Loss Prevention Professional:

Loss Prevention Professional Bill Copeland, 1999-02-01 *Secrets of a Successful Loss Prevention Career* Herman Otis Laskey Jr., 2011-08-11 If you're a professional in the loss prevention field and want a long career then this guidebook is for you. For almost two decades Herman Otis Laskey Jr. has been saving companies time and money. In this guide Laskey offers anecdotes and methods for loss prevention including detailed case studies about how he's uncovered internal and external thefts, issues that all retail businesses must focus on to reduce losses, ways to deter employees and customers from stealing, tips on cutting costs when investigating crimes, five secrets to a successful loss prevention career. He also shares how the STINOR Method Loss Prevention can reduce shoplifting and employee theft by up to 95 percent. This method has been used for more than fifteen years by thousands of retailers and restaurants. In addition, you'll learn how to focus on problem areas such as bathrooms and fitting rooms. By thinking like a thief and equipping yourself with the knowledge of a longtime loss prevention professional, you'll benefit from *Secrets of a Successful Loss Prevention Career*. Creative Safety Solutions

Thomas D. Schneid, 2015-09-25 In today's rapidly changing workplace, safety and loss prevention professionals cannot always go by the book for the answers to new and unique problems and issues. When there is no tried and true solution to a problem, safety and loss prevention professionals must think outside of the box of conventional solutions and develop new and creative solutions. **The Expanding Role of the Loss Prevention Professional -- Past, Present, and Future** Dennis C. Hendershot, 2006

Labor and Employment Issues for the Safety Professional Thomas D. Schneid, 2016-04-19 An examination of the safety laws and regulations, particularly in the areas of labor and employment, this book provides a working knowledge of the impacts, requirements, and implications of safety professionals' actions and inactions as related to state and federal laws. It presents information on an issue-by-issue basis and delineates the basics of the issue, identifies the applicable law or regulation, and presents possible solutions to achieve and maintain compliance while achieving the safety objective. The book covers conflicts between laws and regulations and includes case law and reference points.

Discrimination Law Issues for the Safety Professional Thomas D. Schneid, 2016-04-19 Safety professionals communicate directly and indirectly with a large number of employees and others on a daily basis. While not lawyers, they regularly deal with legal issues. A subset of their responsibilities includes how to discuss safety without crossing the discriminatory line. To do this, they need an understanding of discrimination laws. Written for safety professionals, this book provides general knowledge of the various laws and regulations that offer protection to employees and individuals against discrimination in the workplace. It takes a proactive approach to identifying situations where potential discrimination against an employee or individual may occur and provides guidance on how to take immediate action to address the potential discriminatory situation. The book discusses new laws and amendments to existing laws and illustrates the filing process for claims. Chapters cover the Americans with Disabilities Act, the Equal Pay Act of 1963, and the Pregnancy Discrimination Act.
