face What do they think about the millions of poor and malnourished people that live in other countries In a country like Iran you can have the best and look forward to tomorrow but still have no rights as a woman to live freely But Rostami has become an angel of salvation to many through the knowledge she s acquired through pain and suffering She has a powerful touch that can heal many wounds and words to light a path to living free She will continue to fight to defend humanity and her rights as a woman even though writing these truths about her past could dig her own grave About the Author Pariya Rostami has much love to give She believes the world would be much more beautiful if we learned how to be kind and give happiness as a free gift to others without judgments or expectations She learned to respect people s beliefs and love them as a human first rather than rely on what they own where they live how much money they have or what their race is Her greatest desire is to put a smile on people s faces who deserve it
